INDEPENDENT ACCOUNTANTS' COMPILATION REPORT

To the Board of Directors
Abintra Montessori School
Nashville, Tennessee

We have compiled the accompanying statements of financial position of Abintra Montessori School (a non-profit corporation) as of June 30, 2014 and 2013, and the related statements of activities and functional expenses for the years then ended. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

Management has elected to omit substantially all of the disclosures and the statement of cash flows required by accounting principles generally accepted in the United States of America. If the omitted disclosures and statement of cash flows were included in the financial statements, they might influence the user's conclusions about the School's financial position, changes in net assets, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.
