INDEPENDENT ACCOUNTANTS' REPORT

To the Board of Directors of Blakemore Children's Center
of the Blakemore United Methodist Church
Nashville, Tennessee

We have reviewed the accompanying statements of assets, liabilities and net assets (modified cash basis) of Blakemore Children's Center (the "Center"), a community service of the Blakemore United Methodist Church (the "Church"), as of June 30, 2006 and 2005, and the related statements of revenues, expenses and changes in net assets (modified cash basis) for the years then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of the Center.

A review consists principally of inquiries of Center personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with auditing standards generally accepted in the United States of America, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

As explained in Note 2, the financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. These financial statements are applicable to the Blakemore Children's Center only and do not include the accounts and operations of the other activities and programs of Blakemore United Methodist Church.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with the modified cash basis of accounting described in Note 2.

BLAKEMORE UNITED METHODIST CHURCH

BLAKEMORE CHILDREN'S CENTER

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2006 AND 2005

(SEE ACCOUNTANTS' REPORT)

NOTE 1 - GENERAL

Blakemore Children's Center (the "Center") is a community service of Blakemore United Methodist Church (the "Church"), that provides a loving, nurturing environment for child care and early childhood education. The Center, originally named The Mattye Jones Child Care Center, opened in August 1976. The Center's board of directors is comprised of six church members and five non-church members. The Church's pastor and the Center's executive director also serve in an ex-officio capacity on the board.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements present the accounts and activities applicable to the Center only and do not include the other programs and activities of the Church. A summary of the significant accounting principles utilized in the preparation of these financial statements follows:

The accompanying financial statements are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Revenues are recognized generally as income when collected. Expenses are recognized when paid rather than when incurred, and equipment purchases are expensed instead of capitalized and depreciated over the estimated useful life of the asset. Tuition deposits are reported as a liability and recognized as revenue in the period to which the deposit applies. The modified cash basis differs from accounting principles generally accepted in the United States of America primarily because the effects of outstanding tuition, grant and contribution receivables, depreciable assets (equipment and furniture and fixtures), advance tuition payments and unpaid obligations or liabilities at the date of the financial statements are not recognized. In addition, expenses are not grouped by functional classification.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2006 AND 2005

(SEE ACCOUNTANTS' REPORT)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions and support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for future periods or for specific purposes are reported as temporarily or permanently restricted support that increases those net asset classes. When a restriction is fulfilled (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted and reported in the statement of revenues, expenses and changes in net assets as net assets released from restrictions.

There were no temporarily or permanently restricted net assets as of June 30, 2006 and 2005.

Contributed facilities

The Church provides the building facilities for the Center to operate its programs. Accordingly, no occupancy cost has been recognized in these financial statements.

Revenues

The Center is funded principally by tuition fees. Tuition assistance is also provided for several children by the Tennessee Department of Human Services and the Families First Welfare Program.

Reimbursement due from the Church

During 2005, the Church and the Center outsourced the payroll function to a service provider, which drafted the entire amount of payroll taxes out of the Center's checking account. The reimbursement due from the Church represented the Church's pro rata share of payroll taxes drafted out of the Center's bank account on June 30, 2005, and reimbursed by the Church in July 2005. As of June 30, 2006, the Center utilizes a different service provider from the Church.

Income tax

The Center is exempt from income taxes under Internal Revenue Code Section 501(c)(3); accordingly, no provision for income taxes has been made in the accompanying financial statements.
