#### INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of Samaritan Recovery Community, Inc. Nashville, Tennessee

I have audited the accompanying statement of financial position of Samaritan Recovery Community, Inc., as of June 30, 2012, and the related statement of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Samaritan Recovery Community, Inc., as of June 30, 2012, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, I have also issued my report dated November 9, 2012 on my consideration of Samaritan Recovery Community, Inc.'s internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of my audit.

My audit was conducted for the purpose of forming an opinion on the basic financial statements of Samaritan Recovery Community, Inc. taken as a whole. The accompanying schedule of expenditures of grant awards and government contracts is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

November 9, 2012

Joel D. Collum Jr, CPA

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Organization and Purpose:

Samaritan Recovery Community, Inc. (the Organization), a non-profit organization, is involved in the treatment of chemical dependency (alcohol and drug addition). All programs are conducted on-premises except for supportive housing and the out-patient program.

#### **Basis of Accounting:**

A significant part of the Samaritan Recovery Community Inc.'s support is derived from government grants and contracts. Contributions by grantors for specific purposes are reported as support in the period a liability is incurred for expenditures in compliance with specific grant requirements. Such amounts received but not yet recognized are reported as deferred revenue. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

#### **Basis of Presentation:**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Financial statement presentation follows the requirements of the Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Presentation of Financial Statements of Not-for-Profit Organizations. Under the FASB Accounting Standards Codification, the Organization is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets - Net assets that are not subject to donor-imposed

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Organization currently has no temporarily restricted net assets.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that may be maintained permanently by the Organization. Generally donors of these assets permit the Organization to use all or part of the income earned for general or specific purposes. The Organization currently has no permanently restricted net assets.

#### **Functional Allocation of Expenses:**

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### **Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Cash Equivalents:

For purposes of the statement of cash flows, the Organization considers all highly liquid investments with an original maturity of three months of less to be cash equivalents.

#### **Property and Equipment:**

The Organization follows the practice of capitalizing, at cost, all expenditures for property and equipment in excess of \$500. Property and equipment is recorded at cost at the date of purchase. Donated property and equipment are recorded at their fair value at the date of the donation. Certain property and equipment have been purchased in part or in full with grant funds, and to that extent, The State of Tennessee retains a reversionary interest in these assets in the event of their disposition. Depreciation is calculated by the straight-line method over the useful lives of the respective assets as follows:

Land improvements5 yearsBuildings6 - 31.5 yearsVehicles5 yearsFurniture and equipment5 - 12 years

#### Accounts receivable and allowance for doubtful accounts:

It is the policy of the Organization to record accounts receivable when the amount becomes known. Management considers all receivables as of June 30, 2012 to be fully collectible; accordingly, no allowance for doubtful accounts is required.

#### 2. FEDERAL INCOME TAX STATUS

The Organization has been determined by the Internal Revenue Service to be exempt from federal income tax under section 501 (c)(3) of the Internal Revenue Code and is classified as other than a private foundation. Accordingly, the financial statements do not reflect a provision for income taxes.

#### 3. FUNDING AND CONCENTRATION

The Organization receives a major portion of the funds that it uses to conduct its programs from Tennessee Department of Mental Health and Developmental Disabilities grants and contracts and the United Way of Metropolitan Nashville. A major reduction of funds from one of the grants or contracts, should this occur, would have a material effect on the programs and the financial position of the Organization.

#### 4. PROPERTY AND EQUIPMENT

Land and improvements	\$ 497,480
Buildings	2,059,840
Vehicles	86,387
Furniture and equipment	265,445
	2,909,152
Less: Accumulated	(1,501,560)
	\$ 1,407,592
Depreciation for the year	\$ 92,840

#### 5. MANAGEMENT AGREEMENT

The Organization entered into a management agreement with Xebec Management, Inc. effective December 1, 2010 for the management of the Organization. The management fee is computed based on a percentage of monthly net revenues. The management fee for the year was \$220,136.

#### 6. EMPLOYEE COSTS

Included in the management agreement is an employee leasing agreement for all of the employees of the Organization. The Organization reimburses the management company the actual cost of the of the payroll plus a minor service fee. The costs of salaries, payroll taxes and other benefits are shown in the financials as though they were paid directly by the Organization.

The leasing arrangement includes a 401(k) plan for all eligible Organization employees. Employees may contribute up to 15% of their compensation and the Organization will contribute one dollar for every dollar of employee contributions up to 5% of the employee's salary. Employer contributions vest periodically based on length of participation in the plan. The total expense for the year under this plan was \$16,707.

#### 7. CONCENTRATION OF CREDIT RISK

The Organization maintains accounts at four commercial banks. At June 30, 2012, the excess over the Federal Deposit Insurance Corporation amount of \$250,000 was \$50,768. Management considers the risk to be minimal.

#### 8. FAIR VALUES OF FINANCIAL INSTRUMENTS

The following methods and assumptions were used by the Organization in estimating its fair value disclosures for financial instruments:

Cash, cash equivalents, certificates of deposit, receivables, prepaids, payables and accruals: The carrying amounts reported in the statement of financial position approximate fair values because of the short maturities of those instruments.

#### 9. COMMITMENTS

The Organization leases three buildings that are used in its Supportive Housing program on a month to month basis for \$8,884 per month.

The Organization has a 36 month lease for office equipment. The lease began on January 28, 2011 and will expire January 28, 2014. The lease has a fixed payment of \$224 per month.

The Organization has a 60 month lease for office equipment. The lease began on February 9, 2010 and will expire on February 9, 2015. The lease has a fixed payment of \$116 per month.

The total rent paid on the building leases for the year ended June 30, 2012 amounted to \$103,872.

The total rent paid on the office equipment leases for the year ended June 30, 2012 amounted to \$4,079.

Future minimum rental payments required are as follows:

Year ended		
June 30,	A	mount
2013	\$	4,079
2014		3,181
2015		924
2016		-
2017		-
Total	\$	8,184

#### 10. CONCENTRATION

The Organization receives support from the Tennessee Department of Mental Health under one grant agreement and four contracts. This represents approximately 73.6% of the Organization's total support and revenue.

#### 11. UNCERTAINTY IN INCOME TAXES

Accounting principals generally accepted in the United States of America require the Organization's management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Organization's Executive Director has analyzed tax positions taken and has concluded that as of June 30, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however the Organization's management believes that it is not longer subject to income tax examinations for years prior to June 30, 2009.

#### 12. INVESTMENTS

Investment securities are carried at fair value based on quoted prices in active markets (all Level 1) and consist of the following at June 30, 2012:

	 Cost	F	air Value
Municipal Bonds	\$ 25,015	\$	25,122
Corporate Bonds	83,605		82,535
Mutual Funds - Equity	390,428		396,340
Mutual Funds - Balanced Funds	10,000		9,792
Preferred Stock	12,515		13,570
Common Stock	35,641		37,831
Alternative Investments	37,944		36,428
	\$ 595,148	\$	601,618

Total investment gain (loss) relating to marketable securities and instruments consist of the following:

Dividend income	\$ 4,262
Interest income	5,752
Realized gain (loss)	583
Unrealized gain (loss)	 5,023
	\$ 15,620

#### 13. FAIR VALUE MEASUREMENTS

The Organization's investments are reported at fair value in the accompanying statement of net

		Fair Va	alue N	Aeasurement	ts at Jun	e 30, 201	2 Using	
•			Qu	oted Prices				
			I	n Active	Sign	ificant		
			M	arkets for	O	ther	Sign	ificant
			1	dentical	Obse	rvable	Unobs	ervable
				Assets	In	puts	In	puts
	F	air Value	(	Level 1)	(Le	vel 2)	(Le	vel 3)
Municipal Bonds	\$	25,122	\$	25,122	\$	_	\$

Preferred Stock		13,570		13,570		-		-
Common Stock		37,831		37,831		-		-
Alternative Investments		36,428		36,428		-		-
	\$	601,618	\$	601,618	\$	_	\$	

The Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Organization uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Organization measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements - The fair value of the investments are based the closing price reported on the active market where the securities are traded.

Level 2 Fair Value Measurements - The fair value of the investments are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly, or indirectly.

Level 3 Fair Value Measurements - The fair value of the investments are based on at least one significant unobservable input.

#### 14. SUBSEQUENT EVENTS

Subsequent events have been evaluated through November 9, 2012 which is the date the financial statements were available to be issued.

# SAMARITAN RECOVERY COMMUNITY, INC. NOTES TO THE SCHEDULE OF EXPENDITURES OF GRANT AWARDS AND GOVERNMENT CONTRACTS JUNE 30, 2012

#### **NOTE A - BASIS OF PRESENTSTION**

The accompanying schedule of expenditures of grant awards and government contracts summarizes the expenditures of the Organization under grants and contracts of the state government for the year ended June 30, 2012. The schedule is presented on the accrual basis of accounting. Some amounts may differ from amounts presented in, or used in the preparation of, the basic financial statements.

# AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees of Samaritan Recovery Community, Inc. Nashville, Tennessee

I have audited the financial statements of Samaritan Recovery Community, Inc. as of and for the year ended June 30, 2012, and have issued my report thereon dated November 9, 2012. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### Internal Control Over Financial Reporting

Management of Samaritan Recovery Community, Inc. is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing my audit, I considered Samaritan Recovery Community, Inc.'s internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Samaritan Recovery Community, Inc.'s internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of Samaritan Recovery Community, Inc.'s internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

My consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. I did not identify any deficiencies in internal control over financial reporting that I consider to be material weaknesses, as defined above. However, I identified a certain deficiency in internal control over financial reporting, described in the accompanying schedule of findings and responses that I consider to be a significant deficiency in internal control over financial reporting. The significant deficiency is described in the accompanying schedule of findings and responses as item 12-01. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Samaritan Recovery Community, Inc.'s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Samaritan Recovery Community, Inc.'s response to the finding identified in my audit is described in the accompanying schedule of findings and responses. I did not audit Samaritan Recovery Community, Inc.'s response and, accordingly, I express no opinion on it.

This report is intended solely for the information and use of the Board of Directors, management, others within the organization and federal awarding agencies and pass-through entities, and the State of Tennessee and is not intended to be and should not be used by anyone other than these specified parties.

November 9, 2012

Jael D- Collum Jr., CPA

#### SAMARITAN RECOVERY COMMUNITY, INC. SCHEDULE OF FINDINGS AND RESPONSES -CONTINUED FOR THE YEAR ENDED JUNE 30, 2012

#### PART II – FINDINGS AND QUESTIONED COST REPORTED IN ACCORDANCE WITH GENERALLY ACCEPTED GOVERNMENT AUDITING PROCEDURES

#### Finding - 12-01 - CASH RECEIPTS

Samaritan collects money from clients for rent, assessments and fees. During the test of cash receipts it was noted that some of the money collected was not deposited in a timely manner.

#### Recommendation

State law requires that all money be deposited within three business days of receipt. The personnel that collect money from the clients should be instructed on the importance of getting all money to the administrative office as soon as it is received so that it can be deposited within three business days.

#### Management Response

Management concurs with the finding and has instructed all personnel that collect money on the importance of getting the money to the administrative office as soon as it is received.

#### SAMARITAN RECOVERY COMMUNITY, INC.

#### SCHEDULE OF PRIOR AUDIT FINDINGS

#### **FOR THE YEAR ENDED JUNE 30, 2012**

Prior year audit finding 11-01, dealing with depositing money in a timely manner, was corrected during the year but there were instances of non-compliance prior to the Organization taking corrective action. Accordingly, this is a repeat finding.
