Reasonable Cause Explanations

Explanation

At the beginning of this tax period, Personnel Benefits were changed to accommodate an HD/HSA health insurance plan. We did not recognize until work on this filing began, that the change required substantially different documentation requirements than used in previous years: reconstructing the year's transactions in this area took much more time than anticipated. A new system is now in place to keep track of related expenses throughout the year, with monthly reconciling.

First Program Service Accomplishments Description

Description

Nashville churches who made the deliveries, visited the families and offered prayer and encouragement. Many more friends helped with collecting and sorting food into boxes for delivery. We serve households throughout Metropolitan Nashville. This is possible because of the contribution of services by volunteers and supporters in excess of \$20,000 beyond funds spent on program expense. (503 Food Delivery Visits)
