INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of National Health Care for the Homeless Council, Inc. Nashville, Tennessee

Report on the Financial Statements

We have audited the accompanying financial statements of National Health Care for the Homeless Council, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of National Health Care for the Homeless Council, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards, as required by Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

Frasier, Dean + Havard, PLIC

In accordance with Government Auditing Standards, we have also issued our report dated September 15, 2015, on our consideration of National Health Care for the Homeless Council, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering National Health Care for the Homeless Council, Inc.'s internal control over financial reporting and compliance.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

National Health Care for the Homeless Council, Inc. (the "Council") is an agency that coordinates the efforts of providers of healthcare to homeless people in the areas of fundraising, organizational development, and public education. The Council is committed to accessible, quality health services for homeless people, and to the elimination of homelessness in the United States.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with standards of accounting and reporting prescribed for not-for-profit organizations. Under these standards, net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

<u>Unrestricted Net Assets</u> – Net assets that are not subject to donor-imposed stipulations.

<u>Temporarily Restricted Net Assets</u> – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Council and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

<u>Permanently Restricted Net Assets</u> — Net assets subject to donor-imposed stipulations that they be maintained permanently by the Council. The Council did not have any permanently restricted net assets at June 30, 2015 or 2014.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Functional Allocation of Expenses

The costs of providing program services and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited based upon management's estimate.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Council considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents include short term investments in money market funds of \$668,120 and \$518,974 at June 30, 2015 and 2014, respectively.

Grants Receivable

Grants receivable consists of receivables from programs funded by the U.S. Department of Health and Human Services and the Tennessee Department of Finance and Administration. Management believes that amounts receivable from grantor agencies are fully collectible for the years ended June 30, 2015 and 2014. As a result, no allowance for uncollectible amounts has been provided. These amounts have been fully collected as of the financial statement report date.

Membership Dues

The Council recognizes membership dues as received based on the Council's policy of realizing such dues as member support, with no inherent obligation of further services to be provided by the Council.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Furniture and Equipment

Furniture and equipment are recorded at cost or, if donated, at the estimated fair market value as of the date of donation. Depreciation is provided using the straight-line method over the estimated useful lives of the respective assets. Expenditures for repairs and maintenance are charged to expense as incurred.

Income Taxes

The Council is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and is not a private foundation as defined in Section 509(a) of the Internal Revenue Code. Accordingly, no provision for income tax has been made.

The Council follows Financial Accounting Standards Board Accounting Standards Codification guidance clarifying the accounting for uncertainty in income taxes recognized in an entity's financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. The Council has no tax penalties or interest reported in the accompanying financial statements. Tax years that remain open for examination include years ended June 30, 2012 through June 30, 2015.

Subsequent Events

The Council evaluated subsequent events through September 15, 2015, when these financial statements were available to be issued. Management is not aware of any significant events that occurred subsequent to the statement of financial position date but prior to the filing of this report that would have a material impact on the financial statements.

NOTE 2 – EMPLOYEE BENEFIT PLAN

The Council has a 401(k) profit sharing plan covering employees who have completed six consecutive months of employment. Employees are fully vested upon initial enrollment. Employees may defer a portion of their salary to the extent permitted by law. The Council will make a Safe Harbor nonelective contribution to the individual account of each eligible employee equal to 3% of the employee's annual compensation. Also, the Council will contribute 2% of the employee's compensation to the plan. Total contributions made to the plan were \$49,878 and \$44,288 for the years ended June 30, 2015 and 2014, respectively.

NOTE 3 – CONCENTRATIONS

The Council received approximately 81% and 80% of its support from government grants and contracts for the years ended June 30, 2015 and 2014, respectively. A significant reduction in the level of this support, if this were to occur, could have a negative effect on the Council's programs and activities.

The Council, at times, maintains cash and cash equivalents in excess of amounts insured by the Federal Deposit Insurance Corporation ("FDIC"). In management's opinion, risk related to each deposit is minimal.

NOTE 4 – RELATED PARTY

During fiscal years 2015 and 2014, the Council obtained advocacy and other services from Health Care for the Homeless - Baltimore, which is a member organization of the Council. Total amounts paid to Health Care for the Homeless - Baltimore amounted to \$149,943 and \$143,404 for the years ended June 30, 2015 and 2014, respectively.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

The Council is leasing its office space under an operating lease agreement. The Council entered into a ten year lease agreement, beginning September 2009. The agreement requires monthly lease payments of \$2,500, increasing 3% annually. Rent expense amounted to \$44,866 and \$48,801 for the years ended June 30, 2015 and 2014, respectively.

Future minimum lease payments required under the non-cancelable lease term in excess of one-year are as follows:

Year ending	
June 30,	
2016	\$ 35,648
2017	36,717
2018	37,819
2019	38,953
2020	6,524
Thereafter	
	\$ 155,661

NOTE 5 – COMMITMENTS AND CONTINGENCIES (Continued)

The Council has entered into contracts with various hotels to provide accommodations for conference participants during fiscal years 2015 - 2017. The contracts contain cancellation clauses whereby the Council may be required to cover the cost of unused facilities. Currently, the Council has no intention of cancelling the contracts.

NOTE 6 – TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets are available for the following purposes or periods at June 30:

TBI Grant Affordable Care Act analysis on low income individuals	\$	2015	2014

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors of National Health Care for the Homeless Council, Inc. Nashville, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of National Health Care for the Homeless Council, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 15, 2015.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered National Health Care for the Homeless Council, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of National Health Care for the Homeless Council, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the National Health Care for the Homeless Council, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether National Health Care for the Homeless Council, Inc's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

The Board of Directors of National Health Care for the Homeless Council, Inc. Nashville, Tennessee

Report on Compliance for Each Major Federal Program

We have audited National Health Care for the Homeless Council, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of National Health Care for the Homeless Council, Inc.'s major federal programs for the year ended June 30, 2015. National Health Care for the Homeless Council, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of National Health Care for the Homeless Council, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about National Health Care for the Homeless Council, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of National Health Care for the Homeless Council, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, National Health Care for the Homeless Council, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

Other Matters

Report on Internal Control over Compliance

Management of National Health Care for the Homeless Council, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered National Health Care for the Homeless Council, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of National Health Care for the Homeless Council, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
