BOARD OF DIRECTORS

Abintra Montessori School
Nashville, Tennessee

We have compiled the accompanying statements of financial position of Abintra Montessori School (a non-profit corporation) as of June 30, 2006 and 2005, and the related statements of activities and functional expenses for the years then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures and the statements of cash flows required by generally accepted accounting principles. If the omitted disclosures and statements of cash flows were included in the financial statements, they might influence the user's conclusions about the School's financial position, activities, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.
