## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of  
Community Resource Center:

We have audited the accompanying statement of assets, liabilities, and net assets – modified cash basis of Community Resource Center (a nonprofit organization) as of June 30, 2008 and 2007, and the related statements of support, revenues, and expenses – modified cash basis and of functional expenses – modified cash basis for the years then ended. These financial statements are the responsibility of management of Community Resource Center. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 2, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Community Resource Center as of June 30, 2008 and 2007, and its support, revenues, and expenses for the years then ended, on the basis of accounting described in Note 2.

## **COMMUNITY RESOURCE CENTER**

### **NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS JUNE 30, 2008 AND 2007**

#### **NOTE 1 – THE ENTITY**

Community Resource Center (the "Center") was incorporated in October 1986 as a Tennessee not-for-profit corporation. The primary purpose of the Center is to encourage, accept and distribute donations of volunteer services, equipment, supplies and new and used materials that are needed by local charitable organizations in the Middle Tennessee area.

#### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### **Accounting Periods**

All references to 2008 and 2007 in these financial statements refer to the years ended June 30, 2008 and 2007, respectively, unless otherwise noted.

##### **Basis of Accounting**

The financial statements of the Center are maintained on the modified cash basis of accounting. Under the modified cash basis of accounting, support and revenues are recognized when collected rather than when earned or promised, and expenses are recognized when paid rather than when incurred. Depreciation expense is recorded under the modified cash basis of accounting.

##### **Contributions**

Contributions are recognized when the cash is received by the Center. Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires or is fulfilled, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the financial statements as net assets released from restrictions. See Note 5 for further details regarding restricted net assets.

##### **Donated Materials and Services**

Under the modified cash basis of accounting, donated equipment, supplies and materials are not recognized as contributions. A substantial number of volunteers have donated significant amounts of time in the Center's programs, development and fund-raising activities.

##### **Cash and Cash Equivalents**

Cash and cash equivalents consist of cash on hand, cash in various bank accounts, and all highly liquid unrestricted investments with an original maturity of three months or less. The Center may, at times, maintain bank accounts whose balances exceed federally insured limits. However, the Center has not experienced any losses in such accounts, and believes it is not exposed to any significant credit risk related to cash and cash equivalents.

### NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS (CONTINUED) JUNE 30, 2008 AND 2007

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

##### Property and Equipment

Property and equipment additions, major renewals and betterments are recorded at cost at the date of purchase. Expenditures for maintenance and repairs are charged to expense as incurred. Depreciation is computed by using the straight-line and accelerated methods over the estimated useful lives of the assets. See Note 3 for further details.

##### Income Taxes

As mentioned in Note 1, the Center is a tax-exempt organization; accordingly, no provision for income taxes is included in the accompanying financial statements.

##### Functional Allocation of Expenses

Expenses, which are directly related to a function, are charged to that function. Expenses that are related to more than one function are allocated to the applicable functions based upon various allocation methods in order to reflect the total cost of each function.

##### Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### NOTE 3 – PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at June 30, 2008 and 2007:

	<u>2008</u>	<u>2007</u>
Land and improvements	\$ -	\$ 99,790
Building and improvements	-	675,495
Furnishings, fixtures and equipment	51,675	157,072
Vehicles	6,000	6,000
Total cost	<u>57,675</u>	<u>938,357</u>
Less accumulated depreciation	<u>(46,040)</u>	<u>(274,816)</u>
Property and equipment, net	<u>\$ 11,635</u>	<u>\$ 663,541</u>

During 2008, the land, building and related improvements were sold. The related gain is reflected in the statement of support, revenues and expenses as other changes in net assets. Subsequent to June 30, 2008, the Center purchased a building on September 15, 2008 for a total cash consideration of \$452,794 (purchase price of \$450,000 plus applicable fees and taxes). The new facility was leased back to the seller until it was occupied by the Center on November 1, 2008.

## **COMMUNITY RESOURCE CENTER**

### **NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS (CONTINUED)** **JUNE 30, 2008 AND 2007**

#### **NOTE 4 – NOTE PAYABLE**

The Center has an unsecured line of credit agreement with a financial institution. The line of credit provides for maximum borrowings of \$50,000, and bears interest payable monthly at the bank's prime rate of interest. No borrowings were outstanding under this agreement at June 30, 2008 and 2007.

#### **NOTE 5 – NET ASSETS**

There were no temporarily restricted or permanently restricted net assets at June 30, 2008 and 2007. All previously existing restrictions were met during 2007.

#### **NOTE 6 – PUBLIC SUPPORT**

The Center is dependent on public support in the form of cash donations, private grants and United Way grants. A major reduction in the level of public support, if this were to occur, could have a significant impact on the Center's operations.

#### **NOTE 7 – PARTNERSHIP PROGRAM**

The Center has established a partnership program with other local non-profit organizations whereby the Center receives partnership membership fees ranging from \$100 to \$250 annually from subscribing organizations. Subscribing partners are then allowed access to goods and services available through a resource bulletin, "The Resource Connection," and the use of the Center's equipment and vehicle. Partnership membership fees, in the amount of \$9,500 and \$18,700 for 2008 and 2007, respectively, are included in Program Service Fees in the statement of support, revenues and expenses.

The Center receives significant noncash donations of goods. The Center, in turn, distributes a significant portion of these goods to its subscribing partners. Under the modified cash basis of accounting, the value of these donations and distributions are not recognized in the accompanying financial statements.

#### **NOTE 8 – EMPLOYEE BENEFIT PLAN**

The Center has a defined contribution retirement plan for employees who have reached age 21 and have been employed for two years. The Center contributes up to 6% of each participant's salary. The Center's expense for such contributions totaled \$3,518 and \$2,819 for 2008 and 2007, respectively.
