Description

community at once. Last year, we made 218 deliveries of food to households representing 518 individuals, some half of whom were minors (under 18) or seniors (65+) - including 140 children age 12 and under. In over half of the visits, prayer or spiritual encouragement took place. This was accomplished through the efforts of volunteers from Nashville churches who made the deliveries, visited families and offered prayer and encouragement. Many more friends helped with collecting and sorting food into boxes for delivery. We served households throughout Metropolitan Nashville. The contribution of services by volunteers has a value in the range of \$9,000, in addition to cash funds spent on program expenses, and is included in expenses designated here. Grants are comprised of cash needs for cients at opportune times - including auto fuel, phone service, shoes, bus passes, rent.
