#### **Independent Auditors' Report**

The Board of Directors
The Leukemia & Lymphoma Society, Inc.:

We have audited the accompanying consolidated statement of financial position of The Leukemia & Lymphoma Society, Inc. (LLS) as of June 30, 2012, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended. These consolidated financial statements are the responsibility of LLS's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. The prior year summarized comparative information has been derived from LLS's 2011 consolidated financial statements and, in our report dated September 15, 2011, we expressed an unqualified opinion on those statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LLS's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Leukemia & Lymphoma Society, Inc. as of June 30, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

#### Notes to Consolidated Financial Statements June 30, 2012

(with comparative amounts as of and for the year ended June 30, 2011)

#### 1. Organization and Significant Accounting Policies

#### **Organization**

The Leukemia & Lymphoma Society, Inc. (LLS) is an international not-for-profit health agency dedicated to seeking the cure of leukemia, lymphoma, Hodgkin's disease, and myeloma and improving the quality of life of patients and their families. LLS's principal activities include: awarding research grants; facilitating psychosocial support groups; providing financial aid to patients; answering phone requests for blood cancer information made to LLS's Information Resource Center; and disseminating educational information about blood cancers in the form of publications, internet sites, conference calls, and symposia sponsorship for both the medical community and the general public.

#### **Tax-Exempt Status**

LLS qualifies as a charitable organization as defined by Internal Revenue Code Section 501(c)(3) and, accordingly, is exempt from federal income taxes under Internal Revenue Code Section 501(a). Additionally, since LLS is publicly supported, contributions to LLS qualify for the maximum charitable contribution deduction under the Internal Revenue Code.

The Leukemia & Lymphoma Society of Canada, Inc. (LLSC) is registered as a charitable organization under the Income Tax Act (Canada) and is, therefore, not subject to income taxes if certain disbursement requirements are met.

LLS recognizes the effect of income tax positions only if those tax positions are more likely than not to be sustained. Income generated from activities unrelated to LLS's exempt purpose is subject to tax under Internal Revenue Code Section 511. LLS did not recognize any unrelated business income tax liability for the years ended June 30, 2012 and 2011.

#### **Principles of Consolidation**

The accompanying consolidated financial statements include the accounts of LLS, which encompasses the Home Office of LLS and its fifty-six chapters in the United States, LLSC and its five chapters in Canada, and LLS's not-for-profit affiliates, The Leukemia & Lymphoma Society Research Programs, Inc. and The Leukemia & Lymphoma Society Research Foundation. All significant intercompany and intra-LLS accounts and transactions have been eliminated in consolidation.

#### **Estimates**

The preparation of the consolidated financial statements in conformity with generally accepted accounting principles requires LLS's management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. The significant estimates made in the preparation of these consolidated financial statements include the fair value of alternative investments, the allowance for uncollectible accounts, and the allocation of expenses. Actual results could differ from those estimates.

#### **Risks and Uncertainties**

LLS invests in various investment securities. Investment securities are exposed to various risks such as interest rate, fluctuations in market security values, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the consolidated statement of financial position.

LLS's principal source of revenue is amounts contributed by the general public. Accordingly, LLS's operations are impacted by individual contributions, which are impacted by general economic conditions, employment levels and other factors over which LLS has little or no control. In addition, five contributors provided support to the co-pay program in 2012.

#### **Summarized Financial Information**

The consolidated financial statements are presented with 2011 summarized or comparative information. With respect to the consolidated statement of activities, such prior year information is not presented by net asset class and, in the consolidated statement of functional expenses, 2011 expenses by object are presented in total rather than by functional category. Accordingly, such information should be read in conjunction with LLS's 2011 consolidated financial statements from which the summarized information was derived.

#### **Subsequent Events**

LLS evaluated subsequent events after the consolidated statement of financial position date of June 30, 2012 through September 21, 2012, which was the date the consolidated financial statements were issued, and concluded that no additional disclosures are required.

#### **Net Asset Classifications**

To ensure observance of limitations and restrictions placed on the use of resources available to LLS, funds that have similar characteristics have been classified into three net asset categories as follows:

*Unrestricted net assets*: Consist of funds that are fully available, at the discretion of LLS's Board of Directors, for LLS to utilize in any of its programs or supporting services.

Temporarily restricted net assets: Consist of funds that are restricted by donors for a specific time period and/or purpose.

Permanently restricted net assets: Consist of funds that contain donor-imposed restrictions requiring that the principal be invested in perpetuity and that only the income be used except where donor specified. Income earned on these funds are recorded as temporarily restricted net assets and are released from restriction when the donor stipulated purpose has been fulfilled and/or the amount has been appropriated in compliance with the Board-approved spending policy (note 9).

#### **Foreign Currency Translation**

LLSC uses the Canadian dollar as its functional currency. Accordingly, the currency impact of the translation of the financial statements of LLSC to U.S. dollars is included as a translation adjustment in the consolidated statement of activities.

#### **Fair Value Measurements**

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that a reporting entity has the ability to access at the measurement date.
- Level 2 inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 unobservable inputs for the asset or liability.

LLS follows the provisions of Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures (ASC 820), which allows as a practical expedient, for the estimation of the fair value of investments in investment companies for which the investment does not have a readily determinable fair value, using net asset value per share or its equivalent, as reported by the investment managers. Most investments classified in Levels 2 and 3 consist of shares or units in investment funds as opposed to direct interests in the funds' underlying holdings, which may be marketable. Because the net asset value reported by each fund is used as a practical expedient to estimate the fair value of LLS's interest therein, its classification in Level 2 or 3 is based on LLS's ability to redeem its interest at or near June 30. If the interest can be redeemed in the near term, the investment is classified as Level 2.

#### **Contributions and Deferred Revenue**

Contributions are recorded as revenue, at their fair value, when received or promised unconditionally. Contributions received with donor restrictions that limit their use are reported as either temporarily or permanently restricted revenue. When a donor restriction is met through the passage of time and/or fulfillment of a purpose restriction, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions. Conditional contributions are recognized as revenue when the conditions have been substantially met.

Deferred revenue includes amounts received for special events that will be held subsequent to the fiscal year-end.

#### **Donated Services**

LLS has determined that certain of the donated services it receives meet the criteria for recognition in the consolidated financial statements. Specifically, the donated services of family support group facilitators and research grant reviewers in the amount of \$5,328,000 in 2012 and \$5,983,000 in 2011 have been valued and are reported as both revenue and expense.

#### **Cash Equivalents**

Cash equivalents consist of short-term investments with an original maturity of three months or less from date of purchase, except for amounts held for long-term purposes reported as investments.

#### **Investments**

Investments are stated at fair value. Investments in equity securities and mutual funds are determined by utilizing quoted year end closing prices. Alternative investments are stated at net asset values provided by the fund managers or general partners based upon the underlying net assets of the funds consistent with the concepts of ASC 820. These values are reviewed and evaluated by management.

#### **Fixed Assets and Depreciation**

Fixed assets, which consist principally of equipment, software, and leasehold improvements, are recorded at cost, if purchased, or at fair value at date of donation, if contributed, and are depreciated or amortized using the straight-line method over the estimated useful lives of the assets or the terms of the leases, if shorter.

#### **Professional Fees**

Professional fees included in the consolidated financial statements principally include fund raising counsel fees, data processing services, contracted software development, and legal and auditing fees.

#### **Recently Issued Accounting Standards**

In May 2011, the FASB issued ASU 2011-04, Fair Value Measurement (Topic 820): Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRSs. The new standards do not extend the use of fair value but, rather, provide guidance about how fair value should be applied where it already is required or permitted under IFRS or U.S. GAAP. For U.S. GAAP, most of the changes are clarifications of existing guidance or wording changes to align with IFRS. A nonpublic entity is required to apply the ASU prospectively for annual periods beginning after December 15, 2011. LLS expects that the adoption of ASU 2011-04 will not have a material impact on its consolidated financial statements.

#### 2. Legacies and Contributions Receivable

LLS's legacies and contributions receivable at June 30, 2012 and 2011 consist of unconditional promises to give and legacies for which the underlying wills have been declared valid by the probate court and no other conditions are required to be met. Amounts are scheduled to be received as follows (in thousands):

	 2012	2011
Less than one year	\$ 3,766	\$ 17,905
1 to 5 years	2,300	2,710
After 5 years	712	104
Subtotal	6,778	20,719
Less allowance for uncollectible accounts	(778)	(738)
Less discount to present value (1.5% to 5%)	(587)	(367)
Total	\$ 5,413	\$ 19,614

Approximately 66% of LLS's legacies and contributions receivable was from one estate at June 30, 2011, which was received in 2012.

Investment expenses of \$625,000 and \$752,000 have been netted against interest and dividend income for the years ended June 30, 2012 and 2011, respectively. The unrealized (losses) and gains were (\$5,514,000) and \$7,428,000 for the years ended June 30, 2012 and 2011, respectively.

LLS invests in certain alternative investments, through "funds of hedge funds" investments, which invest in multiple strategies through a portfolio of hedge fund managers to provide diversification and reduce manager risk. These strategies create indirect exposure to LLS through short sales of securities, trading in future and forward contracts, and other derivative products. Derivatives are investment contracts used to hedge risk. While these financial instruments may contain varying degrees of risk, LLS's risk with respect to such transactions is limited to its capital balance in each investment.

The underlying holdings of the limited partnership equity indices are principally domestic and international marketable securities.

LLS's alternative investments contain various redemption restrictions with required written notice ranging from 70 to 95 days, after the initial holding period. As of June 30, 2012, the following table summarizes the composition of such investments at fair value by the various redemption provisions (in thousands):

Annual	3,042		-
Total	\$ 37,501	\$	5,254

As of June 30, 2012 and 2011, LLS has no unfunded commitments on its alternative investments.

LLS follows the provisions of the New York Prudent Management of Institutional Funds Act (NYPMIFA), which imposes guidelines on the management and investment of endowment funds. LLS has interpreted the relevant law as allowing LLS to appropriate for expenditure or accumulate so much of an endowment fund as LLS determines is prudent considering the uses, benefits, purposes and duration for which the endowment fund is established, subject to the intent of the donor as expressed in the gift instrument. LLS has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while seeking to protect the original value of the gift. Under this policy, the endowment assets are invested in a manner that is intended to produce results consistent with LLS's overall investment strategy.
