INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Nashville Area Chapter of the
American Red Cross

We have audited the accompanying statements of financial position of the Nashville Area Chapter of the American Red Cross (the "Chapter") as of June 30, 2004 and 2003, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year ended June 30, 2004. These financial statements are the responsibility of the Chapter's management. Our responsibility is to express an opinion on these financial statements based on our audits. The 2003 summarized comparative information has been derived from the chapter's 2003 financial statements, and in our report dated July 31, 2003, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Nashville Area Chapter of the American Red Cross as of June 30, 2004, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Organization

The Nashville Area Chapter of the American Red Cross (the "Chapter") is an operating unit of the American Red Cross. The American Red Cross is a volunteer, not-for-profit emergency service organization comprised of approximately 1,000 operating units (chapters, blood service regions and national sector) located throughout the United States and its territories. The American Red Cross also operates field stations on United States military installations around the world. The American Red Cross is a single corporate legal entity and produces consolidated financial statements for all chapters, blood service regions and the national sector.

The Chapter, as part of the American Red Cross system, has a mission to help prevent and relieve human suffering. Established in 1917, the Chapter provides disaster relief and community disaster education, aid to military servicemen and their families, CPR, First Aid and other related health and safety courses in the community and in the workplace, HIV/AIDS education in the state, international services, and vision and hearing tests in public schools. The Chapter's jurisdictions are Cheatham, Davidson, DeKalb, Dickson, Macon, Robertson, Smith, Sumner, and Wilson Counties in Tennessee.

As stated in their Congressional Charter, the American Red Cross is committed to continue and carry on a system of national and international relief in time of peace and apply the same in mitigating the suffering caused by pestilence, famine, fire, floods and other great natural calamities and devise and carry on measures for preventing the same.

The Chapter is governed by a Board of Directors consisting of fifty members of the Nashville community and an Executive Committee consisting of twelve members of the Board of Directors.

The Chapter and the Tennessee Valley Blood Services Region (Blood Services) share the headquarters building and certain occupancy costs, but have separate management and support staffs.

All transactions with the national sector and other operating units are appropriately disclosed in the accompanying financial statements. These transactions include disaster relief, national products and services and shared services with other chapters or regions.

Basis of Presentation

The financial statements of the Chapter have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

Management of the Chapter has made certain estimates and assumptions relating to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Chapter considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

Investments

Investments are recorded at fair market value in accordance with Statement of Financial Accounting Standard ("SFAS") No. 124, Accounting for Certain Investments Held by Not-for-Profit Organizations. Fair market value is determined by using quoted market prices, where available. Where not available, the present value of estimated expected future cash flows or another reasonable method is used. Investments in the unrestricted net assets category consist primarily of certificates of deposit. Investments of the permanently restricted net assets class consist of collective funds, managed by the American Red Cross national sector, with concentrations in intermediate maturity bonds, common stocks, and an equity index fund. These investments are stated at market value of \$54,812 and \$51,132 at June 30, 2004 and 2003, while the cost of these investments at June 30, 2004 and 2003 is \$33,000.

Inventory

Supplies inventory purchased for use in program services is carried at the lower of cost (as determined by average price) or market.

Land, Building and Equipment

Purchases of land, building and equipment having a unit cost in excess of \$2,500 and a useful life of three or more years are capitalized at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Donated assets are capitalized at the fair market value at the time of receipt. In the absence of donor-imposed restrictions on the use of the asset, gifts of long-lived assets are reported as unrestricted support.

The cost of the headquarters building has been allocated between the Chapter and Blood Services based primarily upon the Chapter's proceeds from the sale of the former building.

The cost of the headquarters building has been allocated between the Chapter and Blood Services based primarily upon the Chapter's proceeds from the sale of the former building.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions

All contributions are considered to be available for the general programs of the Chapter unless restricted by the donor. The Chapter reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donated Services

Amounts are reported in the financial statements for voluntary donations of services only when those services create or enhance nonfinancial assets or require specialized skills provided by individuals possessing those skills and which would typically be purchased if not provided by donation. A substantial number of volunteers donate significant amounts of their time in the Chapter's program services and its fund-raising campaigns that have not been reported in the accompanying financial statements because the services do not create or enhance non-financial assets and no objective basis is available to measure the value of such donations.

Expense Allocation

General, administrative and public relations expenses have been allocated among functional expense categories.

Income Taxes

The Chapter is an operating unit of a national organization exempt from taxes under Section 501(c)(3) of the Internal Revenue Code; accordingly, no provision for income taxes has been made in these financial statements.

Reclassifications

Certain reclassifications have been made to 2003 balances to conform with 2004 presentation.

NOTE 2 - CONTRIBUTIONS RECEIVABLE

The Chapter has included unconditional promises to give as contributions receivable in accordance with the provisions of SFAS No. 116, Accounting for Contributions Received and Contributions Made. Contributions are scheduled to be received as follows at June 30:

	2004	2003
Amount receivable within one year	\$ 277,129	\$ 213,083
Amount receivable in 1 to 5 years	83.684	62,746
	360,813	275,829
Less allowance for uncollectible contributions	<u>(74,661)</u>	(65,060)
Contributions receivable, net	<u>\$ 286,152</u>	<u>\$ 210,769</u>

NOTE 3 – SPLIT INTEREST AGREEMENTS

The Chapter has been named beneficiary of certain charitable gift annuities ("annuities"). Assets contributed related to the annuities are held at national headquarters of the American Red Cross. The difference in the fair value of the assets contributed and the present value of the estimated future distributions to be paid has been recorded as contribution revenue at the time of gift. Amounts included in Inter-Red Cross receivables for annuities were \$447,691 and \$81,269 at June 30, 2004 and 2003 respectively. Contribution income from annuities was \$301,417 and \$28,282 for the years ended June 30, 2004 and 2003, respectively. The annuities increased (decreased) in value by \$65,005 and \$(14,037) for the years ended June 30, 2004 and 2003, respectively.

NOTE 4 – LAND, BUILDING AND EQUIPMENT

A summary of land, building and equipment at June 30 is as follows:

	2004	2003

Less accumulated depreciation	(704,473)	(641,303)
Land, buildings and equipment, net	<u>\$1,167,511</u>	<u>\$1,209,286</u>

NOTE 5 – LINE OF CREDIT

The Chapter has a line of credit with a financial institution. Borrowings under this agreement bear interest at the bank's index rate (4.00 percent at June 30, 2004) and require monthly payments of interest only. As of June 30, 2004, the Chapter had no borrowings on this line of credit. The amount available under the agreement is \$250,000. The note is secured by accounts receivable and matures on October 9, 2004.

NOTE 6 – NET ASSETS

Unrestricted net assets are comprised of the following at June 30:

NOTE 8 – OPERATING LEASE COMMITMENT

The Chapter is leasing vehicles and office space under operating lease agreements. Rent expense for the years ended June 30, 2004 and 2003 was \$20,105 and \$31,914, respectively. Future minimum lease payments required under operating leases that have initial or remaining noncancelable lease terms in excess of one year as of June 30, 2004 are as follows:

Year ended	
<u>June 30</u>	
2005	\$ 5,755
2006	575
2007	
	<u>\$ 6,330</u>

NOTE 9 – RETIREMENT PLAN

The Chapter participates in a defined-benefit retirement plan administered by the Retirement System of the American Red Cross that covers substantially all employees. Chapter participation in the Retirement System is voluntary; however, most chapters with paid employees have elected to join the plan. For funding purposes under the plan, normal pension costs are determined by the projected unit credit method and are funded currently. The plan provides a pension funded by the employer. Voluntary contributions may be made by active members to fund an optional annuity benefit. Defined benefits are based on years of service and/or age and the employee's final average compensation, which is calculated using the highest consecutive 48 months of the last 120 months' service before retirement.

NOTE 9 – RETIREMENT PLAN (Continued)

The Retirement System includes numerous participating chapters and blood services regions. It is not practicable for the actuary to compute accumulated and projected benefit obligations for individual chapters or blood services regions. Accumulated and projected benefit obligations and other required disclosures for the entire American Red Cross (including all participating chapters, blood services regions, and the national sector) are presented in consolidated financial statements of the American Red Cross. Payments to the Retirement System on behalf of the participants of the Chapter were \$17,721 and \$9,794 during the years ended June 30, 2004 and 2003, respectively.

NOTE 10 – POSTRETIREMENT BENEFITS

The American Red Cross provides medical and dental benefits to eligible retirees and their eligible dependents. Generally, retirees and employer units pay a portion of the premium costs. The American Red Cross has the right to modify cost-sharing provisions at any time.

In addition, life insurance benefits of \$5,000 are provided with no contributions required from the retirees. Life insurance benefits are generally provided by insurance contracts.

Postretirement benefits are accrued over the period the employee provides services to the organization. Since the American Red Cross is a single corporate legal entity and most retirees participate in the single American Red Cross benefits plan, providing separate disclosures for retirees associated with individual chapters or blood services regions is not practicable. Annual postretirement benefits expenses are recorded and disclosed for the entire American Red Cross in its consolidated financial statements.

NOTE 11 – NATIONAL CHAPTER ASSESSMENT

The Board of Governors of the American Red Cross established \$84.7 million as the net financial requirements for all services provided by the American Red Cross national sector ("NHQ") on behalf of all chapters for the year ended June 30, 2004. The Chapter's portion of the assessment for the fiscal year ending June 30, 2004 was established at \$231,510, of which \$115,755 remains outstanding at June 30, 2004. Additionally, \$148,704 remains due to NHQ for unpaid assessments for years prior to June 30, 2004. The amount to be paid and expensed during fiscal 2005 is \$254,660.
