Dear Don,

Thank you for allowing me to serve you and the Board of Directors of the TN Fisher House Foundation once again.

As outlined in the Agreement between our respective organizations, I have completed a detailed examination of all financial transactions between July 1, 2020 and June 30, 2021. Each deposit and each disbursement for the accounts included in the information provided was examined. As a result, over 120 transactions were tested.

In conducting my examination, auditing standards developed specifically for churches and charitable organizations were utilized. These standards, unlike those that guide traditional audits, do not require an evaluation of accounting principles or compliance issues. Rather, these standards are designed to assess the overall cash management process to determine if the funds received and the persons who handle these funds are adequately protected. The findings presented in the attached CUP Audit Report are an unbiased, factual presentation of the results of my examination.

The Board continues to utilize very good financial policies and procedures; consequently, there is no evidence to indicate funds have been misused.

Again, thank you for allowing me to assist you and the Board fulfill your stewardship responsibilities.

Sincerely,

Dale G. Eckler
