Sponsorship Department

Greetings,

My name is Carolyn J Leigh, Founder/CEO of Voice of Thunder Ministry. I am writing you concerning a sponsorship opportunity with our 2015 Single, Married, Divorce, and Widow Symposium hosted by Voice Of Thunder Ministry, Inc. a 501c3 nonprofit. Voice of Thunder Ministry was organized exclusively for religious purposes, we are an organization that believes in the putting the needs of the people first, while we offer many services to our local community such as clothing & food drives, etc.; however, this event will focus on building healthy relationships. VOTM strives in making a difference, in bringing about change. We aim to encourage, motivate, and to tear down the barriers of failed relationships and marriages. The existence of healthy relationships and marriages are daily diminishing in our society, Voice of Thunder Ministry long to put an end to this.

VOTM has hosted several events that focus on building longevity in relationships and marriages that truly last until "death do us part." The Single, Married, Divorce, & Widow Symposium event is VOTM third installment; however, this event will focus more on healing the hurting heart of many women that have been hurt, mentally & physically abused, neglected, & rejected by providing a platform for women to learn from real Godly men who will provide insight from the mind of a man and share Godly wisdom about relationships, singleness, and marriage from a man's perspective.

In order to make this event a success we need your help. Thank you for caring and giving support to the local community and we greatly appreciate all that you do for the local community. We are seeking financial support in the amount of \$7,560.00 to help with our symposium. The forum will be held October 10, 2015 and our guest speakers are four male authors of the book as seen on NBC Today's Show "Single Man, Married Man. As mentioned before we are a 501c3 non-profit organization.
