#### **Report of Independent Auditor**

The Board of Directors
Easter Seals Tennessee, Inc.
Nashville, Tennessee

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Easter Seals Tennessee, Inc. (a nonprofit organization), which comprise the statements of financial position as of August 31, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Easter Seals Tennessee, Inc. as of August 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Changes in Financial Statement Presentation**

As discussed in Note 1, Easter Seals Tennessee, Inc. adopted Accounting Standards Update ("ASU") 2016-14, *Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements for Not-for-Profit Entities.* The ASU has been applied retrospectively to all periods presented. Our opinion is not modified with respect to this matter.

#### Other Matters

#### Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

The Roster of Board of Directors and Executive Staff on page 1, which is the responsibility of management, is of a nonaccounting nature and has not been subjected to the auditing procedures applied in the audit of the financial statements. Accordingly, we do not express an opinion or provide any assurance on it.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 30, 2020, on our consideration of Easter Seals Tennessee, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Easter Seals Tennessee, Inc.'s internal control over financial reporting and compliance.

#### NOTES TO THE FINANCIAL STATEMENTS

AUGUST 31, 2019 AND 2018

#### Note 1—Nature of activities and significant accounting policies

Easter Seals Tennessee, Inc. ("Easter Seals") is a not-for-profit entity organized in Nashville, Tennessee in 1923. Easter Seals provides programs and services to children and adults with disabilities throughout Tennessee.

Basis of Presentation – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Easter Seals and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – All revenues, gains, and losses that are not restricted by donors are included in this classification. All expenditures are reported in the net assets without donor restrictions class since the use of restricted contributions in accordance with the donors' stipulations results in the release of the restriction. Net assets without donor restrictions may be designated for specific purposes by action of the board of directors.

Net Assets With Donor Restrictions – Net assets subject to stipulations imposed by donors are included in this classification. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Easter Seals or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Cash and Cash Equivalents – For purposes of the statements of cash flows, Easter Seals considers all cash funds, cash bank accounts, and highly liquid debt instruments with an original maturity when purchased of three months or less to be cash and cash equivalents.

Accounts Receivable – Accounts receivable represent amounts that have been billed under contracts but not collected as of the date of the financial statements. Accounts receivable represent amounts owed by state agencies, insurance companies, and local organizations. Accounts receivable are stated at the amount management expects to be collected from the outstanding balance. At August 31, 2019 and 2018, management has determined, based on historical experience, that all amounts are fully collectible. Accordingly, no allowance for doubtful accounts has been provided.

*Property and Equipment* – Easter Seals generally capitalizes an asset if its life is estimated to be one year or greater and the cost is \$1,000 or greater. Property and equipment are recorded at cost when purchased or at estimated fair value as of the date contributed. Depreciation is provided on the straight-line method over the estimated useful lives of the respective assets.

Functional Allocation of Expenses - The costs of providing program services and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited based upon estimates by management. While most costs have been directly assigned to a functional category, certain personnel costs have been allocated to program and management and general based on time and effort estimates made by management.

Income Taxes – Easter Seals is exempt from federal and state income taxes under section 501(c)(3) of the Internal Revenue Code and is not a private foundation. Accordingly, no provision for income taxes has been made.

#### NOTES TO THE FINANCIAL STATEMENTS

AUGUST 31, 2019 AND 2018

#### Note 1—Nature of activities and significant accounting policies (continued)

Easter Seals follows Financial Accounting Standards Board ("FASB") Accounting Standards Codification guidance that clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. Easter Seals has no tax penalties or interest reported in the accompanying financial statements.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributions – Contributions are recognized when the donor makes a promise to give to Easter Seals that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor restrictions are reported as increases net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Donated Services – The services of volunteer workers are not assigned a value as such services do not generally meet the criteria for recognition. However, Easter Seals uses the services of volunteers in carrying out its program efforts. The donations of professional services are recorded at fair value as gifts-in-kind, if a measurable basis of the value exists. There were no such donations in fiscal year 2019 and 2018.

Subsequent Events – Easter Seals evaluated subsequent events through January 30, 2020, when these financial statements were available to be issued. Management is not aware of any significant events that occurred subsequent to the statement of financial position date but prior to the filing of this report that would have a material impact on the financial statements.

Change in Accounting Principle – In August 2016, the FASB issued Accounting Standards Update ("ASU") 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities. The standard addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The ASU has been applied retrospectively to all periods presented.

Forthcoming Accounting Pronouncements – In May 2014, the FASB issued ASU 2014-09, Revenue from Contracts with Customers. ASU 2014-09 clarifies the principles for recognizing revenue and develops a common revenue standard under U.S. GAAP under which an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. ASU 2014-09 is effective for Easter Seals for the year ending August 31, 2020. Easter Seals is currently evaluating the effect of the implementation of this new standard.

#### NOTES TO THE FINANCIAL STATEMENTS

AUGUST 31, 2019 AND 2018

#### Note 1—Nature of activities and significant accounting policies (continued)

In January 2016, the FASB issued ASU 2016-01, *Recognition and Measurement of Financial Assets and Financial Liabilities.* This guidance revises accounting related to (1) the classification and measurement of investment in equity securities and (2) the presentation of certain fair value changes for financial liabilities measured at fair value. It also amends certain disclosure requirements associated with the fair value of financial instruments. This guidance is effective for the year ending August 31, 2020. Easter Seals is evaluating the impact this guidance may have on its financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases*. This guidance introduces a lessee model that brings substantially all leases on the statements of financial position. This guidance is effective for the year ending August 31, 2022. Easter Seals is evaluating the impact this guidance may have on its financial statements.

In June 2018, FASB issued ASU 2018-08, Not for Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. The guidance in this ASU clarifies the accounting guidance for contributions received and contributions made. The amendments in this ASU will assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, Not-for-Profit Entities, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. This guidance is effective for the year ending August 31, 2020. Easter Seals is evaluating the impact of this ASU on the financial statements.

#### Note 2—Liquidity and availability

Easter Seals regularly monitors liquidity required to meet its operating needs and other contractual commitments. For purposes of analyzing resources available to meet general expenditures over a 12 month period, Easter Seals considers all expenditures related to its ongoing program service activities as well as the conduct of the services undertaken to support those activities to be general expenditures. Financial assets available for general expenditures, that is, without donor restrictions limiting their use within one year of the statement of financial position comprise the following at August 31, 2019:

	 2019	2018		
Financial assets at year-end:				
Cash and cash equivalents	\$ 1,184,324	\$	574,339	
Accounts receivable	739,501		1,321,402	
Total financial assets	1,923,825		1,895,741

Depreciation expense totaled \$145,308 and \$130,832 for the years ended August 31, 2019 and 2018, respectively.

#### Note 5—Beneficial interest in assets at Community Foundation of Middle Tennessee

The Community Foundation of Middle Tennessee (the "Community Foundation") maintains agency investments on behalf of Easter Seals. Under the terms of the agreement, the Community Foundation has variance power and is the legal owner of the investments. However, Easter Seals is the beneficiary of the fund and receives distributions of income, subject to the Community Foundation's spending policy. The investments resulted from unrestricted amounts transferred by Easter Seals to the Community Foundation, in addition to other donor contributions and earnings. Easter Seals has recorded the related asset "beneficial interest in assets at Community Foundation of Middle Tennessee" in the accompanying statements of financial position totaling \$16,960 and \$16,125 at August 31, 2019 and 2018, respectively.

#### NOTES TO THE FINANCIAL STATEMENTS

AUGUST 31, 2019 AND 2018

#### Note 6—Notes payable

Notes payable is comprised of the following at August 31:

2022	3,730
Total principal maturities	50,282
Less current portion	(28,513)
Long-term obligations	\$ 21,769

#### Note 7—Line of credit

At August 31, 2019 and 2018, Easter Seals had available a revolving line of credit with a bank, with interest rates at the bank's index rate plus 1.0%. The current agreement provides for short-term borrowings of up to \$250,000 with interest payable monthly. The line of credit is secured by all assets of Easter Seals, primarily accounts receivable and property. The agreement matures in April 2021. Easter Seals had no outstanding borrowings under this agreement at August 31, 2019 or 2018.

#### NOTES TO THE FINANCIAL STATEMENTS

AUGUST 31, 2019 AND 2018

#### Note 8—Concentration

Easter Seals maintains its cash in bank accounts that at times may exceed federally insured limits. Easter Seals has not experienced any losses in such accounts. Deposits are insured by the Federal Deposit Insurance Corporation up to statutory limits. Management believes Easter Seals is not exposed to any significant credit risk regarding cash balances.

Easter Seals receives a substantial amount of its support from governmental grants and contracts. During fiscal years 2019 and 2018, Easter Seals received approximately 79% of its support and revenue from government grants and contracts. A significant reduction in the level of this support, if this were to occur, could have an adverse impact on Easter Seals' programs and services.

At August 31, 2019 and 2018, Easter Seals had \$406,384 and \$399,674, respectively, due in fees receivable from government entities.

#### Note 9—Employee benefit plan

During 2003, Easter Seals implemented a defined contribution retirement plan for the benefit of all employees. Employees are allowed to make contributions on a pre-tax basis. The plan provides for Easter Seals to make a discretionary contribution to the plan. Total employer contributions for the years ended August 31, 2019 and 2018 were \$3,359 and \$1,835, respectively.

#### Note 10—Lease commitments

Easter Seals leases certain buildings and equipment under noncancelable lease agreements, all of which are considered operating leases. Minimum payments for these lease commitments are as follows:

Year Ending August, 31,	
2020	\$ 124,318
2021	105,362
2022	67,647
2023	36,150
2024	 34,047
	\$ 367,524

Rent expense under all operating leases amounted to \$240,005 and \$243,962 for the years ended August 31, 2019 and 2018, respectively.

#### Note 11—Contingencies

Easter Seals is subject to various claims and legal actions which arise in the ordinary course of business. Easter Seals has professional liability insurance to protect against such claims or legal actions on a claims-made basis. In the opinion of management, the ultimate resolution of any claims will be adequately covered by the insurance and will not have a material adverse effect on Easter Seals' financial position or results of operations.

## NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE

AUGUST 31, 2019

#### Note 1—Basis of presentation

The accompanying schedule of expenditures of federal awards and state financial assistance (the "Schedule") summarizes the expenditures of Easter Seals Tennessee, Inc. under programs of the federal and state government for the year ended August 31, 2019. The Schedule is presented using the accrual basis of accounting. The information in this Schedule is presented in accordance with the requirements of the State of Tennessee Audit Manual for Auditing, Accounting, and Reporting for Local Government Units and Other Organizations.

#### Note 2—Summary of significant accounting policies

Easter Seals Tennessee, Inc. expended indirect costs using a multiple allocation base method and did not elect to use the 10% de minimus cost rate allowed under the Uniform Guidance.

# Report of Independent Auditor on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

The Board of Directors
Easter Seals Tennessee, Inc.
Nashville, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Easter Seals Tennessee, Inc. (a nonprofit organization), which comprise the statement of financial position as of August 31, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 30, 2020.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Easter Seals Tennessee, Inc.'s internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Easter Seals Tennessee, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Easter Seals Tennessee, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Easter Seals Tennessee, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Easter Seals Tennessee, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Easter Seals Tennessee, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
