INDEPENDENT AUDITOR'S REPORT

Board of Directors Progress, Inc. 319 Ezell Pike Nashville, Tennessee

We have audited the accompanying statements of financial position of Progress, Inc. (a nonprofit organization) as of June 30, 2006 and 2005, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of Progress, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Progress, Inc. as of June 30, 2006 and 2005, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated November 1, 2006, on our consideration of Progress, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audits.

Note 1 - <u>Summary of significant accounting policies</u>

Nature of activities

Progress, Inc. is a community organization committed to providing opportunities in supported and independent living through group home and residential settings, community-based employment, and developmental services to persons who have mental retardation or other disabilities. This is accomplished through securing all indicated resources and ensuring their effective use for the individuals the organization serves. The organization is further committed to serving as a vehicle for communicating the desires and needs of the persons it serves and to enhance the image of those persons in the community.

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Progress, Inc. and the changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed restrictions.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the organization and/or passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - Net assets subject to donor-imposed stipulation that they be maintained permanently by the organization. Generally, the donors of these assets permit the organization to use all or part of the income earned on any related investments for general or specific purposes.

Revenue

Progress, Inc. receives substantially all of its grant/contract revenue from State agencies. Revenue is recognized over the grant/contract period based on expenses. Any of the funding sources may request the return of funds as a result of non-compliance with the terms of the grants/contracts. All other revenue and support is recognized when earned.

Note 1 - <u>Summary of significant accounting policies</u> (continued)

Contributions

The Organization uses the provisions of Statement of Financial Accounting Standards (SFAS) No. 116, "Accounting for Contributions Received and Contributions Made," in accounting for contributions received. In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Temporarily restricted assets at June 30, 2006 and 2005 are time restricted and will be reclassified to unrestricted net assets upon expiration of the time restriction.

Financial statement presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Promises to give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Use of estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentration

The Organization receives support from several state agencies which represents approximately 96% of total support and revenue. This support was provided by the following agencies: 93% from the Tennessee Department of Mental Health and Mental Retardation and 3% from the Tennessee Department of Finance and Administration.

Note 1 - Summary of significant accounting policies (continued)

Property and equipment

Purchased property and equipment are recorded at cost. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the asset for a specific time or purpose. Upon expiration of donor restrictions the assets are reclassified as unrestricted assets. Depreciation on purchased and donated assets is computed using the straight-line method based on the estimated useful lives of the respective assets. Upon retirement of an asset, the cost and related accumulated depreciation are removed from the accounts and the related gain or loss is reflected in the statement of activities for that period. However, State funding sources may maintain an equitable interest in the property purchased with grant monies as well as the right to their percentage of interest in the proceeds from the sale of those assets. For the years ending June 30, 2006 and 2005, depreciation expense was \$137,710 and \$134,945, respectively.

The cost of routine repairs and maintenance is charged to expense when incurred, with significant improvements or betterments being capitalized. It is the policy of Progress, Inc. to capitalize all assets purchased with a cost of \$500 or more.

Accounts receivable and allowance for doubtful accounts

It is the policy of Progress, Inc. to record accounts receivable when the amount becomes known. Management considers all receivables as of June 30, 2006 and 2005 to be fully collectible; accordingly, no allowance for doubtful accounts is required.

Accounts receivable-state agencies - Amounts represent a request for reimbursement for expenses incurred under federal and state grant awards.

Accounts receivable-residents - Amounts represent expenses paid by Progress, Inc. on behalf of residents.

Accounts receivable-other - Amounts represent contracted receivables from various agencies and companies for client services.

In-kind donations

It is the policy of Progress, Inc. to record as support and expense all in-kind donations at their estimated fair value as of the date of donation. There were no in-kind donations received by the Organization during the years ended June 30, 2006 or 2005.

Note 1 - <u>Summary of significant accounting policies</u> (continued)

Income taxes

Progress, Inc. qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes is reflected in the financial statements. In addition, Progress, Inc. has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code.

Cash and cash equivalents

For the purpose of the statement of cash flows, the Organization considers all cash and other highly liquid investments with original maturities of three months or less to be cash and cash equivalents.

Fair value of financial instruments

The following methods and assumptions were used by the Organization in estimating its fair value disclosures for financial instruments:

Cash, receivables and payables: The carrying amounts reported in the statement of financial position approximate fair value because of their short maturities.

Long-term debt: Based on current borrowing rates, the carrying amount approximates the fair value of installment notes and bond payables at June 30, 2006 and 2005.

Investment securities: The fair value is based on quoted market prices (See Note 4) for those securities.

The estimated fair value of Progress, Inc.'s financial instruments, none of which are held for trading purposes, are as follows:

Note 3 - <u>Commitments</u>

The Organization entered into a lease for real property with the State of Tennessee during the year ended June 30, 1997, which will expire in the year 2026. There are no minimum fixed lease payments under the lease, but all improvements to the property will be surrendered to the lessor at the expiration of the lease, at the lessor's option.

Progress, Inc. entered into two leases for the use of office equipment at its administrative office. The first lease started on March 10, 2005, expires February 10, 2009 and has a fixed monthly payment of \$128. The other lease started on July 1, 2005, expires September 1, 2009 and has a fixed monthly payment of \$1,026.

Progress, Inc. entered into two leases for use of office equipment at one of its outside offices. Both of these leases began on November 13, 2003, both expire on December 13, 2006 and both have a fixed monthly payment of \$81.

Progress, Inc. entered into a lease for use of office equipment at one of its outside offices. This lease began on November 11, 2005, expires on October 11, 2008 and has a fixed monthly payment of \$99.

Note 3 - Commitments (continued)

The Organization also has lease commitments for the use of two vans. One van's lease required an initial payment of \$1,491 on November 9, 2001, followed by 60 monthly payments of \$620 through October 9, 2007. Progress, Inc. must also pay \$.22 per mile for each mile over 15,000 logged per year of this van's lease. The other van's lease required an initial payment of \$1,478 on April 5, 2003, followed by 60 monthly payments of \$739 through March 5, 2008. An additional fee per mile is also required for each mile over 9,000 under this van's lease.

Future minimum rental payments required are as follows:

Note 9 - Promises to give

The Organization has received all outstanding conditional promises to give at June 30, 2006 and 2005 and is not scheduled to receive any further promises to give in the coming years.

Note 10 - Bonded debt and restricted funds

On July 1, 1998, Progress, Inc. entered into a loan agreement with the Health and Educational Facilities Board of the Metropolitan Government of Nashville and Davidson County, Tennessee (Issuer). The loan agreement provided for the Issuer to issue variable rate bonds in the amount of \$1.650,000. From the proceeds, \$339,855 was used to pay off three revolving lines of credit, including interest, for the construction of group homes in Cheatham County on July 15, 1998. The remaining amount was to be used to finance the construction of a new administrative campus and day center. These funds are kept in a separate deposit account and are invested in U.S. Government Obligations.

The Series 1998 bonds consist of \$1,600,000 aggregate principal amount of current interest bonds maturing on July 1, 2000 through July 1, 2018. The bonds bear interest at a variable rate determined by market conditions.

A debt service schedule for the bonds at June 30, 2006, showing approximate interest amounts subject to change, is as follows:

Date Due	Principal Due	Approximate Interest Rate	Interest Due	Total Due
July 1, 2006	\$ 75,000.00	4.25%	\$ 38,350.34	\$ 113,350.34

	\$ 890,000.0 <u>0</u>		\$223,423.03	\$1,113,423.03

Note 10 - Bonded debt and restricted funds - (continued)

During June 30, 2006, the Organization paid \$70,000 in bond principal and \$26,242 in bond interest (\$70,000 and \$17.192, respectively, at June 30, 2005). The seventh principal payment of \$70,000 was made in July 2005 and a principal payment of \$70,000 was made in July 2006.

Progress, Inc. incurred \$114,749 in bond issue costs which are to be amortized over the twenty-year term of the bonds, including a \$12,675 rebatable arbitrage amount paid in April, 2004. The amount of bond cost amortization for the year ended June 30, 2006 was \$5,738 (\$5,737 at June 30, 2005), yielding a net bond issue cost of \$68,849 (\$74,587 at June 30, 2005).

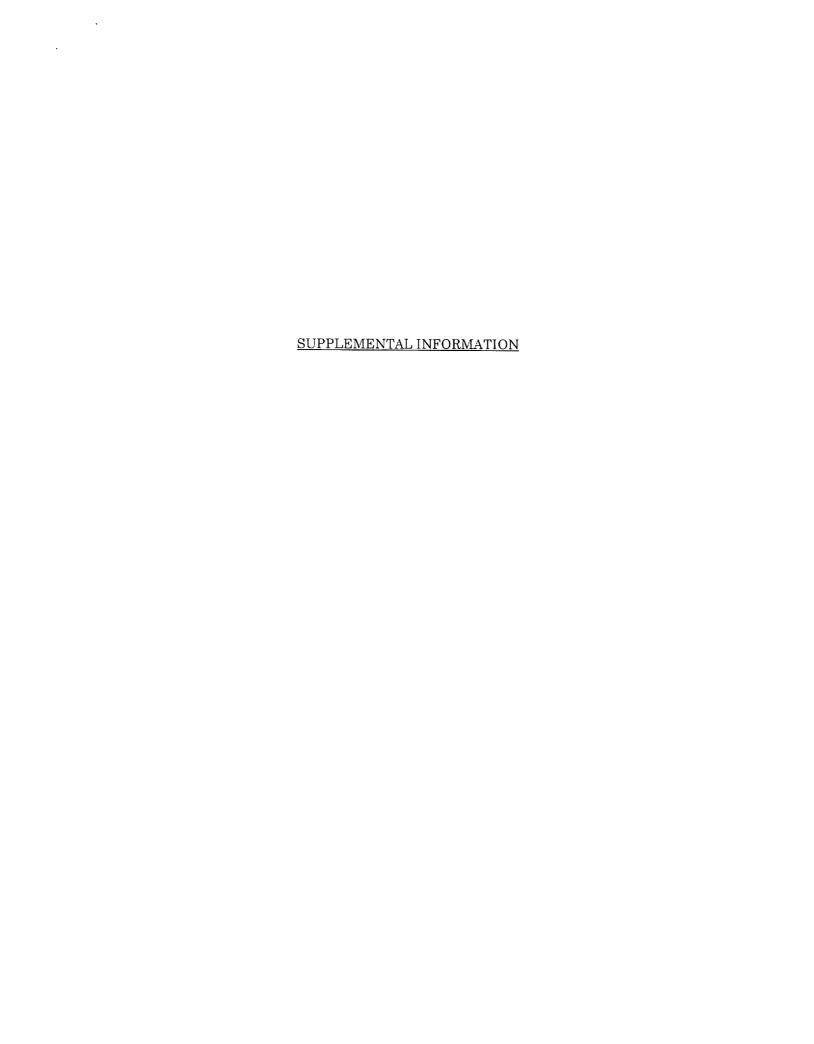

The resolutions under which the Revenue Bonds, Series 1998 were issued provide, among other things, the following:

- 1. A Trust Fund shall be established, including an Interest Reserve Account and a Redemption Account, containing money and securities held in trust by a Trustee and subject to a lien and charge in favor of the Bond holders. Monies in these accounts shall only be used for the payment of principal and interest on the bonds when due.
- 2. A Construction Fund shall be established in the custody of the Trustee into which the bond proceeds are to be deposited. The Trustee is authorized and directed to make disbursements as necessary to meet loan obligations or expenses in connection with the acquisition, construction, and equipping of the new administrative and day services campus or to refinance certain outstanding indebtedness in connection with supported living residences for physically disabled and/or mentally retarded persons.
- 3. A bank shall issue a Letter of Credit in favor of the Trustee, to the account of Progress. Inc., obligating the bank to pay the Trustee specified amounts for bond principal and interest. Progress, Inc. shall agree to reimburse the bank for all amounts drawn by the Trustee under the Letter of Credit, including interest on such amounts, and to pay the bank certain fees in connection with the Letter of Credit issuance. As security for its reimbursement obligations, Progress, Inc. shall grant a security interest in (a) the new administrative campus.

Under the bond agreement, Progress, Inc. covenants that all property which is to be financed or refinanced with bond proceeds will be owned at all times while any of the bonds are outstanding. During the fiscal year ending June 30, 2004, Progress, Inc. received a waiver from the lender to sell the Cheatham County residential properties, which were refinanced with bond proceeds.

Note 10 - <u>Bonded debt and restricted funds</u> - (continued)

Progress, Inc. was in violation of the bond loan agreement covenants that state that it will not make, or permit, any use of the bond proceeds which will cause the bonds to be arbitrage bonds within the meaning of Internal Revenue Code Section 148. The bonds were determined to be arbitrage bonds and Progress, Inc. paid the applicable rebatable arbitrage amount to the U.S. Treasury during the fiscal year ending June 30, 2004.

PROGRESS, INC.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed In Accordance with Government Auditing Standards

To the Board of Directors Progress, Inc. 319 Ezell Pike Nashville, Tennessee

We have audited the financial statements of Progress, Inc. (a nonprofit organization) as of and for the year ended June 30, 2006, and have issued our report thereon dated November 1, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Progress, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Progress, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

However, we noted other matters involving the internal control over financial reporting, which we have reported to the management of Progress, Inc. in a separate letter dated November 1, 2006.

This report is intended solely for the information and use of the financial committee, management, Board of Directors, and contract awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.
