INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Tennessee Disability Coalition and Subsidiary Nashville, Tennessee

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

We have audited the accompanying consolidated financial statements of Tennessee Disability Coalition and Subsidiary (collectively the "Coalition"), which comprise the consolidated statements of financial position as of June 30, 2019 and 2018, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S REPSONSIBILITY

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Tennessee Disability Coalition and Subsidiary as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

OTHER MATTERS

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

In accordance with Government Auditing Standards, we have also issued our report dated January 17, 2020 on our consideration of the Coalition's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Coalition's internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2019 AND 2018

NOTE 1 - GENERAL

Tennessee Disability Coalition ("TDC") is a Tennessee nonprofit corporation. The TDC is an alliance of organizations and individuals who have joined to promote the full and equal participation of men, women, and children with disabilities in all aspects of life. The TDC works to advocate for public policy that ensures self-determination, independence, empowerment and inclusion for people with disabilities in areas such as accessibility, education, healthcare, housing and voting rights. The TDC is supported primarily with government grants.

In November 2011, the TDC formed Family Voices of Tennessee, LLC ("Voices"), a single-member nonprofit limited liability company. Voices assumes the programming decisions for the TDC's Family Voices program.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying consolidated financial statements include the accounts of Tennessee Disability Coalition and Family Voices of Tennessee, LLC (collectively the "Coalition"). All significant intercompany accounts and transactions have been eliminated in consolidation.

The accompanying consolidated financial statements present the financial position and change in net assets of the Coalition on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Resources are classified as net assets without donor restrictions and net assets with donor restrictions, based on the existence or absence of donor-imposed restrictions, as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Coalition. These net assets may be used at the discretion of the Coalition's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Coalition or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Coalition's net assets with donor restrictions as of June 30, 2019 and 2018 relate to a grant from the Robert Wood Johnson Foundation

Donor/grantor restricted contributions are reported as increases in net assets with donor/grantor restrictions. When a restriction expires, net assets are reclassified from net assets with donor grantor restrictions to net assets without donor/grantor restrictions in the Consolidated Statements of Activities.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2019 AND 2018

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions and Support

The Coalition receives government grant and contract revenue. Government grant and contract revenues are recognized in the period a liability is incurred for eligible expenditures under the terms of the grant or contract.

In accordance with Tennessee Code Annotated §36-6-413, a fee is imposed upon the issuance of a marriage license. A portion of such fees is allocated to the Coalition for education, information, publications and capacity building efforts focused on strengthening services and referral networks to families and children. Marriage license fees are recognized by the Coalition in the period the fee is assessed by the service provider.

Cash

Cash consists principally of checking accounts.

Certificates of Deposit

The certificates of deposit are held by a financial institution and are valued at cost plus accrued interest. At June 30, 2019, the Agency held four certificates of deposit with original maturities in excess of three months when purchased. The certificates of deposit mature beginning September 2020 through September 2023. Interest rates range from 0% to 3.15%.

Grants, Contract and Other Receivables

Grants, contract and other receivables are stated at unpaid balances. When necessary, the Coalition provides for losses on grants, contract and other receivables when management determines the receivable will not be collected. Management believes that all grants, contract and other receivables are fully collectible at June 30, 2019 and 2018 and that no allowance is necessary.

Funds Held for Federal Purposes

In prior years, the Coalition received grant funds totaling \$90,355 to make non-interest bearing second mortgage loans for homes sold to qualified buyers under the Department of Housing and Urban Development (HUD) HOPE for Homeownership of Single Family Homes (HOPE III) home ownership program. Principal payments received from these mortgages are restricted for other HUD projects. As of June 30, 2019, principal payments collected of \$90,355 were available for other HUD projects.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Property and equipment are reported at cost at the date of purchase or at estimated fair value at the date of gift to the Coalition. The Coalition's policy is to capitalize purchases with a cost of \$5,000 or more and an estimated useful life greater than one year. Depreciation is calculated by the straight-line method over the estimated useful lives of the assets as follows: three to five years for furniture and equipment and ten to thirty-nine years for building and improvements.

Program and Supporting Services

The following program and supporting services allocations are included in the accompanying consolidated financial statements:

Program services

<u>Benefits to Work</u> - an initiative that focuses on the dissemination of information to individuals with disabilities of the resources and incentives that are available to them in the workplace so that they may make informed decisions about their transition.

<u>Traumatic Brain Injury</u> - consists of activities which provide education and training to relevant individuals who work with children with pediatric brain injuries.

<u>Family to Family</u> - consists of activities to assist families of children with disabilities or special health care needs to make correct decisions in the care and well-being of their children.

Other Disability Programs - consists of multiple programs which educate and train individuals about people with disabilities, support individuals for transition back into the community after becoming disabled and mentors' individuals who are associated with individuals who have disabilities.

Supporting services

<u>Management and general</u> - includes the functions necessary to ensure an adequate working environment and costs not identifiable with a single program. Includes costs associated with providing coordination and articulation of the Coalition's program strategy, business management, general record-keeping, budgeting and related purposes.

<u>Fundraising</u> - includes costs of activities directed toward appeals for financial support. Other activities include the cost of solicitations and creation and distribution of fundraising materials.

JUNE 30, 2019 AND 2018

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Allocation of Functional Expenses

Expenses that can be directly attributed to a particular function are charged to that function. Certain costs have been allocated among more than one program or activity based on objectively evaluated financial and nonfinancial data or reasonable subjective methods determined by management. The expenses that are allocated include salaries and related benefits, which are allocated based on estimated time expended on those resources, and occupancy expenses, which are allocated based on estimates of related use of the property.

Income Taxes

The Coalition qualifies as a not-for-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, income taxes are not provided. The Coalition files a U.S. Federal Form 990 for organizations exempt from income tax.

Management performs an evaluation of all income tax positions taken or expected to be taken in the course of preparing the Coalition's income tax returns to determine whether the income tax positions meet a "more likely than not" standard of being sustained under examination by the applicable taxing authorities. Management has performed its evaluation of all income tax positions taken on all open income tax returns and has determined that there were no positions taken that do not meet the "more likely than not" standard. Accordingly, there are no provisions for income taxes, penalties or interest receivable or payable relating to uncertain income tax positions in the accompanying consolidated financial statements.

Use of Estimates in the Preparation of Consolidated Financial Statements

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

New Accounting Pronouncement

On August 18, 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-14, Not-for-Profit Entities (Topic 958) - *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. Additionally, ASU 2016-14 requires all not-for-profit entities to present expenses by their natural and functional expense classification. The Coalition has adjusted the presentation of these statements accordingly.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2019 AND 2018

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recent Authoritative Accounting Guidance

In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). The guidance in this ASU supersedes the leasing guidance in Topic 840, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. In October 2019, the FASB voted to delay the effective date of the standard to fiscal years beginning after December 15, 2020, including interim periods within those fiscal years. The Coalition is in the process of evaluating the impact of the new standard on the consolidated financial statements.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)* requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The updated standard will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective and permits the use of either a full retrospective or retrospective with cumulative effect transition method. In August 2015, the FASB issued ASU 2015-14 which defers the effective date of ASU 2014-09 one year making it effective for annual reporting periods beginning after December 15, 2018. The Coalition has not yet selected a transition method and is currently evaluating the effect that the updated standard will have on the consolidated financial statements.

In August 2016, the FASB issued ASU 2016-15, *Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments*. ASU 2016-15 provides guidance on how certain cash receipts and cash payments should be presented and classified in the statement of cash flows with the objective of reducing existing diversity in practice with respect to these items. ASU 2016-15 is effective for the Coalition for fiscal years beginning after December 15, 2018. ASU 2016-15 requires a retrospective transition method. However, if it is impracticable to apply the amendments retrospectively for some of the issues, the amendments for those issues would be applied prospectively as of the earliest date practicable. The Coalition is currently evaluating the impact of the adoption of this guidance will have on its statement of cash flows.

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made.* ASU 2018-08 clarifies the guidance for evaluating whether a transaction is reciprocal (i.e., an exchange transaction) or nonreciprocal (i.e., a contribution) and for distinguishing between conditional and unconditional contributions. The ASU also clarifies the guidance used by entities other than not-for-profits to identify and account for contributions made. The ASU has different effective dates for resource recipients and resource providers. Where the Coalition is a resource recipient, the ASU is effective for annual periods beginning after December 15, 2019. The adoption of ASU 2018-08 is not expected to have a material impact on the Coalition's financial statements.

NOTE 6 - CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject the Coalition to concentrations of credit risk includes government grants receivable, government grant revenues, contractual agreement revenues and revenues from the allocation of marriage fees. Government grants received consisted of 40% of total support for the years ended June 30, 2019 and 2018, respectively. Contractual agreement revenues received consisted of 11% of total support for the years ended June 30, 2019 and 2018. The allocation of marriage license fees revenue consisted of 38% and 34% of total support for the years ended June 30, 2019 and 2018, respectively. A reduction in the level of funding from these sources would have a significant impact on the Coalition's activities. At June 30, 2019, receivables from three government grants totaled approximately \$199,000, or 96% of total government grant receivables. At June 30, 2018, receivables from three government grants totaled approximately \$143,000, or 77% of total government grant receivables. At June 30, 2018, other grants receivable of approximately \$137,000 were from one donor.

The Coalition maintains cash at reputable financial institutions whose accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to statutory limits. The Coalition's cash balance may, at time, exceed statutory limits. The Coalition has not experienced any losses in such accounts and management considers this to be a normal business risk.

NOTE 7 - RETIREMENT PLAN

The Coalition maintains a 403(b) retirement plan for its employees. Contributions to the plan are based on the employees' gross salaries and employees can make elective contributions to the plan. The costs of this employee benefit plan are charged to expense and totaled \$45,929 for the year ended June 30, 2019 and \$39,414 for the year ended June 30, 2018.

NOTE 8 - LEASES

The Coalition leases property and equipment under operating leases. Rental expense was \$41,843 for the year ended June 30, 2019 (\$17,200 for the year ended June 30, 2018). Future minimum rental payments due for these leases are \$4,478 annually through 2023.

The Coalition shares office services and leases a significant portion of its Nashville, Tennessee office building to five nonprofit organizations that are members of the Coalition, which share common disability-related causes with the Coalition.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

FOR THE YEAR ENDED JUNE 30, 2019

NOTE 1 - BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of Tennessee Disability Coalition and Subsidiary under programs of the federal government for the year ended June 30, 2019. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Coalition, it is not intended to and does not present the consolidated financial position, changes in net assets, or cash flows of the Coalition.

NOTE 2 - SUMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Coalition has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Tennessee Disability Coalition and Subsidiary Nashville, Tennessee

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Tennessee Disability Coalition and Subsidiary (the "Coalition"), which comprise the consolidated statement of financial position as of June 30, 2019, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements and have issued our report thereon dated January 17, 2020.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the consolidated financial statements, we considered the Coalition's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, we do not express an opinion on the effectiveness of the Coalition's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the Coalition's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective or our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

PURPOSE OF THIS REPORT

Myst CPAS PLLC

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE

To the Board of Directors Tennessee Disability Coalition and Subsidiary Nashville, Tennessee

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM

We have audited Tennessee Disability Coalition and Subsidiary's (the "Coalition") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Coalition's major federal programs for the year ended June 30, 2019. The Coalition's major federal program is identified in the summary of auditor's results section of the accompanying *Schedule of Findings and Questioned Costs*.

MANAGEMENT'S RESPONSIBILITY

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on compliance for the Coalition's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Coalition's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Coalition's compliance.

OPINION ON EACH MAJOR FEDERAL PROGRAM

In our opinion, the Coalition complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2019.

REPORT ON INTERNAL CONTROL OVER COMPLIANCE

Management of the Coalition is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Coalition's internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Coalition's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
