INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Renewal House, Inc.
Nashville, Tennessee

Report on the Financial Statements

We have audited the accompanying financial statements of Renewal House, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Renewal House, Inc. as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 8, 2017, on our consideration of Renewal House, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Renewal House, Inc.'s internal control over financial reporting and compliance.

RENEWAL HOUSE, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2017 and 2016

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Renewal House, Inc. (the “Organization”) is a family-based treatment program and recovery community for women and their children affected by addiction, mental health issues, poverty, homelessness, and other forms of trauma. The Organization provides holistic care in both an outpatient and residential setting, including licensed addiction treatment, mental health services, case management, children’s services, extensive wrap-around services, and long-term support for each family. Pregnant and postpartum women and their infants receive specialized services tailored to meet their unique needs. The Organization seeks to preserve families by helping women live sober, self-sufficient lives and ensuring children have a healthy start through early intervention and prevention services.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Resources are classified based on the existence or absence of donor-imposed restrictions as follows:

Unrestricted net assets:

Undesignated – Net assets that are not subject to donor-imposed stipulations or designated by the Organization’s board.

Designated – Net assets designated by the Organization’s board for particular purposes, presently designated by the board as funds held in reserve for future use and capital reserves.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Organization and/or the passage of time.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, donors of these assets may permit the Organization to use all or part of the income earned for general or specific purposes. The Organization had no permanently restricted net assets as of June 30, 2017 and 2016.

Contributions and Support

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction

RENEWAL HOUSE, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)
June 30, 2017 and 2016

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Contributions and Support (Continued)

expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted and reported in the statements of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period as received are reported as unrestricted support.

The Organization also receives grant revenue from various federal, state and local agencies. Grant revenue is recognized in the period a liability is incurred for eligible expenditures under the terms of the grant.

Contributed services are reported as contribution revenue and as assets or expense when services would otherwise need to be purchased by the Organization, require specialized skills and are provided by persons with those skills. Such contributions are reported at estimated fair value. Donated professional services, including a physician providing medical supervision, totaled \$65,000 for the years ended June 30, 2017 and 2016. Those services were essential to the operating activities of the Organization.

Grants Receivable

Grants receivable are collectible from local, state, and federal government grantors and generally represent reimbursements for grant specific expenses. Management considers grants receivable to be fully collectible. Therefore, no allowance has been provided.

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments with an original maturity, when purchased, of three months or less to be cash equivalents.

Property and Equipment

It is the Organization's policy to capitalize property and equipment purchases over \$2,500 at cost. All purchases less than that amount are expensed in the period incurred. Donated property and equipment are reported as contributions at estimated fair value. Unless donor-restricted, all donated

RENEWAL HOUSE, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)
June 30, 2017 and 2016

**NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES
(Continued)**

Property and Equipment (Continued)

property and equipment are reported as an increase in unrestricted net assets. Property and equipment are depreciated over estimated useful lives using the straight-line method. Useful lives range from 3 years for computers to 39 years for building and building improvements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments and Fair Value Measurements

Investments in money market accounts and equity securities with readily determinable fair values and all investments in debt securities are reported at fair value, with unrealized gains and losses recognized currently in the statements of activities.

The Organization has an established process for determining fair value. Fair value is based upon quoted market prices, where available. If listed prices or quotes are not available, fair value is based upon internally developed models or processes that use primarily market-based or independently-sourced market data and third party information. Valuation adjustments may be made to ensure that financial instruments are recorded at fair value. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies, or assumptions, to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date. Generally accepted accounting principles have a three-level valuation hierarchy for fair value measurements. A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The three levels are explained as follows:

Level 1 – inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 – inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the financial instrument.

RENEWAL HOUSE, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)
June 30, 2017 and 2016

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Investments and Fair Value Measurements (Continued)

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques should maximize the use of observable inputs and minimize the use of unobservable inputs.

A description of the valuation methodologies used for instruments measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy, is set forth below. In general, fair value is based on quoted market prices, where available. If such quoted market prices are not available, fair value is based on internally developed models that primarily use, as inputs, observable market-based parameters. Valuation adjustments may be made to ensure that financial instruments are recorded at fair value. These adjustments may include amounts to reflect counterparty credit quality and valuation adjustments are applied consistently over time. The Organization's valuation methodologies may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While management believes the valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

Furthermore, the reported fair value amounts have not been comprehensively revalued since the presentation dates and, therefore, estimates of fair value after the balance sheet date may differ significantly from the amounts presented herein.

Fair values for investments in common stocks and fixed income securities are valued at the closing price reported on the active market on which the securities are traded.

No changes in the valuation methodologies have been made since July 1, 2015.

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is not a private foundation as defined in Section 509(a) of the Internal Revenue Code. Accordingly, no provision for income tax has been made.

The Organization follows Financial Accounting Standards Board Accounting Standards Codification guidance clarifying the accounting for uncertainty in income taxes recognized in an entity's financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax

RENEWAL HOUSE, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Income Taxes (Continued)

position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. The Organization has no tax penalties or interest reported in the accompanying financial statements.

Subsequent Events

The Organization has evaluated subsequent events and transactions that occurred between June 30, 2017 and November 8, 2017, the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements. The Organization is not aware of any significant events that occurred subsequent to the statement of financial position date but prior to the filing of this report that would have a material impact on the financial statements.

NOTE 2 – PROPERTY AND EQUIPMENT

Property and equipment consists of the following at June 30:

	<u>2017</u>	<u>2016</u>
Land	\$ 999,833	\$ 999,833
Building and improvements	1,234,827	1,231,165
Furniture and equipment	<u>574,813</u>	<u>574,813</u>
	2,809,473	2,805,811

NOTE 3 – INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

The following schedule summarizes investment income for the years ended June 30:

Interest and dividend income	\$ 42,589	\$ 34,622
Net realized/unrealized gains on investments	<u>35,310</u>	<u>7,991</u>
	<u>\$ 77,899</u>	<u>\$ 42,613</u>

NOTE 4 – CONCENTRATIONS OF CREDIT RISK

The Organization maintains its cash in bank deposit accounts which may exceed federally insured limits during the year. The Organization has not experienced any losses in such accounts. In management's opinion, the Organization is not exposed to any significant credit risk relating to cash and cash equivalent balances.

NOTE 5 – CONCENTRATION OF REVENUE

The Organization receives a substantial amount of its revenue from federal and state grants. A significant reduction in the amount received could have an adverse effect on the operations of the Organization.

NOTE 6 – RETIREMENT PLAN

The Organization offers a simple IRA plan covering eligible employees that choose to participate, matching up to 3% of employee salary. The Organization made contributions of \$8,530 and \$11,352 for the years ended June 30, 2017 and 2016, respectively.

NOTE 7 – NET ASSETS

Effective fiscal year 2007, the Executive Committee approved an investment policy whereby 33% of the Organization's undesignated investments are to be designated for long-term needs. Designated net assets related to the investment policy totaled \$523,553 and \$333,129 at June 30, 2017 and 2016, respectively. In addition, the board designated capital reserve assets amounted to \$1,000,000 at June 30, 2017 and 2016. Designated net assets totaled \$1,523,553 and \$1,333,129 at June 30, 2017 and 2016, respectively.

RENEWAL HOUSE, INC.
NOTES TO FINANCIAL STATEMENTS (Continued)
June 30, 2017 and 2016

NOTE 7 – NET ASSETS (Continued)

Temporarily restricted net assets consist of the following as of June 30:

	<u>2017</u>	<u>2016</u>
Treatment of women with opioid addictions	\$ 166,662	\$ -
Capital improvements	50,000	-
Contributions	14,462	5,296
A Women's Thanksgiving	<u>-</u>	<u>2,000</u>
	<u>\$ 231,124</u>	<u>\$ 7,296</u>

NOTE 8 – COMMUNITY FOUNDATION OF MIDDLE TENNESSEE

The Community Foundation of Middle Tennessee (the "Foundation") maintains investments on behalf of the Organization. The Foundation has ultimate authority and control over the investments; accordingly the net assets of the Organization do not include these investments.

The Organization does anticipate receiving periodic investment earnings on its pro-rata share of the Foundation's assets. The balance of the endowment fund held for the benefit of the Organization totals \$17,670 and \$15,992 at June 30, 2017 and 2016, respectively.

RENEWAL HOUSE, INC.
SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS (Continued)
For the Year Ended June 30, 2017

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS

NOTE 1 - BASIS OF PRESENTATION

This schedule of expenditures of federal and state awards (the "Schedule") includes the federal and state grant activity of Renewal House, Inc. for the year ended June 30, 2017. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of Renewal House, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles in OMB Circular A-122, Cost Principles for Non-Profit Organizations, or the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Renewal House, Inc. expended indirect costs using a multiple allocation base method and did not elect to use the 10% de minimis cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of
Renewal House, Inc.
Nashville, Tennessee

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Renewal House, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and issued our report thereon dated November 8, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Renewal House, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Renewal House, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Renewal House Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Renewal House, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
Renewal House, Inc.
Nashville, Tennessee

Report on Compliance for Each Major Federal Program

We have audited Renewal House, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Renewal House, Inc.'s major federal programs for the year ended June 30, 2017. Renewal House, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Renewal House, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Renewal House, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Renewal House, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Renewal House, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of Renewal House, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Renewal House, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Renewal House, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

RENEWAL HOUSE, INC.
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
Year Ended June 30, 2017

SUMMARY OF AUDITOR'S RESULTS

1. The auditor's report expresses an unmodified opinion on whether the financial statements of Renewal House, Inc. were prepared in accordance with generally accepted accounting principles.
2. No significant deficiencies relating to the audit of the financial statements are reported in the *Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards*.
3. No instances of noncompliance material to the financial statements of Renewal House, Inc., which would be required to be reported in accordance with *Government Auditing Standards*, were disclosed during the audit.
4. No significant deficiencies in internal control over major federal programs were disclosed in the *Independent Auditor's Report on Compliance for Each Major Program and on Internal Control over Compliance required by the Uniform Guidance*.
5. The auditor's report on compliance for the major federal award programs for Renewal House, Inc. expresses an unmodified opinion on the major program selected.
6. There were no audit findings that are required to be reported in accordance with 2 CFR Section 200.516(a).
7. The programs tested as major programs include:

CFDA Number
93.959

Name of Federal Program or Cluster
Block Grants for Prevention and Treatment of
Substance Abuse

8. The threshold for distinguishing Types A and B programs was \$750,000.
9. Renewal House, Inc. was determined to be a low-risk auditee.
