INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Fannie Battle Day Home for Children, Inc. and Affiliate Nashville, Tennessee

We have audited the accompanying consolidated financial statements of Fannie Battle Day Home for Children, Inc. and Affiliate (a nonprofit organization) which comprise the consolidated statements of financial position as of June 30, 2016 and 2015, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Fannie Battle Day Home for Children, Inc. and Affiliate as of June 30, 2016 and 2015, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating information on pages 18 through 21 is presented for purposes of additional analysis of the consolidated financial statements rather than to present the financial position, changes in net assets and cash flows of the individual organizations. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Fannie Battle Day Home for Children, Inc. and Affiliate (the "Organization") is a not-for-profit corporation that maintains and operates a day home for the instruction and care of children of working parents and/or parents pursuing an education.

Principles of Consolidation

The consolidated financial statements include the accounts of the Fannie Battle Day Home for Children, Inc. and its affiliated supporting organization, Fannie Battle Day Home Endowment Fund, Inc. All significant inter-entity transactions and balances have been eliminated in consolidation.

Basis of Presentation

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

<u>Unrestricted net assets</u> – Net assets that are not subject to donor-imposed stipulations.

<u>Temporarily restricted net assets</u> – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. Contributions which are restricted for specific programs are reflected as unrestricted revenue if these funds are received and spent during the same fiscal year.

Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments

In accordance with accounting principles generally accepted in the United States of America, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the consolidated statements of financial position. Unrealized gains and losses are included in the consolidated statements of activities.

Fair Values

The Organization has an established process for determining fair values. Fair values are based upon quoted market prices, where available. If listed prices or quotes are not available, fair values are based upon internally developed models or processes that use primarily market-based or independently-sourced market data. Valuation adjustments may be made to ensure that financial instruments are recorded at fair value. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies, or assumptions, to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date. Accounting principles generally accepted in the United States of America have a three-level valuation hierarchy for fair value measurements. A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The three levels are explained as follows:

Level 1 – inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 – inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Investments are reported at fair value as reported by the respective funds using quoted market prices. Certificates of deposit are reported at cost which approximates fair market value. No changes in the valuation methodologies have been made during the period from July 1, 2014 through June 30, 2016.

Receivables

Accounts and contributions receivable are expected to be received within the coming fiscal year. Accounts and contributions receivable are reviewed periodically as to their collectability. Based on collection experience and management's review, no allowance for doubtful accounts is considered necessary at June 30, 2016 and 2015.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Tax Status

The Organization and its affiliated supporting organization are tax-exempt organizations under Section 501(c)(3) of the Internal Revenue Code, and are classified as organizations that are not private foundations as defined in Section 509(a) of the Internal Revenue Code. Therefore, no provision for federal income taxes is included in the accompanying consolidated financial statements.

The Organization follows Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") guidance concerning the accounting for income taxes recognized in an entity's financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. The Organization does not believe there are any uncertain tax positions at June 30, 2016 and 2015. Additionally, the Organization has not recognized any tax related interest and penalties in the accompanying consolidated financial statements. Federal tax years that remain open for examination include the years ended June 30, 2013 through June 30, 2016.

Endowment Funds

The Uniform Prudent Management of Institutional Funds Act ("UPMIFA") was enacted in Tennessee effective July 1, 2007. The FASB ASC provides guidance on the net asset classification of donor-restricted endowment funds for a nonprofit organization that is subject to an enacted version of UPMIFA. It also requires disclosure of a description of the governing board's interpretation of the law that underlies the organization's net asset classification of donor-restricted endowment funds, a description of the organization's policies for the appropriation of endowment assets for expenditures (its endowment spending policies), a description of the organization's endowment investment policies, and additional disclosures.

Advertising

The Organization expenses advertising costs as incurred.

Functional Allocation of Expenses

The costs of providing program services and supporting services have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Organization evaluated subsequent events through November 4, 2016, when these financial statements were available to be issued. The Organization is not aware of any significant events that occurred subsequent to the consolidated statement of financial position date but prior to the filing of this report that would have a material impact on the consolidated financial statements.

NOTE 2 – DHS SUBSIDIES

The Organization receives monthly subsidies under the Department of Human Services ("DHS") Food Nutrition and Child Assistance Programs. For the years ended June 30, 2016 and 2015, the Organization received \$115,203 and \$113,520 in subsidies, respectively, which are included in the accompanying consolidated statements of activities in DHS food subsidies and day home fees. The Organization intends to reapply to DHS for continuation of the subsidies when the current contracts expire. At June 30, 2016 and 2015, there was a subsidy receivable of \$15,050 and \$17,910, respectively. A significant reduction in the level of this support, if this were to occur, could have an adverse effect on the Organization's programs and services.

NOTE 3 – INVESTMENTS

The following table sets forth the Organization's major categories of assets measured at fair value on a recurring basis, with fair value determined based on active markets (Level 1), as of June 30:

	2016	2015
Corporate debt securities	\$ 12,492	\$ 190,536
Equity funds	861,193	660,749
Cash equivalents	20,140	16,507
	<u>\$ 893,825</u>	<u>\$ 867,792</u>

NOTE 3 – INVESTMENTS (Continued)

The following schedule summarizes the investment return for the years ended June 30:

	2016	2015
Interest and dividends Realized and unrealized (losses) gains, net	\$ 17,204 	\$ 47,594 (53,892)
	<u>\$ 37,038</u>	<u>\$ (6,298)</u>

NOTE 4 – PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost or, if donated, at the estimated fair market value as of the date of donation. Depreciation is provided using the straight-line basis over the estimated useful lives of the respective assets, which range from forty years for buildings to three years for equipment. Expenditures for repairs and maintenance are charged to expense as incurred.

During 2014, the Organization entered into an agreement with Premier Parking to lease out their parking lot after school hours. According to the terms of the agreement, Premier will pay the Organization \$2,300 each month or 75% of the net operating income, whichever is greater. This lease expires October 31, 2019. Facility rental revenue earned under this and other short-term agreements is included in revenues in the statements of activities.

NOTE 5 – NOTE PAYABLE

The Organization entered into a note payable with a bank. Payments of interest only at a fixed rate of 2.90% are due monthly, with any outstanding principal and interest due on March 21, 2016. This arrangement was refinanced during 2016 to extend the maturity date until December 31, 2016. The new arrangement bears interest at Prime and requires monthly interest payments. Borrowings under these respective arrangements were \$70,810 and \$96,706 at June 30, 2016 and 2015, respectively.

Following is a summary of future principal maturities under the note payable agreement:

Years ending June 30,	
2017	\$ 70,810
2018	-
2019	-
2020	-
2021	
Long-term obligations	<u>\$ 70,810</u>

NOTE 6 – ENDOWMENT FUND

The Fannie Battle Day Home Endowment Fund, Inc. ("Endowment") was established effective May 16, 2001. Endowment was established as a separate 501(c)(3) entity to assist management of the Organization in the exercise of its fiduciary duty related to board designated endowment investments. The financial statements of Endowment are consolidated with those of the Organization in the accompanying consolidated financial statements, as the Organization controls Endowment through the appointment of its board of directors. Net assets associated with endowment funds are classified and reported based upon the existence or absence of donor-imposed restrictions.

The board of directors has interpreted the UPMIFA as requiring that the Organization classify as permanently restricted net assets a) the original value of donor-restricted gifts to the permanent endowment, b) the original value of subsequent donor-restricted gifts to the permanent endowment, and c) accumulations (interest, dividends, capital gain/loss) to any permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are approved for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

Endowment net assets, end of year	<u>\$</u>	776,143	<u>\$</u>		<u>\$</u>	_	<u>\$</u>	776,143

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the board of directors, the endowment assets are to be invested primarily in equities, fixed income investments and cash securities. However, neither equities by themselves, nor fixed income investments by themselves should exceed 75% of the investment balance.

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

The Organization has a policy of appropriating, no more often than quarterly, dividend and interest income from the endowment fund.

NOTE 8 – CONCENTRATIONS

Cash and investments include funds deposited in federally insured bank accounts. Balances on deposit may at times exceed federally insured limits.

NOTE 9 – EMPLOYEE BENEFIT PLAN

The Organization has a 401(k) profit sharing plan covering all employees who are at least 21 years old and have completed the eligibility requirements. Employees may defer a portion of their compensation into the plan in accordance with the plan document. The Organization's contribution to the plan is determined annually by the board of directors. The Organization did not contribute to the plan during the years ended June 30, 2016 and 2015.

NOTE 10 – CONTRIBUTED SERVICES

The Organization receives a significant amount of donated services from unpaid volunteers who assist in fundraising and special projects. No amounts have been recognized in the consolidated statements of activities because the criteria for recognition under accounting principles generally accepted in the United States of America has not been satisfied.

NOTE 11 – COMMITMENTS AND CONTINGENCIES

The Organization is periodically subject to legal actions which arise in the course of business. Management is unable to predict the ultimate outcome of such litigation but does not believe an ultimate liability with respect to such litigation will be material to the consolidated operating results or consolidated financial position of the Organization. As a result, no accrual for any liability is included in the consolidated financial statements.
