MOVES & GROOVES, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2018 AND DECEMBER 31, 2017

NOTE 1---NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Moves & Grooves, Inc. (“Moves & Grooves”) is a not-for-profit corporation organized in the State of Tennessee on September 26, 2002 with a commitment to enhance the lives of at risk youth and young individuals ranging from ages 5 to 18, living in the Nashville Metropolitan Area. Moves & Grooves provides after school, dance, and summer camp programs that help aid in the ARTS, academics, character, fitness and nutrition of the youth.

Basis of Presentation

The financial statements have been prepared on the accrual basis of accounting and accordingly revenue is recognized when earned, support and promises to give are recognized when received and expenses are recorded when incurred.

The financial statement presentation follows the recommendations of the Financial Accounting Standard Board’s Accounting Standard Codification 958 (FASB ASC 958) financial statements of not-for-profit Organizations. Under FASB ASC 958, Moves & Grooves is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Financial position and activities are classified based on the existence or absence of donor restrictions as follows:

Net Assets without donor restrictions — Net assets that are not restricted by purpose or time either temporarily or perpetually by explicit donor stipulations or by law. Board designation does not constitute a donor restriction.

Net Assets with donor restrictions — Net assets that are restricted by purpose or time either temporarily or perpetually by explicit donor stipulations or by law. .

As of December 31, 2018 and December 31, 2017, Moves & Grooves had no net assets with donor restrictions.

Income Taxes

Moves and Grooves is qualified as a tax-exempt organization as defined under Section 501(c) (3) of the Internal Revenue Code. Accordingly, no provisions for income taxes are applicable.

NOTE 1---NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Expenses

Management allocates expenses on a functional basis among its various programs including support services. Expenses and support services that can be identified with a specific program are allocated directly to their natural expenditure classification. Other expenses that are common to several programs are allocated based on various relationships.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held in checking and savings accounts. At year-end and throughout the year, the Moves & Grooves cash balances were deposited in two banks.

Accounts/Grants Receivable

Moves & Grooves records accounts receivable and grants receivable at their estimated net realizable value and consist primarily of fee-based revenues earned and billed to clients but not yet paid. An allowance for doubtful accounts is recorded based upon management's estimate of uncollectible accounts determined by analysis of specific balances and a general reserve based upon aging of outstanding balances. Past due balances are charged against the allowance when they are determined to be uncollectible.

Revenue, Support, and Expenses

Contributions and grants received are recorded as with donor restrictions or without donor restrictions, depending on the existence and/or nature of any donor restrictions.

All donor-restricted contributions and grants are reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), restricted net assets are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Expenses are recorded when incurred in accordance with the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising Costs

Moves & Grooves incurred and recorded advertising expense during the fiscal year 2018 to announce program activities available and to make the public aware of its programs. None of the expense is considered direct-response advertising costs.
