#### INDEPENDENT AUDITOR'S REPORT

Board of Directors Legal Aid Society of Middle Tennessee and the Cumberlands Nashville, Tennessee

### REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Legal Aid Society of Middle Tennessee and the Cumberlands (the "Organization"), which comprise the statements of financial position as of December 31, 2018 and 2017, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### MANAGEMENT'S RESPONSIBILTY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# **OPINION**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Legal Aid Society of Middle Tennessee and the Cumberlands as of December 31, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### OTHER MATTERS

### Additional Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and schedule of support, revenue, expenses and changes in net assets for LSC funds, as required as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and the Legal Services Corporation ("LSC") Audit Guide, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

In accordance with *Government Auditing Standards*, we have also issued our report dated April 23, 2019 on our consideration of Legal Aid Society of Middle Tennessee and the Cumberlands' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Legal Aid Society of Middle Tennessee and the Cumberlands' internal control over financial reporting and compliance.

### **NOTES TO FINANCIAL STATEMENTS**

### DECEMBER 31, 2018 AND 2017

### NOTE 1 - NATURE OF ACTIVITIES

Legal Aid Society of Middle Tennessee and the Cumberlands (the "Organization") is a not-for-profit corporation organized to provide legal services for the indigent, the elderly, victims of domestic violence and otherwise disadvantaged persons. The Organization is supported primarily through grants from Legal Services Corporation ("LSC"), an annual fund-raising campaign, various foundation grants, state and local governments and local area United Way agencies. The Organization serves 48 counties in Middle Tennessee and the Cumberlands.

LSC is a not-for-profit corporation established by the United States Congress in 1974 and located in the District of Columbia. Congress appropriates federal funds annually to LSC which, in turn, makes grants to local organizations that provide legal assistance.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Basis of Presentation**

The accompanying financial statements present the financial position and changes in net assets of the Organization on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

- Net assets without donor restrictions Net assets that are not subject to donor-imposed
  restrictions and may be expended for any purpose in performing the primary objectives of the
  organization. These net assets may be used at the discretion of management and the board of
  directors.
- Net assets with donor restrictions Net assets subject to donor (or certain grantor) imposed
  restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will
  met by the passage of time or other events specified by the donor. Other donor-imposed
  restrictions are perpetual in nature, where the donor stipulates that resources be maintained in
  perpetuity.

Donor and certain grantor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the Statements of Activities.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Support and Revenue

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

The Organization also receives grant revenue from federal, state and local agencies. Grant revenue is recognized in the period in which a liability is incurred for eligible expenditures under the terms of the grant, except the annual basic field grant from LSC, which is deemed to be a contribution and is reported as such, in accordance with the LSC *Accounting Guide for LSC Recipients*. Advances received on the basic field grant for a subsequent year are recorded as deferred revenue until the year of the award. Typically, the Organization receives four quarterly payments from the State of Tennessee's indigent fund, which are unrestricted in nature.

Any gifts of equipment or materials are reported as net assets without donor restriction unless explicit donor restrictions specify how the assets must be used. Gifts of long-lived assets with explicit restrictions as to how the assets are to be used or funds restricted for the acquisition of long-lived assets are reported as net assets with donor restrictions. Expirations of donor restrictions are recognized when the donated or acquired long-lived assets are placed in service.

### Cash

Cash consists of operating checking accounts with financial institutions and petty cash. Cash that is designated for long-term investment is included in investments in the Statement of Financial Position.

#### Investments

Investments consist of cash and money market funds held for investment, certificates of deposit, equity securities and fixed income securities. Certificates of deposit are valued at cost plus accrued interest and equity and fixed income securities are carried at the quoted market value on the last business day of the reporting period. Interest and dividend income, as well as realized and unrealized gains and losses, are accounted for in accordance with donor restrictions (if any). The changes in unrealized gains and losses are recognized in the Statement of Activities.

# NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Fair Value Measurements

The Organization classifies its investments measured at fair value based on a hierarchy consisting of: Level 1 (securities valued using quoted prices from active markets for identical assets), Level 2 (securities not traded on an active market but for which observable market inputs are readily available) and Level 3 (securities valued based on significant unobservable inputs).

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Investments - equity and fixed income securities - Securities for which quotations are readily available in active markets are valued at the most recent quote in the principal market in which such securities are normally traded, and are classified within Level 1 of the valuation hierarchy. These investments also include securities valued on the basis of information provided by pricing services that employ valuation matrices that may incorporate both broker/dealer-supplied valuations as well as valuation models reflecting such factors as benchmark yields, reported trades, broker/dealer quotes, bid/offer data, and other relevant elements, and are classified within Level 2 of the valuation hierarchy.

No changes in the valuation methodologies have been made since the prior year.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with that of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

### DECEMBER 31, 2018 AND 2017

# NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Contributions Receivable

Unconditional promises to give, less an applicable allowance for uncollectible amounts, are recognized as revenues in the period received. Conditional promises to give are not included as support until such time as the conditions are substantially met. At December 31, 2018 and 2017, all contributions receivable were due within one year.

As of December 31, 2018 and 2017, an allowance for uncollectible amounts has not been provided on contributions receivable since, in management's opinion, the receivable amounts are fully collectible, based on past history.

# **Property and Equipment**

Property and equipment are reported at cost at the date of purchase, at the carrying basis for assets transferred in from merged organizations, or at estimated fair value at date of gift to the Organization. The Organization's policy is to capitalize purchases with a cost of \$2,500 or more (prior to 2018, this threshold was \$1,000) and an estimated useful life of greater than one year. Depreciation is calculated by the straight-line method over the estimated useful lives of the assets (office furniture and computer equipment - 3 to 10 years; buildings and improvements - 10 to 39 years).

Property and equipment acquired with Legal Services Corporation funds are considered to be owned by the Organization. However, LSC has a reversionary interest in the property, as well as the final determination of the use of any proceeds from the sale of those assets.

### **Donated Services**

Donated services are recognized if the services (a) create or enhance non-financial assets; or (b) require specialized skills, are performed by people with those skills and would have otherwise been purchased by the Organization. The Organization utilizes donated time from local area attorneys and paralegals who provide legal services to eligible clients. The donated time represents a material contribution to the Organization's operations and is recognized in the financial statements based on average hourly rates for legal services in the respective areas.

A substantial number of unpaid volunteers have contributed their time to the Organization's program and supporting services. The value of this contributed time is not reflected in these statements since it does not meet the criteria noted above.

# NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Program and Supporting Services

The following program and supporting services are included in the accompanying financial statements:

<u>Program Services</u> - includes activities carried out to fulfill the Organization's mission to provide free civil legal services for the indigent, the elderly, victims of domestic violence and otherwise disadvantaged persons in 48 counties in Middle Tennessee and the Cumberlands. The Organization leverages resources by cooperation and coordination with bar association sponsored pro bono programs and other legal assistance resources. The Organization places a high priority on supporting the integrity, safety and well-being of family by providing assistance with preserving the home, obtaining housing, maintaining economic stability, preventing domestic violence, obtaining health care and encouraging family stability.

### Supporting Services

<u>Management and General</u> - relates to the overall direction of the Organization. These expenses are not identifiable with a particular program, but are indispensable to the conduct of those activities and are essential to the Organization. Specific activities include organization oversight, business management, recordkeeping, budgeting, financing and other administrative activities.

<u>Fundraising</u> - includes costs of activities related to obtaining resources, both financial support and donated legal services. These costs include staff time, materials and other related expenses. Activities related to obtaining financial support include the annual fundraising campaign.

### Allocation of Functional Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the Statement of Activities. The Statements of Functional Expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses require allocation on a reasonable basis that are consistently applied. Allocated expenses include occupancy, which is allocated on a square footage basis, as well as salaries, employee benefits, payroll taxes, professional fees and contract services, office expenses, travel, etc. which are allocated on the basis of estimates of time and effort.

# NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### **Income Taxes**

The Organization qualifies as a not-for-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

The Organization files U.S. Federal Form 990 for organizations exempt from income tax.

Management performs an evaluation of all income tax positions taken or expected to be taken in the course of preparing the Organization's income tax return to determine whether the income tax positions meet a "more likely than not" standard of being sustained under examination by the applicable taxing authorities. Management has performed its evaluation of all income tax positions taken on all open income tax returns and has determined that there were no positions taken that do not meet the "more likely than not" standard. Accordingly, there were no provisions for income taxes, penalties or interest receivable or payable relating to uncertain income tax positions in the accompanying financial statements.

### Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **New Accounting Pronouncement**

On August 18, 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-14, *Not-for-Profit Entities* (Topic 958) - *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. Additionally, ASU 2016-14 requires all not-for-profit entities to present expenses by their natural and functional expense classification. The Foundation has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

# NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Recent Authoritative Accounting Guidance

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606) requiring an entity to recognize the amount of revenue it expects to be entitled to for the transfer of promised goods or services to customers. The updated standard will replace most existing revenue recognition guidance in GAAP when it becomes effective and permits the use of either a full retrospective or retrospective with cumulative effect transition method. In August 2015, the FASB issued ASU 2015-14 which defers the effective date of ASU 2014-09 one year making it effective for annual reporting periods beginning after December 15, 2018. The Organization has not yet selected a transition method an e updated standard will have on the financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. The guidance in this ASU supersedes the leasing guidance in Topic 840, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of activities. In July 2018, the FASB also issued ASU 2018-11, *Leases (Topic 842): Targeted Improvements*, which provides an optional transition method allowing the standard to be applied at the adoption date. A modified retrospective transition approach is required. An entity may adopt the guidance either (1) retrospectively to each prior reporting period presented in the financial statements with a cumulative-effect adjustment recognized at the beginning of the earliest comparative period presented or (2) retrospectively at the beginning of the period of adoption through a cumulative-effect adjustment. The new standard provides a number of practical expedients and is effective for fiscal years beginning after December 15, 2019. The Organization is in the process of evaluating the impact of this new guidance.

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. ASU 2018-08 clarifies the guidance for evaluating whether a transaction is reciprocal (i.e., an exchange transaction) or nonreciprocal (i.e., a contribution) and for distinguishing between conditional and unconditional contributions. The ASU also clarifies the guidance used by entities other than not-for-profits to identify and account for contributions made. The ASU has different effective dates for resource recipients and resource providers. Where the Organization is the resource recipient, the ASU is applicable to contributions received for annual periods beginning after December 15, 2018, and interim periods within annual periods beginning after December 15, 2019. The Organization is currently evaluating the impact of the adoption of this guidance on its financial statements.

# NOTE 3 - LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the Statement of Financial Position date, as of December 31, 2018 are as follows:

Cash and cash equivalents	\$ 1,648,695

As part of the liquidity management plan, the Organization invests cash in excess of normal requirements in short-term investments, CDs, and money market funds.

#### NOTE 4 - CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Organization to concentrations of credit risk consist of cash, various grants, contributions receivable, revenue and investments.

The Organization maintains cash balances and certificates of deposit at financial institutions whose accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to statutory limits. The Organization's cash balance may, at times, exceed statutory limits. The Organization has not experienced any losses in such accounts and management considers this to be a normal business risk.

### NOTE 4 - CONCENTRATION OF CREDIT RISK (CONTINUED)

Contributions receivable consist of campaign, foundation and other organization pledges, as well as United Way receivables. Pledges receivable from four contributors approximated 75% of total contributions receivable as of December 31, 2018 (70% from four contributors in 2017). The grant receivables represent concentrations of credit risk to the extent they are receivable from concentrated sources. The Organization received approximately 44% of its revenues, excluding donated services, from Legal Services Corporation in 2018 and 2017. Revenue from one other source was approximately 18% of its revenues, excluding donated services, in 2018 and 2017.

Investments are subject to market risk, the risk inherent in a fluctuating market. The broker/dealer custodians of the Organization's securities are covered by the Securities Investor Protection Corporation ("SIPC"), which provides protection to investors in certain circumstances, such as fraud or failure of the institution. Coverage is limited to \$500,000 per broker/dealer custodian, including up to \$250,000 in cash. The SIPC does not insure against market risk.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Legal Aid Society of Middle Tennessee and the Cumberlands Nashville, Tennessee

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Legal Aid Society of Middle Tennessee and the Cumberlands (the "Organization"), which comprise the statement of financial position as of December 31, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 23, 2019.

### INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered Legal Aid Society of Middle Tennessee and the Cumberlands' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal* control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a deficiency in internal control, described in the accompanying schedule of findings and questioned costs as 2018-01 that we consider to be a significant deficiency.

#### COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether Legal Aid Society of Middle Tennessee and the Cumberlands' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### ORGANIZATION'S RESPONSE TO FINDING

The Organization's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Organization's response was not subject to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

#### PURPOSE OF THIS REPORT

KraftCPAS PLLC

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE

Board of Directors Legal Aid Society of Middle Tennessee and the Cumberlands Nashville, Tennessee

### REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM

We have audited Legal Aid Society of Middle Tennessee and the Cumberlands' (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the *Legal Services Corporation* (LSC) *Audit Guide* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2018. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### MANAGEMENT'S RESPONSIBILTIY

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

## **AUDITOR'S RESPONSIBILITY**

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S *Code of Federal Regulation* Part 200, *Uniform Administrative Requirement, Cost Principles, and Audit Requirement for Federal Awards* (Uniform Guidance) and the LSC *Audit Guide*. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

### OPINION ON EACH MAJOR FEDERAL PROGRAM

In our opinion, Legal Aid Society of Middle Tennessee and the Cumberlands complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2018.

## REPORT ON INTERNAL CONTROL OVER COMPLIANCE

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance and the LSC *Audit Guide*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the LSC *Audit Guide*. Accordingly, this report is not suitable for any other purpose.

#### **PRIOR YEAR**

#### 2017-01 Year-End Close

**Status:** This finding has been modified in 2018-01 below.

### **CURRENT YEAR**

#### 2018-01 Year-End Close

### **CRITERIA**

Management is responsible for preparing financial statements that are complete and accurate.

### **CONDITION**

During the audit process the audit team proposed adjustments that reduced the current year change in net assets by approximately \$31,000 to properly present balances in accordance with GAAP and present accurate financial statements.

Current year adjustments included:

- To adjust current year fixed asset depreciation, reduce asset accounts for disposals, including assets related to the Gallatin property sale, and expense items below capitalization policy.
- To adjust the campaign revenue and receivable at December 31, 2018 from cash basis to accrual.
- To record donated services.
- To adjust deferred lease expense to reflect straight-line basis.

### **CAUSE**

Certain activity was omitted from the books and records due to an oversight in the final review process of the financial statement accounts.

# **EFFECT**

The effect of the adjustments was as follows: assets increased approximately \$21,500, liabilities increased approximately \$52,500 and current year change in net assets decreased approximately \$31,000.

#### FOR THE YEAR ENDED DECEMBER 31, 2018

### SECTION II - FINANCIAL STATEMENT FINDINGS (CONTINUED)

### 2018-01 Year-End Close (Continued)

#### RECOMMENDATION

We recommend modifying the year-end closing checklist to include review of the property and equipment accounts and reconciliation to the general ledger, as well as reviewed deferred lease expense calculations. In the current year, adjustments posted by the auditor were considerably less than in the prior year. We do recommend all general ledger accounts be properly reconciled at year-end, and, in the event of unusual or non-routine activity during the year, that the Director of Finance double-check the accounting prior to final close and audit of the books and records.

## MANAGEMENTS RESPONSE

The Organization's management takes responsibility in the oversight of recording of certain activity of the year due to not making a final review of certain financial statement items before closing. We have updated our closing checklist to include these additional items.

### SECTION III - FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

#### PRIOR YEAR

There were no prior year findings.

There are no current year findings.
