Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds
When SELC receives grant award correspondence, essential information is
recorded in the donor database about grantor's intentions and restrictions
on how the grant monies are to be utilized. All grant agreements and
pertinent correspondence is kept on file in the Development department and
is forwarded annually to SELC's accounting department for audit purposes.
Grant revenue received and the various restrictions on it is tracked and
reconciled annually against the records of SELC's accounting department.
Grantees are given written grant award letters that require them to use th
funds in accordance with the grant letters.
