Notes to Financial Statements June 30, 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Sumner County CASA, Inc. (the "Organization") trains and supervises volunteers who act as advocates for children involved in court proceedings primarily as a result of abuse and/or neglect. Services are provided to children in the Sumner County, Tennessee area.

Support for the Organization comes from grants from the cities of Hendersonville, Gallatin and Portland as well as Sumner County, fundraising, special events and individual contributions. The Organization also receives restricted grants from the Tennessee Commission on Children and Youth and the United Way of Sumner County for the payment of salaries.

The Board of Directors and management employees of the Organization acknowledge that, to the best of their ability, all assets received have been used for the purpose for which they were contributed, or have been accumulated to allow management to conduct the operations of the Organization as effectively and efficiently as possible.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Income Taxes

The organization is a not-for-profit organization that is exempt from income taxes under section 501(c) (3) of the Internal Revenue Code. Tax years 2017 through 2020 remain open and are subject to audit by the Internal Revenue Service.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalent.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis.

Basis of Presentation

In August 2016, the FASB issued ASU No. 2016-14, Not-for-profit Entities (Topic 958) – Presentation of Financial Statements for Not-for Profit Entities. ASU No. 2016-14 reduces the number of net asset classes presented from three to two: net assets without donor restrictions, previously reported as unrestricted and net assets with donor restrictions, previously reported as temporarily restricted net assets and permanently restricted net assets. The organization adopted ASU No. 2016-14 for the Organization's financial statements for the year ended June 30, 2021.

Net assets, revenue, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Sumner County CASA, Inc.

Notes to Financial Statements (continued) June 30, 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

Without Donor Restrictions – Net assets that are not subject to any donor-imposed stipulations.

With Donor Restrictions – Net assets subject to donor-imposed restrictions on their use that may be met either by actions of the Organization or the passage of time or other legal restrictions requiring that the principal be maintained permanently by the Organization. Generally, the donors permit the Organization to use all or part of the income earned for either general or donor specified purpose.

Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

Revenue Recognition

Contributions, which include unconditional promises to give (pledges), are recognized as revenues in the period received or promised. Contributions receivable due beyond one year are stated at net present value of the estimated cash flows using a risk-adjusted rate. Conditional contributions are recorded when the conditions have been met. Contributions are considered to be without donor restrictions unless specifically restricted by the donor for time or purpose.

The Organization reports contributions in the donor restricted net asset class if they are received with donor stipulations as to their use and or time. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restriction are released and reclassified to net assets without donor restriction in the consolidated statement of activities.

Donor-restricted contributions are initially reported in the with donor restriction net asset class, even if it is anticipated such restrictions will be met in the current reporting period.

Advertising Costs

All advertising costs are expensed as incurred.

Donated Materials

The basis of valuation of donated materials received is fair value, which is determined by communication with the organization that donated the materials.

Donated Services

During the year ended June 30, 2021, the value of contributed services meeting the requirement for recognition in the financial statements was not material, and has not been recorded. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization with their assistance programs.
