Independent Auditors' Report

To the Board of Directors
Cumberland Region Tomorrow
Nashville, Tennessee

We have audited the accompanying statements of financial position of Cumberland Region Tomorrow as of December 31, 2010 and 2009, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of Cumberland Region Tomorrow's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cumberland Region Tomorrow, as of December 31, 2010 and 2009, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

CUMBERLAND REGION TOMORROW
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Cumberland Region Tomorrow (“CRT”) is a private sector non-profit organization founded in 2000, working with the Greater Nashville Regional Council and others in the public sector. Cumberland Region Tomorrow’s goal is to support and encourage growth planning with emphasis in land use, transportation planning, preservation of open space and the distinctive character of the region’s communities. Cumberland Region Tomorrow seeks to bring together diverse interests; enhance the quality of decision making through education, research, and discussion; foster regional thinking and planning; and encourage citizens to become involved in growth planning for the future of the region. Cumberland Region Tomorrow is supported primarily through donor contributions.

In 2010, Cumberland Region Tomorrow continued its work to advance the region through two synergistic areas of focus. In support of their efforts toward successful Regionalism and Collaborative Action, CRT brought together diverse regional leaders at the 2010 Convening the Region Summit and created new Outreach, Education and Regional Communications efforts through its Power of Ten brand and regional communications platform. In support of the regional issue of Land Use/Quality Growth and Sustainable Development, CRT continued to enhance the quality of decision making, along with regional and local comprehensive planning through their Quality Growth Toolbox education, tools and technical assistance program efforts.

Accrual Basis and Financial Statement Presentation

Cumberland Region Tomorrow has presented its financial statements on the accrual basis of accounting.

Cumberland Region Tomorrow classifies its support, revenue, expenses, gains and losses into three classes of net assets based on the existence or absence of donor-imposed restrictions. Net assets of Cumberland Region Tomorrow and changes therein are classified as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of Cumberland Region Tomorrow and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations require that the assets be maintained permanently by Cumberland Region Tomorrow. Generally, the donors of these assets permit Cumberland Region Tomorrow to use all or part of the income earned on related investments for general or specific purposes.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

The amount for each of these classes of net assets is displayed in the statement of financial position and the amount of change in each class of net assets is displayed in the statement of activities. There were no permanently restricted net assets at December 31, 2010 and 2009.

Contributions

Cumberland Region Tomorrow reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributions Receivable

Contributions receivable are recorded at their estimated fair value and reflect discounts for payment terms greater than one year. Contributions receivable are considered to be either conditional or unconditional promises to give. A conditional contribution is one which depends on the occurrence of some specified uncertain future event to become binding on the donor. Conditional contributions are not recorded as revenue until the condition is met, at which time they become unconditional. Unconditional contributions are recorded as revenue at the time verifiable evidence of the pledge is received.

Equipment

Equipment is stated in the accompanying statements of financial position at cost, or if contributed, at fair market value at the date of the gift. Depreciation is calculated using the straight-line basis over the estimated useful life of the various assets.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the financial statements and disclosures. The most significant area includes the collectibility of contributions and grants receivable. Accordingly, actual results could differ from those estimates.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Financial Instruments

CRT's financial instruments consist of contributions and grants receivable, accounts payable and accrued expenses and approximate their fair values based on their short-term nature.

Income Taxes

Cumberland Region Tomorrow is exempt from income taxes under Internal Revenue Code Section 501(c)(3); accordingly, no provision for taxes has been made in the financial statements.

CRT accounts for the effect of any uncertain tax positions based on a *more likely than not* threshold to the recognition of the tax positions being sustained based on the technical merits of the position under examination by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a *cumulative probability assessment* that aggregates the estimated tax liability for all uncertain tax positions. Tax positions for CRT include, but are not limited to, the tax-exempt status and determination of whether income is subject to unrelated business income tax; however, CRT has determined that such tax positions do not result in an uncertainty requiring recognition.

Donated Services

A number of unpaid volunteers have made contributions of their time to assist Cumberland Region Tomorrow. The total value of time contributed by these volunteers for specialized services, for the years ended December 31, 2010 and 2009 was approximately \$2,200 and \$60,400, respectively. The amount was calculated based upon fair market values.

For 2010 and 2009, Cumberland Region Tomorrow used office space donated by members of the Board of Directors. The fair value of donated rent is \$14,381 and \$34,500 for 2010 and 2009, respectively, and has been included in contribution revenue and general and administrative expense in the statements of activities.
