Part V Supplemental Information

Provide additional information for responses to questions on Schedule L (see instructions).

Return Reference	Explanation
Schedule L, Part II	Joint investment in cash value life insurance policy to supplement retirement income and return investment and interest to the organization. The joint policy provides supplemental retirement benefits through an alternative funding arrangement the IRS calls "collateral assignment split dollar" (CASD). Although the IRS requires reporting in the loan section of Schedule L, CASD is not an actual loan - no funds are transferred to the executive. The arrangement falls under the IRS regime tax regulations; therefore, the College recovers all of its outlays plus interest upon the executive's death.
