### INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors of Children Are People, Inc.

We have reviewed the accompanying financial statements of Children Are People, Inc. (a nonprofit corporation), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

#### Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

#### **Accountant's Conclusion**

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Nature of Activities

Children Are People, Inc. ("CAP") is a nonprofit corporation governed by a local board of directors. The mission of CAP is to assist at-risk children in Sumner County by developing in them academic and life skills to produce responsible, self-sufficient adults who contribute to their community. CAP is supported through grants and contributions primarily from donors in the Middle Tennessee area.

#### B. Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

#### C. <u>Basis of Presentation</u>

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed stipulations. Accordingly, net assets of CAP and changes therein are classified and reported as follows:

<u>Unrestricted net assets</u> — Net assets that are not subject to donor-imposed stipulations.

<u>Temporarily restricted net assets</u> – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the organization and/or the passage of time. Restrictions that are fulfilled in the same accounting period in which the funds are received are reported in the statement of activities as unrestricted.

<u>Permanently restricted net assets</u> – Net assets subject to donor-imposed stipulations that they be maintained permanently by CAP. Currently, there are no permanently restricted assets.

#### D. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

### E. <u>Cash and Cash Equivalents</u>

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of less than three months. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments. CAP had no cash equivalents as of June 30, 2017 and 2016.

See independent accountant's review report.

### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### F. Property and Equipment

Property and equipment are recorded at cost or, if donated, at the estimated fair market value at the date of donation. Depreciation is computed using the straight-line method over the useful lives of the assets which range from five to ten years.

CAP's capitalization policy requires individual assets to be capitalized if the cost or fair market value exceeds \$1,000. Repair and maintenance costs are expensed as incurred.

#### G. Revenue Recognition

Contributions are recognized when received. In-kind contributions are recorded based on their estimated value on the date of the receipt. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. All donor-related restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statement of activities as net assets released from restrictions.

#### H. Functional Expenses

Expenses are charged to program, management and general and fundraising based on an allocation by management.

#### I. Advertising Costs

Advertising costs are expensed as incurred. Advertising expenses for the years ended June 30, 2017 and 2016 were\$306 and \$5, respectively.

#### J. Income Taxes

CAP is exempt from income taxes under section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes has been made.

Property and equipment consists of the following as of:

Future minimum lease payments under the lease agreement as of June 30, 2017 are as follows:

In addition, many individuals volunteer their time and perform a variety of tasks that assist CAP with specific programs and fundraising. For the years ended June 30, 2017 and 2016, there were 1,063 and 2,494 hours donated by these volunteers, respectively. However, no amount is reflected in the financial statements for these donated services since volunteers' time does not meet the criteria for recognition.

See independent accountant's review report.

#### NOTE 5 - CONCENTRATIONS

CAP relies on contributions, grants, special events and in-kind support to fund operations. For the year ended June 30, 2017, CAP received 18% of its total revenue from three donors and for the year ended June 30, 2016, CAP received 35% of its total revenue from five donors.

#### **NOTE 6 – SUBSEQUENT EVENTS**

CAP has evaluated events and transactions for subsequent events that would impact the financial statements for the year ended June 30, 2017 through December 14, 2017, the date the financial statements were available to be issued. There were no other subsequent events that require recognition in the financial statements.
