INDEPENDENT AUDITORS' REPORT

To the Board of Directors of the Tennessee Trucking Foundation, Inc. Nashville, Tennessee

We have audited the accompanying financial statements of Tennessee Trucking Foundation, Inc., which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting priniciples generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express and opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, inleuding the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing and opinion on the effectiveness of the entity's internal control. Accordingly we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tennessee Trucking Foundation, Inc. as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2014 AND 2013

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose:

The Tennessee Trucking Foundation, Inc. ("the Foundation") is a nonprofit organization, which was formed exclusively for charitable and educational purposes. The Foundation's basic purpose is the advancement of education and learning about the trucking industry for the benefit of the public.

Basis of Presentation:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Financial statement presentation follows the requirements of the Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Presentation of Financial Statements of Not-for-Profit Organizations. Under the FASB Accounting Standards Codification, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Foundation had no temporarily restricted net assests as of December 31, 2014 or 2013.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that may be maintained permanently by the Foundation. Generally donors of these assets permit the Foundation to use all or part of the income earned for general or specific purposes. The Foundation had no permanently restricted net assets as of December 31, 2014 or 2013.

Fair Value:

The following methods and assumptions were used by the Foundation in estimating its fair value disclosures for financial instruments:

Cash, investments, accounts receivable, prepaid expenses, accounts payable, and unearned revenue: The carrying amounts reported in the statements of financial position approximate fair values because of the short maturities of those instruments.

DECEMBER 31, 2014 AND 2013

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash:

For the purposes of the statement of cash flows, the Foundation considers all investment instruments purchased with a maturity of three months or less to be cash equivalents. Certificates of deposit and other securities with original maturities over three months are classified as short-term investments and stated at cost, which approximates market value.

Depreciation:

Equipment with an acquisition cost above \$1,000 is capitalized and depreciated using the straight-line method over an estimated useful life of five years.

Income Taxes:

The Foundation is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code.

The Foundation has evaluated its tax positions in accordance with the Codification Standard related to Accounting for Uncertainty in Income Taxes. The Foundation believes that is has taken no uncertain tax positions.

The Foundation files a U.S. Federal Form 990-Return of Organization Exempt from Income Tax. The Foundation's returns for the years prior to calendar year 2011 are no longer open for examination.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimates.

2. SCHOLARSHIPS

The Community Foundation administers the scholarship program. The Foundation paid The Community Foundation \$5,300 and \$10,600 for the years ended December 31, 2013 and 2012, respectively, for scholarships.

3. MANAGEMENT FEE

The Foundation paid \$40,500 and \$35,000 in management fees to the Tenneessee Trucking Foundation, Inc. for personnel services, supplies, and office space for the years ended December 31, 2014 and 2013, respectively.

4. FAIR VALUE OF INVESTMENTS

The Foundation's investments are reported at fair value in the accompanying statements of financial position.

		Fair Value Measure	ments at Decembe	r 31, 2014 Using
	•	Quoted Prices		
		In Active	Significant	
		Markets for	Other	Significant
		Identical	Observable	Unobservable

Mutual Funds-Equities	\$ 317,172	\$ 317,172	<u> </u>	3 -
	\$ 317,172	\$ 317,172	D -	<u> </u>

The Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Foundation uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 2 Fair Value Measurements - The fair value of the investments are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly.

Level 3 Fair Value Measurements - The fair value of the investments are based on at least one significant unobservable input.

6. DONATED SERVICES

Officers, members of the Board of Directors, and other members of the Foundation have assisted the Foundation in the accomplishment of its goals and objectives by the donation of their time and services. No amounts have been reflected in the financial statements as it was not practicable to determine the valuation of such services to the Foundation, and the Foundation exercises no significant control over the major elements of donated services.

7. GRANT RECEIVABLE

The Foundation received a grant from the Tennessee Governer's Highway Safety Office. Grant expenses incurred and not reimbursed were \$12,000 and \$27,420 as of December 31, 2014 and 2013 respectively.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through March 16, 2015, which is the date the financial statements were available to be issued.
