#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Nashville Opera Association Nashville, Tennessee

We have audited the accompanying consolidated financial statements of Nashville Opera Association (a nonprofit organization), which comprise the consolidated statements of financial position as of July 31, 2016 and 2015, and the related consolidated statements of activities, changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Nashville Opera Association, as of July 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nashville Opera Association (the "Organization") was organized in 1981 to make a difference by creating legendary productions and programs and providing exceptional service. The Nashville Opera Association is supported primarily through donor contributions.

During fiscal 2002, the Nashville Opera Guild, an organization created to support the Nashville Opera Association primarily through volunteer efforts, merged with the Nashville Opera Association. The accompanying consolidated financial statements include the activities of both the Nashville Opera Association and the Nashville Opera Guild.

The Nashville Opera Association also owns a 100 percent membership interest in three single member limited liability companies, Nashville Opera Company, LLC, (which comprises the operating activities of the Organization, including the operatic productions); Noah Liff Opera Center, LLC, (which comprises the Organization's building); and NOA Foundation, LLC, (which comprises the Organization's restricted net assets and other investments). The limited liability companies were formed on January 1, 2008.

#### **Principles of Consolidation**

The consolidated financial statements include the accounts of the Nashville Opera Association, Nashville Opera Guild, Nashville Opera Company, LLC, Noah Liff Opera Center, LLC, and NOA Foundation, LLC, referred to herein collectively as the "Organization." All significant inter-entity transactions and balances have been eliminated in consolidation.

#### **Accounting Method**

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, whereby revenues are recognized when earned and expenses are recognized when the obligation is incurred.

#### **Financial Statement Presentation**

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Net assets of the Organization are presented as follows:

#### **Unrestricted**

Represents unrestricted contributions that are available for the Organization's operations.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Financial Statement Presentation (Continued)

#### **Temporarily Restricted**

**Operating**—Represents net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time.

Capital—Represents net assets subject to donor-imposed stipulations that they be used for acquisition, renovation and maintenance of a long-lived asset.

#### **Permanently Restricted**

Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, donors of these assets permit the Organization to use all or part of the income earned for general or specific purposes.

#### **Restricted Endowment Funds**

The Financial Accounting Standards Board Accounting Standards Codification provides guidance on the net asset classification of donor-restricted endowment funds for a nonprofit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"). The guidance requires that the amount of permanently restricted net assets cannot be reduced by losses on investments of the funds or by an organization's expenditures from the fund unless the donor required the gift to be held in specific investments. It also requires disclosure of a description of the governing board's interpretation of the law that underlies the organization's net asset classification of donor-restricted endowment funds, a description of the organization's policies for the appropriation of endowment assets for expenditures (its endowment spending policies), a description of the organization's endowment investment policies, and additional disclosures, which are disclosed in Note 9.

#### **Estimates**

The preparation of consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments with an original maturity of three months or less, except for cash held in investment accounts.

#### **Investments**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. See Note 5 for discussion of fair value measurements. Gains or losses on such investments are reported as a change in net assets in the period they occur. The Organization's policy is to allocate investments between fixed income securities and equity securities.

#### Contributions Receivable (Promises to Give)

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions receivable due in the next year are reflected as current contributions receivable and are recorded at their net realizable value. Contributions receivable due in subsequent years are reflected as noncurrent contributions receivable and are recorded at the present value of their net realizable value, by discounting the contributions receivable at an appropriate rate commensurate with the risk involved.

The Organization uses the allowance method to determine uncollectible unconditional contributions receivable. The allowance is based on prior years' experience and management's analysis of specific promises made. Management considers contributions receivable to be fully collectible as of July 31, 2016 and 2015, and accordingly no allowance for uncollectible contributions receivable has been provided at July 31, 2016 and 2015.

#### Land, Building and Equipment

Land, building and equipment are recorded at cost as of the date purchased or at fair value as of the date contributed. Expenditures for ordinary maintenance and repair are charged to operations. Renewals and betterments that materially extend the life of the asset are capitalized. Depreciation is provided in amounts necessary to allocate the costs of the various classes of assets using straight-line methods over the estimated useful lives of the respective assets, generally ranging from 5 to 40 years.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as net assets released from restrictions. Contributions whose restrictions are met in the same reporting period are shown as increases in unrestricted net assets. The Organization recognizes revenue received related to the Impresario Council, membership levels of the Organization, as an annual unrestricted contribution.

#### Support and Revenue

The Organization receives grants and support from the National Endowment for the Arts, Tennessee Arts Commission and Metropolitan Nashville Arts Commission. The Organization also receives foundation, individual, board and corporate contributions, as well as ticket sale proceeds for its performances.

Unearned revenue represents amounts received from advance ticket sales and deposits for future rental agreements. These advance ticket sales and related expenses are reflected in operations in the year the production is performed. The facility and production set rental income is reflected in the year the rental occurs.

#### **Donated Assets**

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Contributed Services and Facilities**

Contributed services are reflected in the consolidated financial statements at the fair value of the services received. The contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Contributed services include the value of production services, advertising and professional services donated by individuals in the estimated amounts of \$122,366 and \$96,680 in fiscal 2016 and 2015, respectively.

#### **Advertising Costs**

Advertising costs are expensed as incurred and are reflected in marketing in the accompanying consolidated statements of activities. Advertising expense totaled \$65,244 and \$57,656 for fiscal 2016 and 2015, respectively.

#### **Income Taxes**

The Organization has qualified for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code. It has been classified as an organization that is not a private foundation. Accordingly, no provision for income taxes has been made in the consolidated financial statements.

The Organization follows guidance clarifying the accounting for uncertainty in income taxes recognized in an entity's financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. The Organization has no tax penalties or interest reported in the accompanying consolidated financial statements. Tax years that remain open for examination include years ended July 31, 2013 through July 31, 2016.

#### **Subsequent Events**

The Organization evaluated subsequent events through November 23, 2016, when these consolidated financial statements were available to be issued. Management is not aware of any significant events that occurred subsequent to the consolidated statement of financial position date but prior to the filing of this report that would have a material impact on the accompanying consolidated financial statements.

#### NOTE 2 – CONCENTRATIONS OF CREDIT RISK

At various times during the year, the Organization's cash and cash equivalent balances exceeded federally insured limits. In management's opinion, the risks relating to these deposits is minimal based on the credit ratings of its financial institutions.

#### NOTE 3 - CONTRIBUTIONS RECEIVABLE

The Organization's contributions receivable consist of the following at July 31:

|   | 2016       | 2015         |
|---|------------|--------------|
| Receivable in less than one year            | \$ 351,214 | \$ 651,041   |
| Receivable in one to five years             | 200,000    | 450,000      |
| Total contributions receivable              | 551,214    | 1,101,041    |
| Less discounts to net present value (2%-5%) | (35,055)   | (35,055)     |
| Net contributions receivable                | \$ 516,159 | \$ 1,065,986 |

Approximately 63% of contributions receivable at July 31, 2016 consist of amounts due from one donor, while approximately 71% of contributions receivable at July 31, 2015 consists of amounts due from two donors.

Included in contributions receivable is \$344,076 and \$853,022 net receivable at July 31, 2016 and 2015, respectively, to be used for the Fund for Artistic Excellence. This fund will be used to expand the Organization's educational programs outside of Nashville and enhance the quality of the productions.

Approximately 65% of contributions revenue at July 31, 2016 came from two donors, while approximately 11% of contributions revenue at July 31, 2015 came from one donor.

#### NOTE 5 – FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United State of America establish a fair value measurement hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Organization uses the higher priority valuation techniques based on available inputs to measure fair values. A description of the valuation methodologies used for assets measured at fair value is as follows:

Money market funds and mutual funds: Valued at the net asset value of shares held by the fund at year end.

Exchange-traded funds: Valued at the closing price reported on the active market on which the securities are traded.

The following table sets forth by level, within the fair value hierarchy, the investments at fair value as of July 31, 2016:

#### **NOTE 7 – LINES OF CREDIT**

The Organization maintains two lines of credit with local financial institutions allowing for maximum borrowings of \$300,000 ("first LOC") and \$200,000 ("second LOC"), respectively. The first LOC was amended in February 2016 to extend maturity to February 2019 with required monthly interest payments computed at the bank's prime rate plus 1.75% (minimum 5.25%). During

#### NOTE 7 – LINES OF CREDIT (Continued)

fiscal 2016, the first LOC's interest rate ranged from 4.55% to 5.25%. The second LOC requires monthly interest payments computed at the bank's prime rate plus 1%. As of July 31, 2016 and 2015, total borrowings outstanding under both arrangements were \$0 and \$200,000, respectively. As of July 31, 2016, the second LOC was closed, reducing the maximum available borrowings to \$300,000.

#### NOTE 8 – RESTRICTIONS ON NET ASSETS

Temporarily restricted net assets – operating consist of the following at July 31:

The dividend and interest income earned on permanently restricted net assets is generally available to the Organization on an unrestricted basis.

#### NOTE 9 - ENDOWMENT FUND

The Organization's endowment consists of unrestricted and donor restricted gifts held in investment accounts. As required, net assets associated with endowment funds are classified and reported based upon the existence or absence of donor-imposed restrictions.

#### NOTE 9 – ENDOWMENT FUND (Continued)

#### Interpretation of Relevant Law

The Board of Directors of the Organization has interpreted the UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. The endowment also includes unrestricted assets for the Fund for Artistic Excellence from contributions receivable as disclosed in Note 3.

#### **Endowment Investment Policy and Risk Parameters**

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a secure source of sufficient income to enable the Organization to underwrite the majority of its operating cost. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity and unrestricted funds. The unrestricted funds are the Fund for Artistic Excellence which is created to support the mission of the Nashville Opera Association.

Under this policy, as approved by the Board of Directors, the general policy is to diversify investments through a portfolio of stocks, bonds and other investments so as to enhance total return while avoiding undue risk concentration in any investment class. It is expected that the allocations will fall within the ranges as follows:

| Equities           | 50% - 75% |
|--------------------|-----------|
| Fixed income       | 20% - 40% |
| Non-Traditional    | 0% - 25%  |
| Cash or equivalent | 5% - 15%  |

#### NOTE 9 - ENDOWMENT FUND (Continued)

#### **Endowment Investment Policy and Risk Parameters (Continued)**

Investments of a single issuer may not exceed 5% of the total market value of the endowment.

#### Strategies Employed for Achieving Investment Objectives

To satisfy its long-term objectives, the Organization's investment strategy for the donor restricted funds and the Fund for Artistic Excellence is to invest in moderately aggressive funds with an emphasis on long-term growth. The objective is for the funds to realize a reasonable level of income. The goal for growth of the endowment funds is to grow in excess of the inflation rate over a full market cycle, after distributions for spending and management fees.

#### Spending Policy and How the Investment Objectives Relate to Spending Policy

The Organization's policy for the donor restricted fund is to appropriate dividend and interest income from the endowment fund annually. Appropriations will be equal to 5% of the market value, defined as the 3 year rolling average of the December 31 balance.

The Organization's policy for the Fund for Artistic Excellence is to appropriate 5% of the market value, defined as the 3 year rolling average of the December 31 balance, plus an annual amount of up to \$150,000 for operating purposes. Additional withdrawals may be requested for approval by the NOA Foundation, LLC board of directors.

#### NOTE 10 - EMPLOYEE BENEFIT PLAN

Effective January 1, 2005, the Organization established a defined contribution benefit plan (the "Plan") in which all qualified employees 21 years of age and over may participate. The Plan provides for participants' pretax contributions to the Plan pursuant to Section 401(k) of the Internal Revenue Code. The Organization can make a discretionary matching contribution. Both employee and employer contributions are 100% vested. The Organization's contribution to the Plan was \$9,001 and \$12,259 for the years ended July 31, 2016 and 2015, respectively.

#### **NOTE 11 – COMMITMENTS**

The Organization's bank has issued a standby letter of credit in the approximate amount of \$8,400 for the benefit of the Tennessee Performing Arts Center, the Organization's primary venue for its operatic productions.

#### **NOTE 11 – COMMITMENTS (Continued)**

The Organization leases warehouse space under a noncancellable operating lease, which will expire in April 2017. Rental expense amount to \$37,500 and \$36,400 for the years ended July 31, 2016 and 2015, respectively. Future minimum rental payments required under the operating lease in effect at July 31, 2016 are as follows:
