Independent Auditors' Report

To the Board of Trustees of Tennessee State Museum Foundation Nashville, Tennessee

We have audited the accompanying statement of financial position of the Tennessee State Museum Foundation (the Foundation) as of June 30, 2009, and the related statements of activities and changes in net assets, and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Tennessee State Museum Foundation as of June 30, 2009, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated March 22, 2010, on our consideration of the Tennessee State Museum Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards, and should be read in conjunction with this report in considering the results of our audit.

McKerley and Noonan, P.C. Certified Public Accountants

Note 1 - General

Tennessee State Museum Foundation (the "Foundation") is a Tennessee not-for-profit corporation organized exclusively for charitable, educational and scientific purposes. The Foundation's purpose is to enhance the operations and visibility of the Tennessee State Museum (the "Museum"), a State Government entity. The Foundation receives funding from certain local grants and private contributions, and revenues from membership fees, special fundraiser events and operation of the Tennessee State Museum retail store.

Note 2 – Summary of Significant Accounting Policies

The accompanying financial statements present the financial position and operations of the Foundation in conformity with accounting principles generally accepted in the United States of America. The presentation is limited to the accounts of the Foundation only and does not include any operations of the Museum. A summary of the significant accounting policies utilized in the preparation of these financial statements follows:

Contributions and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a restriction is fulfilled (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted and reported in the Statement of Activities as net assets released from restrictions.

The Foundation reports gifts of equipment or materials as unrestricted support unless explicit donor restrictions specify how the assets must be used. Gifts of long-lived assets with explicit restrictions as to how the assets are to be used, or cash or other assets that must be used to acquire long-lived assets, are reported as restricted support. Expirations of donor restrictions are recognized when the donated or acquired long-lived assets are placed in service.

Cash and Cash Equivalents

Cash and cash equivalents consist principally of checking account balances and money market funds with original maturities when purchased of three months or less.

Promises to Give

Unconditional promises to give that are expected to be collected within one year are recorded as contributions receivable at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discount on those amounts is computed using a risk-free interest rate applicable to the year in which the promise is received. Amortization of the discount is recognized on the interest method over the term of the gift and included in contribution revenue. Conditional promises to give are not included as support until such time as the conditions are substantially met.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments

The Foundation has investments in mutual funds through a brokerage firm. These investments are recorded at fair market value. The Foundation's investments are measured on a recurring basis at fair value at the reporting date using quoted prices in active markets for identical assets (Level 1). At June 30, 2009, the Foundation's investments were valued at \$8,763 and consisted of equity funds.

Inventory

Inventory is reported at the lower of cost (first-in, first-out method) or market.

Furniture and Equipment

Furniture and equipment are stated at acquisition cost or at estimated fair market value at the time of the gift if donated. Depreciation of these assets is calculated by the straight-line method over estimated useful lives of five to seven years.

In-Kind Contributions

Donated facilities and materials are recorded as gifts in the period received at fair value, if there is an objective and measurable basis for determining such value.

Donated services are recognized if they create or enhance non-financial assets or the donated service requires specialized skills, was performed by a donor who possesses such skills, and would have been purchased by the Foundation if not donated. Such services are recognized at fair value as support and expense in the period the services are performed.

A number of unpaid volunteers including staff of the Tennessee State Museum have made significant contributions of their time to assist the Foundation in implementing various programs and exhibits. The value of contributed time is not reflected in these statements since it is not susceptible to objective measurement or valuation.

Program and Supporting Services - Functional Allocation

The following program and supporting services are included in the accompanying financial statements:

<u>Program services</u> - include activities carried out to fulfill the Foundation's mission, resulting in services provided for specific exhibits and auxiliary services to support the Museum.

Supporting services

Management and general - relates to the overall direction of the organization. These expenses are not identifiable with a particular program or event or with fundraising, but are indispensable to the conduct of those activities and are essential to the organization. Specific activities include organization oversight, business management, record keeping, budgeting, financing, and other administrative activities.

<u>Fundraising</u> - includes cost of activities directed toward appeals for financial support, including special events. Other activities include the cost of solicitations and creation and distribution of fundraising materials.

<u>Special events</u> - includes costs directly related to these fundraising events. Costs consist primarily of food, space rental, entertainment, communication, wait staff, lighting, and printing.

Allocation of Functional Expenses

Expenses that can be directly attributed to a particular function are charged to that function. Certain costs have been allocated among more than one program or activity based on objectively evaluated financial and nonfinancial data or reasonable subjective methods determined by management.

Income Taxes

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, the Foundation qualifies for the charitable contribution deduction under Section 170(b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(1).

Effective July 1, 2008, the Foundation adopted the guidance in ASC 740 on accounting for uncertainty in income taxes (formerly FIN 48). There was no effect on beginning net assets as a result of this accounting change. For all tax positions taken by the Foundation, management believes it is clear that the likelihood is greater than 50 percent that the full amount of the tax positions taken will be ultimately realized. With few exceptions, the Foundation is no longer subject to U.S. federal tax examinations by tax authorities for years before 2006. The Foundation incurred no interest or penalties during the year ended June 30, 2009.

Note 3 — Certificates of Deposit

At June 30, 2009, the Foundation held \$\\\^288,000\$ of certificates of deposit with interest rates ranging from 3.10% to 3.37%, with various maturity dates extending to May 2013.

Note 4 - Accounts Receivable

Accounts receivable as of June 30, 2009 represent amounts which management asserts are fully collectable; and therefore, no allowance for bad debt is made.

Note 5 - Grants Receivable

The Organization has several governmental grants. Grants receivable at June 30, 2009 represent amounts due based on the grant contracts. Management believes all amounts are fully collectible.

Note 6 - Furniture and Equipment

Furniture and equipment consisted of the following as of June 30, 2009:

<i>!</i>	2009
Computer and related equipment	\$15,553
Furniture and fixtures	2,775
Office Equipment	1,690
	20,018
Less: accumulated depreciation	(19,368)
	\$ 650

Depreciation expense amounted to \$384 for the year ended June 30, 2009.

Note 7 - Agreement with State of Tennessee

The Foundation has an agreement with the State of Tennessee for the use of certain space in the James K. Polk Cultural Center for the Foundation's business office. The Foundation pays no rent or other charges for the use of this space. In addition, the Foundation operates a retail store in the Museum. The revenue generated, the related costs of sales, and the ending inventory of the retail store are reflected in the financial statements of the Foundation.

Note 8 - Restricted Net Assets

Temporarily restricted net assets consisted of donations for the following specific exhibits or programs at June 30, 2009:

	2009
Story Baskets	\$ 1,080
Conservation Fund	6,761
Bridgestone Painting	1,392
Cracker Barrel Quilt Fund	3,375
Artifact	278
Bellsouth Sculpture	6,410
Photo Fund	9,461
George Kip Keel	1,435
Marty Stuart Traveling Exhibit	50,126
Plein Air Painting	3,522
Bagels and Barbeque	2,135
Julian Nichol	6,452
Carousel Revenue	265,655
Confederate Flag Conservation	14,722

Note 8 - Restricted Net Assets (cont.)

Guider Traveling Show	1,205
Public Programs	1,253
Hoofbeats	2,565
Teachers Workshop	4,546
Flag Conservation	4,007
John Guider River Show	1,311
Jack Stoddart	3,900
New Museum	13,550
NEH Website Grant	24,349
NEH Traveling Trunks Grant	49,834
Other	1,416
	\$ 480,740

Permanently restricted net assets consisted of the following endowment fund at June 30, 2009:

	2009
Shelia Green Memorial Fund	\$ 10,405

Note 9 – Federal Grants

The Organization is owed \$79,513 from two federal governmental grants with the National Endowment for the Humanities.

Note 10 - Special Events

The Foundation held several special fundraising events during the year ended June 30, 2009. The related revenues and costs were as follows for the year ended June 30, 2009:

	Revenues	Expenses
Special events	\$185,460	\$85,193

Note 11 - Concentration of Risk

Cash and investments are maintained with financial institutions whose accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor as of June 30, 2009. At times, the deposits may exceed the insurance limits.

The Foundation also maintains money market funds at a brokerage and investment company. The investments are insured by the Securities Investor Protection Corporation (SPIC), which covers investor losses, in some cases, attributable to bankruptcy or fraudulent practices of brokerage firms, up to \$500,000. The amount on deposit at June 30, 2009, did not exceed the insurance limits of the Securities Investor Protection Corporation.

Note 12- Subsequent Events

Subsequent events have been evaluated through the financial statement issuance date of March 22, 2010.

Report on Compliance and on Internal Control over Financial Reporting Based on an Audit of Financial Statements Performed In Accordance with Government Auditing Standards

To the Board of Directors of Tennessee State Museum Foundation

We have audited the financial statements of Tennessee State Museum Foundation (a nonprofit organization) as of and for the year ended June 30, 2009, and have issued our report thereon dated March 22, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Tennessee State Museum Foundation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Foundation's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is a more than a remote likelihood that a misstatement of the Foundation's financial statements that is more than inconsequential will not be prevented or detected by the Foundation's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Foundation's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We consider the following deficiency in the Foundation's internal control to be a material weakness:

Management Oversight of Financial Reporting

The Foundation has chosen not to appoint a qualified individual with significant accounting skills to oversee the preparation of the financial statements in accordance with generally accepted accounting principles. As a result, material adjustments were required

to be made to the financial statements in order for them to be in conformity with generally accepted accounting principles.

Compliance

As part of obtaining reasonable assurance about whether Tennessee State Museum Foundation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of management and the Board of Directors and is not intended to be and should not be used by anyone other than these specified parties.

McKerley & Noonan, P.C.
