## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
Oasis Center, Inc. and Affiliate  
Nashville, Tennessee

### **Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of Oasis Center, Inc. and Affiliate (a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2014 and 2013, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Oasis Center, Inc. and Affiliate as of June 30, 2014 and 2013, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Other Matters***

#### ***Other Information***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis, and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated November 25, 2014, on our consideration of Oasis Center Inc. and Affiliate's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Oasis Center Inc. and Affiliate's internal control over financial reporting and compliance.

**General**

Oasis Center, Inc. (the “Center”) is a nonprofit organization that provides comprehensive youth services, including an emergency shelter, counseling, independent living, employment training, and other educational opportunities for teens in Middle Tennessee. The Center is funded by government grants, United Way, private donations, and fees for service.

The Center owns a membership interest in Neuroclarity, LLC. Neuroclarity, LLC was formed in 2012 for the purpose of providing neurofeedback therapy services. Neuroclarity, LLC operates as a single-member, nonprofit limited liability company wholly owned by the Center.

The following program services are provided by the Center:

*Residential and Crisis Services* – provide immediate response to youth in crisis, have run away, or are experiencing homelessness. These services include an Emergency Shelter for youth ages 13 – 17 years old, Project Safe Place, Transitional Living for youth ages 18 – 22 years old, and Street Outreach and Drop In Center for homeless youth ages 18 – 22 years old.

*Youth Engagement Services* – engage youth and focuses primarily on the development of individual identities and group connections. The strategies for this work are service and service learning as tools to build relationships. These services include the Teen Outreach program, R.E.A.L., and the Oasis Bike Workshop.

*Youth Action Services* – help youth develop life skills and work on systemic issues they deem critical to their lives and to other youth in the community. Youth take responsibility for creating change on these issues. Youth Action Services include Oasis Youth Council, Community Nashville’s Building Bridges, Just Us, and the Mayor’s Youth Council.

*Counseling Services* – family, individual and group counseling designed to bring hope and healing for teens and families; build stronger, healthier relationships; discover personal strengths and resources; and find solutions that nurture ongoing positive growth. These services include counseling, community education and therapeutic groups.

*College Connection* – a 100% mobile college counseling program providing admissions and financial aid expertise, college resources, and assistance to students to find their most appropriate “fit” in order to be successful.

*Career-Focused Transition Initiative* – as one of five national sites to pilot this workforce development initiative, the Center’s Right Turn program provides youth age 14-18 that are involved with the juvenile justice system, individualized education, training and workforce development opportunities by engaging them in a three-phase career development process that includes self-exploration, career exploration, career planning and management.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)**  
**June 30, 2014 and 2013**

**NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**  
**(Continued)**

**Principles of Consolidation**

The consolidated financial statements include the accounts of the Oasis Center, Inc. and Neuroclarity, LLC (collectively the “Center”). All significant inter-entity transactions and balances have been eliminated in consolidation.

**Basis of Presentation**

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Center and changes therein are classified and reported as follows:

**Unrestricted net assets** – Net assets that are not subject to donor-imposed stipulations.

**Temporarily restricted net assets** – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Center and/or the passage of time.

**Permanently restricted net assets** – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Center. Generally, donors of these assets may permit the Center to use all or part of the income earned for general or specific purposes. The Center currently has no permanently restricted net assets.

**Cash and Cash Equivalents**

For purposes of the statements of cash flows, the Center considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

**Unconditional Promises to Give**

Contributions are recognized when the donor makes a promise to give to the Center that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in temporarily restricted net assets. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

The Center uses the allowance method to determine uncollectible unconditional promises to give. The allowance is based on prior years’ experience and management’s analysis of specific promises made.

**NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**  
**(Continued)**

**Land, Building and Equipment**

Land, building and equipment are recorded at cost at the date of purchase or fair market value at the date of donation. Depreciation of building and equipment is provided over the estimated useful lives of the respective assets (ranging from three to thirty years) on a straight-line basis. The Center generally capitalizes an asset if its life is estimated to be one year or greater and the cost is \$500 or greater.

**Donated Goods and Services**

The value of donated goods and services meeting the criteria for recognition are recorded as in-kind contributions, with the corresponding expenses recorded, when the fair values of the goods and services are available.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Income Taxes**

The Center is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code and is not a private foundation. Therefore, no provision for income taxes has been made in the accompanying consolidated financial statements.

The Center follows Financial Accounting Standards Board Accounting Standards Codification guidance that clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. The Center has no tax penalties or interest reported in the accompanying consolidated financial statements. Tax years that remain open for examination include the years ended June 30, 2011 through June 30, 2014.

In March 2012, the Center entered into a line of credit agreement with a bank that provides for maximum borrowings of \$500,000. The line of credit requires interest at a percentage rate calculated annually, not to be less than 4.25%, payable monthly, with the outstanding principal amount due at maturity. The Center had no outstanding borrowings under this agreement at June 30, 2014 or 2013. The line is secured by certain real property. The agreement matures April 2016.

**NOTE 8 – CONCENTRATIONS**

The Center receives a substantial amount of its support from government grants and United Way. A significant reduction in the level of this support, if this were to occur, may have an adverse effect on the Center's programs and activities. In addition, the funding received by the Center from governmental agencies is subject to audit and retroactive adjustment.

The Center may at times have cash amounts at financial institutions in excess of the amount insured by the Federal Deposit Insurance Corporation. The Center has not experienced any losses in such accounts.

**NOTE 9 – EMPLOYEE BENEFIT PLAN**

The Center has a 401(k) retirement plan for administrative employees who have reached age 21 and have been employed for six months. **NOTE 10 – CAPITAL CAMPAIGN**

In April 2007, the Center joined together with STARS Nashville (“STARS”) (a nonprofit entity) for a capital campaign to create the Nashville Youth Opportunity Center (“NYOC”). Contributions received were used to renovate a building at 1700 Charlotte Avenue. The building houses a variety of youth organizations that serve young people facing challenges throughout Middle Tennessee through a continuum of programs offered by the youth organizations. At June 30, 2014 and 2013, the Center has \$79,898 and \$235,223, respectively, in net capital campaign pledges receivable designated for NYOC. At June 30, 2014, the NYOC had a capitalized cost of \$5,093,912. The building is a condominium, with ownership held individually by the Center and STARS. The Center and STARS have their offices in the building and lease space to other youth oriented nonprofit organizations. All contributions for the project are being directed to the Center. The Center contributed to STARS from capital contributions received, its portion of the acquisition cost. At June 30, 2014 and 2013, the Center had recorded a payable related to contributions received on behalf of NYOC for STARS of \$75,407 and \$98,769, respectively, related to contributions solicited and recorded related to the joint capital campaign. This amount represents forty percent of joint contributions received. During 2014 and 2013, \$47,109 and \$69,809, respectively, was transferred to STARS in cash for payment of joint building expenditures.

**NOTE 11 – SUBSEQUENT EVENT**

Subsequent to June 30, 2014, the Center entered into a sales contract for \$1.9 million for the sale of real property currently operated as a shelter. The real property has a depreciated value of approximately \$317,000 at June 30, 2014. The sale is scheduled to close January 2015.

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS**

**NOTE 1 - BASIS OF ACCOUNTING**

This schedule of expenditures of federal awards includes the federal grant activity of Oasis Center, Inc. and Affiliate and is presented in accordance with accounting principles generally accepted in the United States of America, which is the same basis of accounting as the basic financial statements. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of  
Oasis Center, Inc. and Affiliate  
Nashville, Tennessee

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Oasis Center, Inc. and Affiliate (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2014, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 25, 2014.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Oasis Center, Inc. and Affiliate's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Oasis Center, Inc. and Affiliate's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as 2014-1 that we consider to be significant deficiencies.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Oasis Center, Inc. and Affiliate's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Oasis Center, Inc. and Affiliate's Response to Findings**

Oasis Center, Inc. and Affiliate's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Oasis Center Inc. and Affiliate's response was not subjected to the auditing procedures applied in the audit of the consolidated financial statements and, accordingly, we express no opinion on it.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR  
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB  
CIRCULAR A-133**

To the Board of Directors of  
Oasis Center, Inc. and Affiliate  
Nashville, Tennessee

**Report on Compliance for Each Major Federal Program**

We have audited Oasis Center, Inc. and Affiliate's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Oasis Center, Inc. and Affiliate's major federal programs for the year ended June 30, 2014. Oasis Center, Inc. and Affiliate's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of Oasis Center, Inc. and Affiliate's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Oasis Center, Inc. and Affiliate's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Oasis Center Inc. and Affiliate's compliance.

### ***Opinion on Each Major Federal Program***

In our opinion, Oasis Center, Inc. and Affiliate complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

### **Report on Internal Control Over Compliance**

Management of Oasis Center, Inc. and Affiliate is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Oasis Center Inc. and Affiliate's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Oasis Center Inc. and Affiliate's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

**OASIS CENTER, INC. AND AFFILIATE**  
**SCHEDULE OF FINDINGS AND QUESTIONED COSTS (Continued)**  
**For the Year Ended June 30, 2014**

**FINDINGS – FINANCIAL STATEMENTS AUDIT**

**2014-1 Statement of Condition:** The Committee of Sponsoring Organizations (“COSO”) framework for effective internal control over financial reporting involves the identification and analysis of the risks of material misstatement to the Organization’s audited financial statements. While the Center has an effective accounting department, the Center currently does not have a certified public accountant or individual with similar experience on staff to interpret generally accepted accounting principles (“GAAP”) and identify risks of misstatement that might be relevant to the risks of preparation of reliable financial statements, including full disclosures in accordance with GAAP. In addition, audit adjusting entries were required during the audit.

**Effect of Condition:** The Center currently relies on its independent auditor to assist in making final adjustments to its internal accounting records and prepare its audited financial statements with full disclosures in accordance with generally accepted accounting principles.

**Auditor’s Recommendation:** We recommend that management continue to evaluate the cost/benefit of engaging the resources in house to interpret GAAP and prepare its financial statements including disclosures. We also recommend that the year-end closing process be enhanced to eliminate the need for audit adjusting entries.

**Grantee Response:** We concur with the finding and will continue to evaluate the cost/benefit to the organization of engaging personnel with the expertise to prepare financial statements including all disclosures required by GAAP..
