INDEPENDENT AUDITORS' REPORT

To the Board of Directors Mercy Multiplied America, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Mercy Multiplied America, Inc. (a Tennessee not-for-profit corporation, the "Ministry"), which comprise the statements of financial position as of December 31, 2016 and 2015, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Ministry's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ministry's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Mercy Multiplied America, Inc. as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES

Mercy Multiplied America, Inc. (the "Ministry") is a Tennessee not-for-profit corporation whose mission is to provide opportunities for all to experience God's unconditional love, forgiveness, and life-transforming power. The Ministry serves this mission in two ways: through a residential program and through outreach programs and resources.

The Ministry's residential program is provided free of charge to young women ages 13 to 28 who are struggling with life-controlling issues, including eating disorders, self-harm, drug and alcohol addictions, unplanned pregnancy, depression, sexual abuse, and sex trafficking. The program is voluntary, lasts approximately six months, and includes biblically based counseling and teaching integrated with life-skills training and educational opportunities. The goal is to help residents permanently stop destructive cycles, discover purpose for their lives, and become productive and thriving individuals. The Ministry currently operates homes in California, Louisiana, Missouri and Tennessee.

In addition to its residential program, the Ministry offers outreach programs and resources based on the same biblically based, life-transforming principles used in Mercy homes. These initiatives are designed for men and women ages 12 and up and seek to bring awareness to life-controlling issues, teach keys to lasting freedom, and share practical insights into helping others who are struggling. Outreach programs include educational events and workshops; resources include content on the Ministry's website, podcasts, books, a biblically based study and corresponding videos, and various teaching materials for pastors, parents, and the community at large.

The Ministry has experienced tremendous increase in the global interest and demand for its services. In order to respond to the increase in demand, during 2007 a separate not-for-profit was organized, Mercy Multiplied International, Inc. ("MMI" – formally known as Mercy Ministries International, Inc.). MMI is custodian and owner of the Mercy Multiplied programs on a global basis. MMI provides the Ministry spiritual support and technical assistance with the ongoing operation of existing homes and the startup and initial operation of new homes. The Ministry transferred all rights to its intellectual properties to MMI upon formation.

The Ministry has a Ministry Collaboration Agreement (MCA) with MMI, agreeing to adhere to the standards of operation, governance, structure and commitments as defined per the MCA agreement. As part of this agreement, the Board of Directors, on behalf of the Ministry, may make donations to MMI as the Ministry deems appropriate to support its efforts to spread the ministry throughout the world.

Mercy Multiplied America, Inc. operated under the name Mercy Ministries of America, Inc. until October 2015, when it changed its name to reflect its expanded outreach initiatives and commitment to "multiplying" Mercy outside of its residential homes.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and the disclosures of commitments and contingencies. Actual results could differ from those estimates.

Cash

Cash includes funds on deposit with financial institutions.

Contributions Receivable

Contributions receivable represent those contributions received immediately after year end that are postmarked prior to year end and pledge receivables made at fundraising events.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for future periods or for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a restriction is fulfilled (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted and reported in the statements of activities and changes in net assets as net assets released from restrictions.

Inventory

Inventory consists of paperback copies of books written by the founder of the Ministry, jewelry and apparel. Inventory is stated at the lower of cost, determined on a first-in, first-out (FIFO) basis, or market (net realizable value).

Long-lived Assets

Management evaluates the recoverability of the investment in long-lived assets on an ongoing basis and recognizes any impairment in the year of determination. It is reasonably possible that relevant conditions could change in the near term and necessitate a change in management's estimate of the recoverability of these assets.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment and Depreciation

It is the Ministry's policy to capitalize all property and equipment over \$2,000. Property and equipment acquisitions are recorded at cost. Donations of property and equipment are recorded as revenues at their estimated fair value. Such donations are reported as unrestricted revenues unless the donor has restricted the donated asset to a specific purpose. When depreciable assets are disposed of, the cost and related accumulated depreciation are removed from the accounts, and any gain (except on trade-in) or loss is included in the statements of activities and changes in net assets for the period. A gain on trade-in is applied to reduce the cost of the new acquisition. Depreciation is provided over the assets' estimated useful lives using the straight-line method. Buildings and improvements are generally depreciated over seven to 40 years. Equipment and furniture are depreciated over three to ten years. Vehicles are depreciated over five years. Website development costs are amortized over a period of three to seven years.

Accrued Absences

Employees of the Ministry are entitled to paid time off including vacation, sick days, and personal days off, depending on job classification, length of service, and other factors. The Ministry's policy is to recognize the costs of compensated absences when earned. Accrued compensated absences are included with accrued expenses on the accompanying statements of financial position and totaled \$107,933 and \$122,483 at December 31, 2016 and 2015, respectively.

Income Taxes

The Ministry is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service (IRS) as other than a private foundation.

Accounting principles generally accepted in the United States of America require the management to evaluate tax positions taken by the Ministry and recognize a tax liability (or asset) if the Ministry has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The management has analyzed the tax positions taken by the Ministry and has concluded that as of December 31, 2016, no uncertain positions are taken or are expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Ministry is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Ministry is no longer subject to U.S. federal income tax examinations by tax authorities for years before 2013.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Allocation of Expenses

The costs of providing various program services and supporting activities of the Ministry have been summarized on a functional basis. Accordingly, certain expenses have been allocated among program (counseling and outreach), management and general, and fundraising expenses.

Program expenses consist of the activities that promote the Ministry's vision, including the operation of the residential program, counseling services, Christian education, outreach initiatives, publication and media that supports the Ministry's mission and other activities that fulfill the purpose for which the Ministry exists.

Management and general expenses include oversight, business management and finance activities. These expenses are not identifiable with program or fundraising activities, but are indispensable in conducting those activities and to the Ministry's existence.

Fundraising expenses relate to those activities that promote the growth of contributions, gifts, grants, etc., including conducting fundraising campaigns and events, maintaining donor information, distributing fundraising materials and conducting other fundraising activities.

The Ministry's policy is to report all joint costs not specifically attributable to particular components of the activities, as allocated among program, fundraising and management and general expenses.

The Ministry donates ten percent of its unrestricted cash contributions as a tithe to other organizations or individuals that are involved in activities aligned with the Ministry's mission and vision.

NOTE 6 - CONCENTRATIONS

The Ministry has cash balances in a bank in excess of amounts federally insured. The uninsured balances totaled approximately \$868,000 at December 31, 2016 (\$1,090,000 at December 31, 2015). The Ministry maintains its cash with a high quality financial institution which the Ministry believes limits these risks.

NOTE 7 - JOINT COSTS

During the year ended December 31, 2016 and 2015, the Ministry incurred joint costs of \$231,978 and \$243,133, respectively, for special events that included both educational outreach activities and fund raising appeals. The Organization allocated \$134,472 and \$130,298, respectively, to program services, and \$97,506 and \$112,835, respectively, to fundraising.

NOTE 8 - LEASE COMMITMENTS AND RENT EXPENSE

The Ministry has entered into various operating leases for office equipment. A schedule of future minimum lease payments under these operating leases are as follows for the year ending December 31:

2017 \$ 5,850

The Ministry leases a residential facility in Lincoln, California under an operating lease through December 2015 at which time the lease term automatically renewed for two successive one-year terms. The lease payment, \$3,000 per month, is considered a below market rental rate. The Ministry has included an in-kind rent donation and expense of \$247,500 and \$247,968 on the statements of activities and changes in net assets for this lease for 2016 and 2015, respectively. Additionally, the property taxes for this facility are also donated which totaled \$40,500 and \$40,679 and accordingly are included as an additional in-kind donations. Effective April 1, 2017, the Ministry renewed its lease for the facility. The new lease calls for monthly payments of \$3,000 through March 31, 2018, at which time the Ministry has the option to renew the lease for two successive one-year terms.

Rental expense was \$337,109 and \$343,200 for the years ended December 31, 2016 and 2015, respectively.

NOTE 9 - CONTINGENT LIABILITIES

In 2001, a not-for-profit entity contributed land with a value of approximately \$790,000 on which the St. Louis facility was constructed. The deed to this land contains certain restrictions which require the property to revert to the contributing not-for-profit entity if the following restrictions are not met:

- The Ministry shall remain a Christian-based residential facility for young women struggling with life-controlling issues.
- The Founder of the Ministry shall be the President of Mercy Multiplied International, Inc. ("MMI") and the Ministry shall continue to be affiliated with MMI.

NOTE 10 - RELATED PARTY TRANSACTIONS

MMI was created as a separate not-for-profit organization, maintaining a separate board of directors and organizational structure from the Ministry. MMI is not reported on a consolidated basis with the Ministry.

The Ministry maintains a close working relationship with MMI with which it shares equipment, office facilities, supplies and shares some common members on their boards of directors. Contributions made to MMI totaled \$369,381 and \$422,193 in 2016 and 2015, respectively. Included in these contributions are administrative related fees charged to MMI totaling \$83,565 and \$107,400 in 2016 and 2015, respectively.

Consistent with historical giving, during 2016, the Ministry made donations totaling \$50,000 (\$45,000 in 2015) to another Christian ministry for which a member of the MMI board of directors is employed. The member joined the MMI board of directors in 2015.

NOTE 13 - PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets represent donations received for the Ministry's working capital fund. The intent of this fund is to allow the Ministry to have a permanent source of short term capital that eliminates the need for a line of credit. Accordingly, the Ministry uses these funds throughout the year when there are fluctuations in cash flow. The Ministry replenishes the cash balance when cash flow is available. Given the permanent nature of this arrangement, the ministry maintains this cash balance in a separate bank account and these funds are segregated on the statements of financial position as a noncurrent asset.

NOTE 14 - EVALUATION OF SUBSEQUENT EVENTS

The Ministry has evaluated subsequent events through April 20, 2017 which is the date the financial statements were available to be issued.
