INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Community Resource Center:

We have audited the accompanying financial statements of Community Resource Center (a nonprofit organization), which comprise the statements of assets, liabilities, and net assets – modified cash basis as of June 30, 2013 and 2012, and the related statements of support, revenues, and expenses – modified cash basis and of functional expenses – modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Community Resource Center as of June 30, 2013 and 2012, and its support, revenues, and expenses for the years then ended, in accordance with the basis of accounting as described in Note 2.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

COMMUNITY RESOURCE CENTER

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS JUNE 30, 2013 AND 2012

NOTE 1 – THE ENTITY

Community Resource Center (the "Center") was incorporated in October 1986 as a Tennessee not-for-profit corporation. The primary purpose of the Center is to encourage, accept and distribute donations of volunteer services, equipment, supplies and new and used materials that are needed by local charitable organizations in the Middle Tennessee area.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Periods

All references to 2013 and 2012 in these financial statements refer to the years ended June 30, 2013 and 2012, respectively, unless otherwise noted.

Basis of Accounting - The financial statements of the Center are maintained on the modified cash basis of accounting. Under the modified cash basis of accounting, support and revenues are recognized when collected rather than when earned or promised, and expenses are recognized when paid rather than when incurred. Depreciation expense is recorded under the modified cash basis of accounting.

Financial Statement Presentation - The Center reports information regarding its assets, liabilities, net assets, and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. There were no restrictions on net assets at June 30, 2013 and 2012.

Contributions - Contributions are recognized when the cash is received by the Center. Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires or is fulfilled, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the financial statements as net assets released from restrictions. If a restriction expires or is met within the same year, the contribution is reported as unrestricted.

Donated Materials and Services - Under the modified cash basis of accounting, donated equipment, supplies and materials are not recognized as contributions. A substantial number of volunteers have donated significant amounts of time in the Center's programs, development and fund-raising activities.

Cash and Cash Equivalents - Cash and cash equivalents consist of cash on hand, cash in various bank accounts, and all highly liquid unrestricted investments with an original maturity of three months or less. The Center may, at times, maintain bank accounts whose balances exceed federally insured limits. However, the Center has not experienced any losses in such accounts, and believes it is not exposed to any significant credit risk related to cash and cash equivalents.

Property and Equipment - Property and equipment additions, major renewals and betterments are recorded at cost at the date of purchase. Expenditures for maintenance and repairs are charged to expense as incurred. Depreciation is computed by using the straight-line and accelerated methods over the estimated useful lives of the assets. See Note 3 for further details.

COMMUNITY RESOURCE CENTER

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS (CONTINUED) JUNE 30, 2013 AND 2012

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes - As mentioned in Note 1, the Center is a tax-exempt organization; accordingly, no provision for income taxes is included in the accompanying financial statements.

The Center files an annual information return (Form 990) with the U.S. government. At June 30, 2013, the Center is no longer subject to U.S. tax examinations of these information returns by tax authorities for years ended before June 30, 2010.

Functional Allocation of Expenses - Expenses, which are directly related to a function, are charged to that function. Expenses that are related to more than one function are allocated to the applicable functions based upon various allocation methods in order to reflect the total cost of each function.

Date of Management's Review - Subsequent events were evaluated through December 4, 2013, which is the date the financial statements were available to be issued.

Estimates - The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 3 – PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at June 30, 2013 and 2012:

	<u>2013</u>	<u>2012</u>
Land and improvements	\$ 53,600	\$ 53,600
Building and improvements	742,661	742,661
Furnishings, fixtures and equipment	28,607	28,607
Total cost	824,868	824,868
Less accumulated depreciation	(148,668)	(98,098)
Property and equipment, net	<u>\$ 676,200</u>	<u>\$ 726,770</u>

NOTE 4 – NOTE PAYABLE

The Center has an unsecured line of credit agreement with a financial institution. The line of credit provides for maximum borrowings of \$50,000, and bears interest payable monthly at the bank's prime rate of interest. No borrowings were outstanding under this agreement at June 30, 2013 and 2012.

NOTE 5 – PUBLIC SUPPORT

The Center is dependent on public support in the form of cash donations, private grants and United Way grants. A major reduction in the level of public support, if this were to occur, could have a significant impact on the Center's operations.

COMMUNITY RESOURCE CENTER

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS (CONTINUED) JUNE 30, 2013 AND 2012

NOTE 6 – PARTNERSHIP PROGRAM

The Center has established a partnership program with other local non-profit organizations whereby the Center receives partnership membership fees ranging from \$100 to \$250 annually from subscribing organizations. Subscribing partners are then allowed access to goods and services available through a resource bulletin, "The Resource Connection." Partnership membership fees, in the amount of \$10,725 and \$12,275 for 2013 and 2012, respectively, are included in Program Service Fees in the statements of support, revenues and expenses.

The Center receives a significant amount of donated goods. The Center, in turn, distributes a significant portion of these goods to its subscribing partners. Under the modified cash basis of accounting, the value of these donations and distributions are not recognized in the accompanying financial statements.

NOTE 7 – EMPLOYEE BENEFIT PLAN

The Center has a defined contribution retirement plan for employees who have reached age 21 and have been employed for two years. The Center contributes up to 6% of each participant's salary. The Center's expense for such contributions totaled \$2,160 for both 2013 and 2012.

NOTE 8 – PAYABLE TO COMMUNITY FOUNDATION

During 2012, the Center received contributions for flood relief programs from The Community Foundation of Middle Tennessee (the "Foundation"). During 2013, \$51,825 of unused contributions were returned by the Center to the Foundation.
