

December 7, 2017

To the Board of Directors Nations Ministry Center

We have audited the financial statements of Nations Ministry Center for the year ended June 30, 2017, and have issued our report thereon dated December 7, 2017. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated August 14, 2017. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Nations Ministry Center are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users..

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. The attached schedule summarizes uncorrected misstatements of the financial statements. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated December 7, 2017.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Board of Directors of Nations Ministry Center and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Edmondson, Betzler & Dame, PLLC

December 7, 2017

To the Board of Directors and Management Nations Ministry Center

In planning and performing our audit of the financial statements of Nations Ministry Center as of and for the year ended June 30, 2017, in accordance with auditing standards generally accepted in the United States of America, we considered Nation Ministry Center's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Directors, and others within the Organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

Smondow, Betyler & Wame, PLLC.

Edmondson, Betzler & Dame, PLLC

INDEPENDENT AUDITORS' REPORT

To the Board of Directors Nations Ministry Center

Report on the Financial Statements

We have audited the accompanying financial statements of Nations Ministry Center (the "Organization"), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nations Ministry Center as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NATIONS MINISTRY CENTER NOTES TO FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Nations Ministry Center's (the "Organization") purpose is to help refugee families become generationally self-sufficient through job coaching and training, education opportunity including summer reading programs and after-school literacy development, and family social services including immigration assistance.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. Cash and cash equivalents during the year may exceed Federal Deposit Insurance Corporation ("FDIC") limits.

Receivables

Pledges receivable are stated at the amount the Organization expects to collect from outstanding balances. The Organization provides for estimated uncollectible receivables through bad debt expense and a credit to an allowance based on its assessment of the current status of individual accounts and historical write-off experience. Balances that are still outstanding after the Organization has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to pledges receivable. No allowance was considered necessary at June 30, 2017.

Property and Equipment

Property and equipment are reported at cost and include improvements that significantly add to utility or extend useful lives and exceed \$1,000. Costs of maintenance and repairs are charged to expense as incurred. Assets are depreciated using a straight-line basis to allocate cost over their estimated useful lives of 5-7 years for vehicles, furniture and equipment and over 15 - 27.5 years for buildings and improvements. When depreciable assets are disposed of, the cost and related accumulated depreciation are removed from the accounts, and any gain (except on trade-in) or loss is included in income for the period. A gain on trade-in is applied to reduce the cost of the new acquisition.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

<u>Unrestricted net assets</u> – Net assets which are not subject to donor-imposed stipulations.

NATIONS MINISTRY CENTER NOTES TO FINANCIAL STATEMENTS (CONTINUED) YEAR ENDED JUNE 30, 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Presentation (continued)

<u>Temporarily restricted net assets</u> – Net assets which are subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

<u>Permanently restricted net assets</u> – Net assets which are subject to donor-imposed stipulations that they be maintained permanently. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. The Organization had no permanently restricted net assets as of June 30, 2017.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction.

Donated Services

Contributions of donated material that are usable for program services, fundraising, and support of management and general functions are recorded at their fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and which would typically need to be purchased if not donated, are recorded at their fair values in the period received.

The fair value of donated volunteer services is not reflected in the accompanying financial statements since it is not practical to objectively determine the fair value of services received. However, management estimates that a substantial number of volunteers have donated significant amounts of their time.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions affecting the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NATIONS MINISTRY CENTER NOTES TO FINANCIAL STATEMENTS (CONTINUED) YEAR ENDED JUNE 30, 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Tax

The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income tax has been made in the accompanying financial statements.

The Organization has adopted ASC Topic 740-10, *Accounting for Uncertainty in Income Taxes*, which prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, including the position that the Organization continues to qualify to be treated as a tax-exempt entity for both federal and state income tax purposes. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. For the year ended June 30, 2017, the Organization has no material uncertain tax positions to be accounted for in the financial statements under these rules. The Organization has exempt organization tax filings open to Internal Revenue Service audit, generally, for three years after they are filed.

Concentrations of Credit Risk

The Organization maintains a bank account at one financial institution. The balance, at times, may exceed federally insured limits. The Organization has not experienced any losses in the account. Management believes the Organization is not exposed to any significant credit risk related to cash.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited, as determined by management.

Events Occurring After Reporting Date

The Organization has evaluated events and transactions that occurred after June 30, 2017, through the date of the issued financial statements. During the period there were no material recognizable subsequent events that required recognition in the disclosures to the June 30, 2017 financial statements.

NATIONS MINISTRY CENTER NOTES TO FINANCIAL STATEMENTS (CONTINUED) YEAR ENDED JUNE 30, 2017

NOTE 2 - PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost. Depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis. Property and equipment at June 30, 2017, is as follows:

Building	\$ 203,034
Land	91,218
Vehicles	45,510
	339,762
Less: accumulated depreciation	(23,374)
	\$ 316,388

NOTE 3 - NOTE PAYABLE TO RELATED PARTY

The Organization has a note payable to a related party with principal due at maturity, which is April 2022. The note bears interest at 4% with monthly interest payments of \$965. The note is secured by real estate of the Organization. The balance as of June 30, 2017 was \$289,402.

Interest expense for the year ended June 30, 2017 totaled \$1,929.

NOTE 4 - DONATED FACILITIES

Donated facilities ("in-kind" contributions) included in the statement of activities are as follows:

Contributions in-kind Rent	\$	19,800
Total contributions in-kind		19,800
Expenses Functional expenses: Program services	:	19,800
Total expenses in-kind		19,800
Increase in net assets	\$_
