Part V Supplemental Information

Provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs. expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information. See instructions.

Part I, Line 2:

Our field supervision structure plays a key role in monitoring funds that are used outside of the United States. This happens through annual budgeting processes, a supervisor relationship and field visits. Our regional directors, vice presidents, and senior vice presidents make regular visits to the countries where we have ministry and a financial review is a regular action step of these visits.

Funds wired outside of the U.S. must go through an approval process which identifies where the funds are going and the purpose for the funds being sent and who is receiving the funds. The approval process involves the regional office examining the request for funds and then formally submitting it to the senior vice president's office for approval. After the SVP has reviewed the request, it is forwarded to Young Life financial services which ensures the recipients and banks have been checked on the OFAC list. Other supporting documentation might also be requested at this time.

Finally, certain staff serving outside of the United States have purchase cards that are used to pay for appropriate business expenses. All purchases must go through appropriate sign off and approval process.

Part I, line 3:

In addition to the grantee selection and monitoring process, Young Life accounts for foreign expenditures according to the accrual basis of accounting using appropriate documentation and procedures such as receipts and expense reports under an accountable reimbursement plan.
