**NATIVE AMERICAN INDIAN
ASSOCIATION OF TENNESSEE
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2016**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Native American Indian Association of Tennessee, Inc. (NAIA) is a Tennessee not-for-profit corporation. NAIA was founded October 2, 1982 and is the only non-profit 501(c)(3) statewide Native American Indian organization with an all Indian Board of Directors. NAIA's mission is to provide social services, scholarships, and cultural revitalization for the more than 15,000 Native American in Tennessee. NAIA is governed by a Board of Directors elected by its members.

Basis of Accounting

The financial statements of Native American Indian Association of Tennessee have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, accounts payable, and other liabilities.

Basis of Presentation

Financial statement presentation follows US generally accepted accounting principles which require the Project to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets are not subject to donor-imposed stipulations. Temporarily restricted net assets are subject to donor-imposed stipulations that may or will be met, either by action of NAIA and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Permanently restricted net assets are subject to donor-imposed stipulations that must be maintained permanently by NAIA. Generally, the donor of these assets permit the organization to use all or part of the income earned on any related investments for general or specific purposes.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, cash and cash equivalents are defined as all cash on hand and deposited in FDIC insured bank accounts with an original maturity of three months or less.

Accounts Receivable

Accounts receivable are stated at their net realizable value. At September 30, 2015, NAIA's accounts receivable balance was \$ 0 (zero).

Donations of Property and Equipment

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be use to acquire property and equipment is reported as restricted support. Absent donor stipulations regarding how those long lived assets must be maintained, NAIA reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. NAIA transfers temporarily restricted net assets to unrestricted net assets at that time.

**NATIVE AMERICAN INDIAN
ASSOCIATION OF TENNESSEE
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2016**

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Fair Values of Financial Instruments

Financial instruments of NAIA include cash. Management estimates that the fair value of all financial instruments at September 30, 2014 do not differ materially from the carrying values of the financial instruments recorded in the accompanying balance sheet.

Income Tax Status

Native American Indian Association of Tennessee is an organization, which is not considered a private foundation and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. NAIA's Form 990, Return of Organization Exempt from Income Tax, for the years ending September 30, 2014, 2015, and 2016 are subject to examination by the IRS, generally for 3 years after they were filed. There are no tax examinations currently in process. Management has concluded that NAIA has taken no uncertain tax positions as of September 30, 2016. Therefore, no provision for income taxes has been included in NAIA's financial statements.

Promises to Give

Unconditional promises to give are recognized as revenue or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed on a straight-line basis over the estimated useful life of assets and is reflected as an expense in the Statement of Functional Expenses. Useful lives are thirty years for buildings and three to seven years for equipment.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**NATIVE AMERICAN INDIAN
ASSOCIATION OF TENNESSEE
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2016**

NOTE 2 - CASH AND CREDIT RISK

Total cash held by the Native American Indian Association of Tennessee is deposited in two banks. Accounts are insured by the FDIC up to \$250,000. At September 30, 2016, NAIA had \$219,396 in excess of the FDIC limit. It is the opinion of management that the solvency of the financial institution is not of particular concern at this time.

NOTE 3 - FINANCIAL DEPENDENCE

NAIA is substantially funded by grants from the US Department of Labor, Tennessee Department of Tourism, Metro Parks and Recreation, Tennessee Arts Commission, Metro Nashville Arts Commission, Memorial Foundation, and revenues and donations from their Annual Pow Wow.

NOTE 4 - DATE OF MANAGEMENT'S REVIEW

Management has evaluated subsequent events through March 17, 2017, the date which the financial statements were available to be issued. No material subsequent events have occurred that need to be disclosed.

NOTES TO STATEMENT OF ACTIVITIES
SEPTEMBER 30, 2017 (BUDGET FORECAST)**

NOTE 1 – SUMMARY OF SIGNIFICANT BUDGET FORECAST ASSUMPTIONS

The projection presents, to the best of management's knowledge and belief, the Organization's expected results of operations for the budget forecast period. Accordingly, the budget forecast reflects management's judgment as of March 17, 2017, the date of this budget forecast, of the expected conditions and its expected course of action. The assumptions disclosed herein are those that management believes are significant to the budget forecast. There will usually be differences between the budget forecast and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Donations and Fundraisers

Management expects support from donations and Pow Wow activities to remain stable based on its historical experience and expectations for the local economy.

Awards

Management expects awards other than the US Department of Labor WIA grant to be consistent with the prior year.

Functional Expenses

Management expects other expenses to be consistent with the current year with estimated cost increase of approximately 3%.

Depreciation

No significant land, building, or equipment purchases are projected during the next year. Depreciation is based upon the depreciation schedule for current group of fixed assets.
