Independent Auditors' Report

To the Board of Trustees Hope for Justice, Inc. Nashville, Tennessee

We have audited the accompanying financial statements of Hope for Justice, Inc. (a nonprofit organization), which comprise the statements of financial position as of March 31, 2018 and 2017, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hope for Justice, Inc. as of March 31, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

NOTE 1 NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Hope for Justice, Inc. (the Organization) was established to support short-term and long-term rehabilitative centers in the United States and Cambodia. These centers are designed to specifically aid human trafficking victims and will provide shelter, education, counseling and case management services.

Reporting Entity

The Organization is affiliated with non-profit organizations located in the United Kingdom and Norway, which are also named Hope for Justice. These separate legal entities share a similar mission and purpose, as described in the preceding paragraph. Additionally, certain of the board members of the Organization are also members of its affiliated organizations.

These financial statements include only the functions and activities of the Organization. They do not include the financial activities of its affiliated organizations.

Financial Statement Presentation

The financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (GAAP). The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets which have no donor-imposed restriction; temporarily restricted net assets which have donor-imposed restrictions that will expire in the future; and permanently restricted net assets which have donor-imposed restrictions which do not expire. There were no permanently restricted net assets at March 31, 2018 and 2017.

Cash

Hope for Justice maintains cash in bank deposit accounts which may, at times, exceed federally insured limits. Hope for Justice has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk.

Property and Equipment

Property and equipment are recorded at cost or, if donated or impaired, at fair value at the time of the gift or determination. Depreciation is calculated on a straight-line basis over the estimated useful lives of the respective assets. Major improvements are capitalized, while maintenance and repairs are expensed as incurred.

Contributions

Hope for Justice records gifts of cash and other assets at their fair value as of the date of contribution. Such donations are recorded as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts that are originally restricted by the donor and for which the restriction is met in the same time period are recorded as temporarily restricted and then released from restriction.

NOTE 1 NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions (Continued)

Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Unconditional gifts expected to be collected within one year are reported at their net realizable value. Unconditional gifts expected to be collected in future years are reported at the present value of estimated future cash flows. The resulting discount is amortized and reported as contribution revenue.

Donated Services

Contributions of services are recognized as revenue at their estimated fair value only when the services received create or enhance nonfinancial assets or require specialized skills possessed by the individual providing the service and the service would typically need to be purchased if not donated.

Income Taxes

The Organization is exempt from income taxes under Section 501 of the Internal Revenue Code and a similar provision of Tennessee law. However, the Organization is subject to federal income tax on any unrelated business taxable income.

The Organization's IRS Form 990 is subject to review and examination by federal and state authorities. The Organization believes it has appropriate support for any tax positions taken, and therefore, does not have uncertain income tax positions that are material to the financial statements.

Functional Allocation of Expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis in the statement of activities. Expenses have been classified based upon the actual direct expenditures and cost allocations based upon estimates of time spent by the Organization's personnel.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
