INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Ajax Turner Senior Citizen's Center, Inc.

To the Board of Directors
Ajax Turner Senior Citizen's Center, Inc.

We have audited the accompanying financial statements of Ajax Turner Senior Citizen's Center, Inc., a component unit of the City of Clarksville, Tennessee, as of and for the years ended June 30, 2017 and 2016, and the related notes to the financial statements, which collectively comprise the component unit's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the requirements prescribed by the Comptroller of the Treasury, State of Tennessee, as detailed in the Audit Manual. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ajax Turner Senior Citizen's Center, Inc. as of June 30, 2017 and 2016, and changes in its financial position and, its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Ajax Turner Senior Citizen's Center Inc.'s basic financial statements. The introductory section is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 30, 2017, on our consideration of Ajax Turner Senior Citizen's Center Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contract, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Ajax Turner Senior Citizen's Center Inc.'s internal control over financial reporting and compliance.

Ajax Turner Senior Citizen's Center, Inc.
Management's Discussion and Analysis (Unaudited)
Years Ended June 30, 2017 and 2016

As management of the Ajax Turner Senior Citizen's Center, Inc. (the Center), we offer readers of the Ajax Turner Senior Citizen's Center, Inc.'s financial statements this narrative overview and analysis of the financial activities of the Center for the fiscal year ended June 30, 2017. We encourage readers to read the information presented here in conjunction with additional information that we have furnished in the Center's financial statements, which follow this narrative.

Financial Highlights

- The assets of the Center exceeded its liabilities at the close of the 2017 and 2016 fiscal years by \$167,827 and \$ 201,625 net position respectively.
- The Center's total net position decreased by \$33,798 for fiscal year ended June 30, 2017 and \$15,439 for fiscal year ended June 30, 2016.

Using this Annual Report

This annual report consists of a series of financial statements that give information about the Center's activities. Comparative summaries and tables are provided to aid in the discussion and analysis of such activities.

The Statements of Net Position include all of the Center's assets, deferred outflows, liabilities, and deferred inflows and provide information about the nature and amounts of investments in resources and obligations.

All of the current year's revenues and expenses are accounted for in the Statements of Revenues Expenses, and Changes in Net Position. These statements measure the success of the Center's operations over the past year and can be used to determine if the Center recovered all of its operating cost through program charges and contributions.

The final required financial statement is the Statement of Cash Flows. The primary purpose of this statement is to provide information about the Center's cash receipts and cash payments during the reporting period. This statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing, non-capital and capital financing activities. This statement also provides answers to such questions as where did cash come from, what was cash used for, and what was the change in cash balance during the reporting period.

The financial statements are prepared in accordance with generally accepted accounting principles. The Center uses the accrual basis of accounting, which is similar to accounting methods used by most private-sector companies. Accrual of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

Years Ended June 30, 2017 and 2016

Business Type Activities

Business type activities decreased the Center's net position by \$33,798, thereby accounting for a drop in the net position of the Center. Key elements of this decrease are as follows:

- The Center's grants revenues and expenses will not be equal.
- There were no new grants awarded to the Center in FY17.
- The reoccurring operating expenses not covered by proceeds from supporting organizations are attempted to be covered by additional fundraising initiatives or special funding requests to such organizations.

Financial Analysis of the Authority's Funds

The Center uses governmental accounting to ensure and demonstrate compliance with grantor and legal requirements.

Economic Factors and Next Year's Budgets and Rates

The following key economic indicators reflect the growth and future of Ajax Turner Senior Citizen's Center, Inc.

- The construction phase of a building expansion of the Center funded by the City of Clarksville will offer greater capacity to serve qualifying citizens of the greater Clarksville-Montgomery County, Tennessee area.
- Greater resources are expected to be required to provide the expanded service afforded by the building expansion's completion.

Requests for Information

This report is designed to provide an overview of the Center's finances for those with an interest in this area. Questions concerning any of the information found in this report or requests for additional information should be directed to Robert Thompson, Fiscal Director of Ajax Turner Senior Center, Inc., 953 Clark Street, Clarksville, TN 37040, phone 931-648-1345 or email ctr7528@hotmail.com.

Ajax Turner Senior Citizen's Center, Inc.
Notes to Financial Statements
June 30, 2017 and 2016

1 Summary of Significant Accounting Policies

Reporting Entity - Ajax Turner Senior Citizen's Center, Inc. (the Center) is a nonprofit corporation located in Clarksville, Tennessee, whose purpose is to enrich the lives of citizens ages 55 and older in the Clarksville-Montgomery County area. To accomplish this purpose, the Center conducts lectures, educational programs, social events, craft programs, dances and other services for the elderly. The main program services offered by the Center are the Adult Day Care and various dances held throughout the year.

The Center is a component unit of the City of Clarksville, Tennessee (the City), which is the principal reporting entity and primary government. The Center's board of directors consists of 12 members: six appointed by the County Mayor of Montgomery County, Tennessee, and confirmed by the County Commissioners, and six appointed by the City Mayor, and confirmed by the City Council. The City provides primary funding support along with the support of United Way, the Greater Nashville Regional Council, and program service fees.

Use of Accounting Estimates - The Center's financial statements are presented in accordance with accounting principles generally accepted in the United States of America which require the use of management's estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from these estimates in the near term and these variances could have a material effect on these financial statements.

Measurement Focus/Basis of Accounting - Measurement focus refers to what is being measured; basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied.

The financial statements of the Center have been prepared using the economic resources measurement focus using the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when the related liabilities are incurred.

Revenue Recognition - Operating income includes revenues and expenses related to the primary, continuing operations. Operating expenses are the costs of providing goods or services and include administrative expenses and depreciation of capital assets. Other revenues and expenses are classified as non operating in the financial statements.

Contributions are generally available for unrestricted use in the current fiscal year unless specifically restricted by the donor. Unconditional promises to give are recorded as received.

Grants and other contributions of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. To ensure observance of limitations and restrictions placed on the use of resources available to the Center, separate general ledger accounts of the Center are maintained for each distinct donor restriction.

The Center receives donated services from a variety of unpaid volunteers. None of these services were recognized as income or expense in these financial statements.

Cash and Cash Equivalents - For the purposes of the statement of cash flows, the Center considers bank deposits and all highly liquid instruments with a maturity of three months or less when purchased to be cash and cash equivalents.

Ajax Turner Senior Citizen's Center, Inc.
Notes to Financial Statements (Continued)
June 30, 2017 and 2016

1 Summary of Significant Accounting Policies (continued)

Income Taxes - The Center is a non-profit organization as described in Section 501(c)3 of the Internal Revenue Code and is exempt from federal and state income taxes. The Center is not subject to federal income tax except on unrelated trade or business income under Section 511 of the Internal Revenue Code. However, the Center does file the information returns required by the Internal Revenue Service (IRS). The Center has not been determined to be a private foundation by the IRS. Three years' tax returns remain subject to examination at June 30, 2017.

Property and Equipment - The Center capitalizes all expenditures in excess of \$500 for property and equipment at cost. Donations of property and equipment are recorded as contributions at the acquisition value at the time of acquisition.

Depreciation of buildings and equipment is provided over the estimated useful lives of the respective assets on a straight-line basis. Routine repairs and maintenance are expensed as incurred.

Compensated Absences - Compensated absences for sick pay and personal time have not been accrued since they cannot be reasonably estimated. The Center's policy is to recognize these costs when actually paid.

Accounts Receivable - Accounts receivable are stated at unpaid balances. The Center provides for losses on accounts receivable using the allowance method. The allowance is based on experience and other circumstances, which may affect the ability of supporters to meet their obligations. It is the Center's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected.

Restricted Net Position - Restricted net position represents funds restricted for specific programs. When both restricted and unrestricted resources are available for use, it is the Center's policy to use restricted resources first, then unrestricted resources as needed.

Funding Sources - The Center's operating expenses are primarily funded by transfers of funds from the City of Clarksville. Other funding sources include grants, donations, memberships, program services, and fundraising projects. A major reduction in funding by the City of Clarksville could have a significant effect on the future operations of the Center's programs and activities.

2 Cash Deposits

Statement No. 40, "Deposit and Investment Risk Disclosures", of the Governmental Accounting Standards Board (GASB), states "if a government has no deposit or investment policy that addresses a specific type of risk that it is exposed to, the disclosure should indicate that fact," The Center does not have an official deposit and investment policy. Although there is no official deposit and investment policy for the Center, in order to provide a safe temporary medium for investment of the Center's idle funds, the Center invests those idle funds under the provisions of Tennessee Code Annotated 6-56-106. State statutes authorize the Center to invest in, among other things: (1) U.S. government securities and obligations guaranteed by the U.S. government, (2) deposit accounts at state and federally chartered banks and savings and loan associations, and (3) the Local Government Investment Pool of the State of Tennessee.

Ajax Turner Senior Citizen's Center, Inc.
Notes to Financial Statements (Continued)
June 30, 2017 and 2016

2 Cash Deposits (continued)

Cash and cash equivalents, restricted and unrestricted, consist of the following:

	June 30,	
	2017	2016
Cash on hand	\$ 1,037	\$ 1,037
Cash in checking accounts	62,695	85,556
	<u>\$ 63,732</u>	<u>\$ 86,593</u>

The Federal Depository Insurance Corporation (FDIC) currently insures the first \$250,000 of the Center's deposits at each financial institution. State statutes require that all deposits with financial institutions must be secured by FDIC, by the Tennessee Bank Collateral Pool or by collateral held by the financial institution in the Center's name.

As of June 30, 2017 and 2016 all cash accounts were covered by insurance provided by the FDIC.

3 Accounts Receivable

The Center has accounts receivable that consists primarily of support due from the GNRC, amounting to \$16,023 and \$11,935 at June 30, 2017 and 2016, respectively. Management has evaluated the accounts receivable and believes it to be fully collectible, and accordingly, no allowance for doubtful accounts is considered necessary.

4 Capital Assets

Property & Equipment consists of:

	Balance June 30, 2016	Additions	Deletions	Balance June 30, 2017	Estimated Useful Lives
Equipment, furniture, and fixtures	\$ 295,855	\$ 2,231	\$ -	\$ 298,086	5-10 years
Vehicles	39,801	-	-	39,801	5 years
Leasehold improvements	287,281	-	-	287,281	15 years
	622,937	2,231	-	625,168	
Less accumulated depreciation	(506,633)	(20,786)	-	(527,419)	
Net Capital Assets	<u>\$ 116,304</u>	<u>\$(18,555)</u>	<u>\$ -</u>	<u>\$ 97,749</u>	

Depreciation expense totaled \$20,786 and \$21,178 for June 30, 2017 and 2016, respectively.

The City owns the Center's building and leases it to the Center on a month to month basis. Lease payments are one dollar per year. Due to expected lease renewals the Center's leasehold improvements will be depreciated over fifteen years.

Ajax Turner Senior Citizen's Center, Inc.
Notes to Financial Statements (Continued)
June 30, 2017 and 2016

4 Capital Assets (continued)

Leasehold improvements with book value are being depreciated over 15 years. Generally Accepted Accounting Principles requires leasehold improvements be amortized or depreciated over the lesser of the life of the asset or remaining lease term. Although, due to lease expirations, the Center's building lease is on a month to month status, the Center has elected to depreciate leasehold improvements over their estimated useful lives. It is anticipated that this lease arrangement will continue indefinitely.

Should this lease arrangement not be continued, it is likely that these leasehold improvements would be surrendered to the City. A loss contingency has not been accrued because management believes the likelihood of this lease being cancelled is remote.

5 Economic Dependency

The Center receives grants from the Greater Nashville Regional Council, local assistance from the City of Clarksville and United Way. The Center relies heavily on assistance from these sources and would have to greatly reduce services provided to Center participants if the assistance was significantly reduced. Management does not expect any significant changes in funding.

6 Commitments and Contingencies

The Center's exposure to property loss and general liability is handled through the purchase of commercial insurance. Insurance coverage was adequate to cover settlements for the past three fiscal years.

7 Subsequent Events

The Center has evaluated subsequent events through September, 30, 2017, the date which the financial statements were available to be issued.

8 Concentration of Credit Risk

Substantially all of the Center's accounts receivable balance is comprised of one account, which management has evaluated on a historical basis and has determined the credit risk associated with this entity to be minimal.

9 Assets Transferred to a Recipient Organization

In the past, the Center has made contributions to the Community Foundation of Middle Tennessee (Foundation). These contributions are permanent assets of the Foundation. The Foundation has variance power over the funds. The Foundation is to distribute funds only upon the Center's written request signed by board and management. The funds available to be distributed are limited to 5% of yearly earnings as calculated at the end of the year of request. If no such request is made that year's earnings would be reclassified as permanent asset to the Foundation. If the Center were to cease to continue as a going concern the permanent funds and accumulated earnings of the fund would remain under authority of the Foundation. As of June 30, 2017 and June 30, 2016 the balance of the fund was \$24,937 and \$24,420 respectively. Grants received from the Foundation were \$1,200 and \$1,200 for the years ended June 30, 2017 and 2016.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Ajax Turner Senior Citizen's Center, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Ajax Turner Senior Citizen's Center, Inc. (the Center), a component unit of the City of Clarksville, Tennessee, as of and for the year ended June 30, 2017, and the related notes to the financial statements as listed in the table of contents, which collectively comprise the Center's basic financial statements, and have issued our report thereon dated September 30, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the

determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
