## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of Nashville Civic Design Center Nashville, Tennessee

We have audited the accompanying financial statements of Nashville Civic Design Center (a nonprofit organization), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nashville Civic Design Center as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

## **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Description of Business and Nature of Activities**

Nashville Civic Design Center (the "Organization") is a non-profit organization founded in 2000 and located in Nashville, Tennessee. The Organization is dedicated to elevating the quality of Nashville's built environment and promoting public participation in the creation of a more beautiful and functional city for all. The Organization also provides a central source of technical advice for the design of livable, vital urban spaces in Nashville and serves as a community resource for education and advocacy of these issues. The Organization's biggest project to date is the creation of the *Plan of Nashville*, a community-based, fifty-year vision for the city of Nashville.

### **Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

<u>Unrestricted net assets</u> – Net assets that are not subject to donor-imposed stipulations.

<u>Temporarily restricted net assets</u> – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time.

<u>Permanently restricted net assets</u> – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. There were no permanently restricted net assets at June 30, 2016 and 2015.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as unrestricted.

### **Income Taxes**

The Organization is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and is classified as an organization that is not a private foundation as defined in Section 509(a) of the Internal Revenue Code. Therefore, no provision for federal income taxes is included in the accompanying financial statements.

## **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

#### **Income Taxes** (Continued)

The Organization follows Financial Accounting Standards Board Accounting Standards Codification guidance related to unrecognized tax benefits. The guidance clarifies the accounting for uncertainty in income taxes recognized in an organization's financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. The Organization has no tax penalties or interest reported in the accompanying financial statements. Tax years that remain open for examination include years ended June 30, 2013 through 2016.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of support, revenue and expenses during the reporting period. Actual results could differ from those estimates.

### **Cash and Cash Equivalents**

For purposes of the statements of cash flows, the Organization considers all cash and investment instruments with original maturities of three months or less when purchased to be cash equivalents.

#### Accounts Receivable

Accounts receivable, consisting primarily of amounts due on current projects of the Organization, are considered fully collectible. Accordingly, no allowance for doubtful accounts has been provided.

### **Furniture and Equipment**

Furniture and equipment are recorded at cost or, if donated, at the estimated fair market value at the date of donation. Depreciation is provided utilizing straight-line and accelerated methods over the estimated useful lives of the respective assets (ranging from three to seven years). The Organization's policy is to capitalize any expenditures over \$250 that are capital in nature. Expenditures for repairs and maintenance are charged to expense as incurred.

## **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

## Advertising

Advertising costs are charged to expense as incurred. Advertising expense totaled \$14,403 and \$13,819 for the years ended June 30, 2016 and 2015, respectively.

### **In-Kind Contributions**

In-kind contributions are reflected in the financial statements at the fair value of the services received. The contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

### **Functional Allocation of Expenses**

The costs of providing program and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services based upon the estimates of management.

### Subsequent Events

The Organization evaluated subsequent events through November 14, 2016 when these financial statements were available to be issued. Management is not aware of any significant events that occurred subsequent to the statement of financial position date but prior to the filing of this report that would have a material impact on the financial statements.
