#### **Independent Auditors' Report**

To the Board of Directors STARS Nashville Nashville, Tennessee

## Report on the Financial Statements

We have audited the accompanying financial statements of STARS Nashville (the Organization), a non-profit organization, which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of STARS Nashville, a non-profit organization, as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedules of Expenditures of Federal Awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated January 26, 2015 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over the financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control over financial reporting and compliance.

Franklin, Tennessee

#### **Notes to Financial Statements**

#### June 30, 2014 and 2013

#### (1) Summary of Significant Accounting Policies

#### (a) Organization

STARS Nashville (the Organization) was established in 1984 as a nonprofit organization and exists to serve schools and communities in Middle Tennessee by providing prevention, intervention and treatment services that address bullying, substance abuse, violence, and social and emotional barriers to success. The Organization provides some services under the name Kids on the Block.

STARS is listed on the U.S. Department of Health and Human Services Substance Abuse and Mental Health Services Administration's (SAMHSA) National Registry of Evidence-based Programs and Practices (NREPP).

#### (b) Accrual Basis

The financial statements of the Organization are prepared using the accrual basis of accounting, under which revenues are recognized when earned rather that when collected and expenses are recognized when incurred rather than when disbursed.

#### (c) Basis of Presentation

Financial statement presentation follows the recommendation of the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 958-205, *Financial Statements of Not-for-Profit Organizations*. Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. A description of the three net asset categories follows:

**Unrestricted** - Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

**Temporarily Restricted** - Net assets whose use by the Organization is subject to donor-imposed restrictions that can be fulfilled by actions of the Organization pursuant to those restrictions or that expire by the

(Continued)

passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statements of Activities and Changes in Net Assets as net assets released from restrictions.

**Permanently Restricted** - Net assets subject to donor-imposed restrictions that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

## (d) Functional Allocation of Expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the Statements of Activities and Changes in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### (e) Use of Estimates

Management of the Organization has made a number of estimates and assumptions relating to the reporting of assets and liabilities and disclosure of contingent assets and liabilities to prepare these financial statements in conformity with accounting principles generally accepted in the United States of America. Actual results could differ from these estimates.

#### (f) Cash Equivalents

For purposes of the Statements of Cash Flows, the Organization considers all highly liquid instruments with original maturities of three months or less to be cash equivalents.

#### (g) Fair Value Measurements

The Organization follows FASB ASC 820-10, Fair Value Measurements, with respect to its financial assets and liabilities. FASB ASC 820-10 defines fair value and establishes a framework for measuring fair value under generally accepted accounting principles. The current practice includes: (1) the definition of fair value, which focuses on an exit price rather than on entry price; (2) the methods used to measure fair value, such as emphasis that fair value is a market-based measurement, not an entity-specific measurement, as well as the inclusion of an adjustment for risk, restrictions, and credit standing; and (3) the expanded disclosures about fair value measurements. FASB ASC 820-10 does not require any new fair value measurements. The standard describes a fair value hierarchy based on three levels of inputs, of which the first two are considered observable and the last unobservable, that may be used to measure fair value as follows:

**Level 1 -** Unadjusted quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access.

Level 2 - Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available; representing the Organization's own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available. These inputs may be supported by little or no market activity.

The availability of observable inputs can vary from instrument to instrument and is affected by a wide variety of factors, including, for example, the type of instrument, whether the instrument is new and not yet established in the marketplace, the liquidity of markets, and other characteristics particular to the instrument. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized in Level 3.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety, is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Generally accepted accounting principles require disclosure of an estimate of fair value of certain financial instruments. The Organization's significant financial instruments are cash and cash equivalents, accounts and grants receivable, unconditional promises to give, investments, and other short-term assets and liabilities. For these financial instruments, carrying values approximate fair value.

#### (h) Investments

Investments consist of mutual funds and are measured on a recurring basis at fair value at the reporting date using quoted prices in active markets for identical assets (Level 1). Unrealized gains and losses are recognized in the Statements of Activities and Changes in Net Assets. Gains and investment

(Continued)

income whose restrictions are met in the same reporting period are shown as unrestricted support.

#### (i) Unconditional Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional.

#### (j) Accounts Receivable and Unconditional Promises to Give

The Organization uses the allowance method to determine uncollectible accounts receivable and unconditional promises to give. Management's estimate of doubtful accounts is based on historical collection experience and a review of the current status of accounts receivable and unconditional promises to give. There was no allowance for doubtful accounts at June 30, 2014 and 2013. It is reasonably possible that management's estimate of the allowance for doubtful accounts could change. Receivables and unconditional promises to give are charged against the allowance when management believes the collectability of the receivable is unlikely. For the years ended June 30, 2014 and 2013, bad debt expense was \$14,860 and \$0, respectively. Accounts receivable are considered delinquent after ninety days. Late fees and interest are not assessed on delinquent accounts. It is not the policy of the Organization to place a customer on non-accrual status. At June 30, 2014 and 2013, none of accounts receivable, and \$0 and \$20,122, respectively, of unconditional promises to give, are greater than ninety days old.

### (k) Building, Property, and Equipment

The Organization's property consists of land, building, and furniture, fixtures, and equipment.

Property and improvements are recorded at cost, or at appraised value if donated. Depreciation is computed by the straight-line method based on the estimated useful lives of the related assets. The Organization capitalizes items that are greater than or equal to \$1,000 and expenses items under \$1,000. The Organization uses the direct expensing method to account for planned major maintenance activities.

In accordance with FASB ASC 360-10, Accounting for the Impairment or Disposal of Long-Lived Assets, the Organization reviews the carrying value of property, plant, and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this

(Continued)

assessment include current operating results, trends, and prospects, as well as the effects of obsolescence, demand, competition, and other economic factors. No impairments have been recognized on any property at June 30, 2014 and 2013.

#### (I) Recognition of Donor Restrictions

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. Such temporarily restricted revenues totaled \$936,277 and \$885,105 during the years ended June 30, 2014 and 2013, respectively, and are included in temporarily restricted revenues. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. There was no permanently restricted revenue for the years ended June 30, 2014 and 2013.

#### (m) Grant Revenue

Grant revenue is recognized when the qualifying costs are incurred for cost-reimbursement grants or contracts or when a unit of service is provided for performance grants. Grant revenue from federal agencies is subject to independent audit under the Office of Management and Budget Circular A-133 and to review by grantor agencies. The review could result in the disallowance of expenditures under the terms of grant or reductions of future grant funds. Based on prior experience, the Organization's management believes that costs ultimately disallowed, if any, would not materially affect the financial position of the Organization.

#### (n) Unearned Revenue

The Organization receives advance funds under certain school contracts. The funds are recorded as unearned revenue until the services are performed, at which time the Organization recognizes the funds as school contract fees.

#### (o) Income Taxes

The Organization has obtained a determination letter from the Internal Revenue Service effective July 1, 2000, which qualifies the Organization as a tax-exempt organization under Internal Revenue Code Section 501(c)(3) and, accordingly, is exempt from federal or state income taxes. The Organization is not classified as a private foundation. Unrelated business taxable income generated by the Organization is primarily related to certain consulting and rental activities.

The Organization follows the asset and liability method of accounting for income taxes. Under this method, deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax basis and operating loss and tax credit carry forwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. Under the asset and liability method, the effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

The Organization follows FASB ASC 740-10, Accounting for Uncertainty in Income Taxes, as it relates to uncertain tax positions. Any interest and penalties recognized associated with a tax position are classified in management and general expenses in the Organization's financial statements.

#### (p) Donated Services and Supplies

Certain contributed supplies and specialized services are recorded as support and expenses at fair market value when determinable, otherwise at values indicated by the donor. Volunteer services, which neither create nor enhance non-financial assets, or do not require specialized skills, are not recognized as support.

#### (q) Reclassifications

Certain amounts in the 2013 financial statements have been reclassified to conform to the 2014 presentation.

#### (r) Subsequent Events

The Organization has evaluated subsequent events through January 26, 2015, the date the financial statements were available to be issued.

## (2) Investments

Investments are stated at fair value (Level 1) and are summarized at June 30, 2014 and 2013 as follows:

		2014	
	Cost	Fair Value	Carrying Value
Equity Funds Debt Funds Foreign Debt Funds Other Funds	\$ 386,791 417,962 49,897 	\$ 532,388 433,331 50,856 	\$ 532,388 433,331 50,856 154,780
	<u>\$1,003,871</u>	\$1,171,355 <b>2013</b>	<u>\$1,171,355</u>
	Cost	Fair Value	Carrying Value
Equity Funds Debt Funds Foreign Debt Funds Other Funds	\$ 403,897 295,319 34,738 166,366	\$ 518,829 296,754 34,120 186,327	\$ 518,829 296,754 34,120 186,327
	<u>\$ 900,320</u>	\$1,036,030	\$1,036,030

The amounts invested, market value, and yields at June 30, 2014 and 2013 are summarized as follows:

	<u>2014</u>	<u>2013</u>
Fair value Cost	\$1,171,355 (1,003,871)	\$1,036,030 (900,320)
Unrealized gain (loss)	<u>\$ 167,484</u>	<u>\$ 135,710</u>
Investment income Net unrealized gain (loss) on investments Net realized gain (loss) on sale of investments Trust fees	\$ 28,656 31,774 98,640 (9,379)	\$ 24,903 46,348 11,424 (8,683)
Net investment income	\$ 149,691	\$ 73,992

#### (3) Unconditional Promises to Give

Unconditional promises to give - unrestricted totaled \$2,926 and \$43,034, and represents pledges for donations relating to the years ended June 30, 2014, and 2013, respectively, which are not funded until the subsequent year. Unconditional promises to give - restricted, which are not funded until a subsequent year and are

(Continued)

temporarily restricted for use during a subsequent year, represent pledges for donations or grants as follows:

	<u>2014</u>	<u>2013</u>
United Way Services Foundation	\$ 684,565 73,371	\$ 667,721 64,167
	<u>\$ 757,936</u> /	<u>\$ 731,888</u>
Amounts due in: Less than one year	<u>\$ 757,936</u>	<u>\$ 731,888</u>

## (4) Building, Property, and Equipment

The Organization purchased and renovated an office condominium unit and has partnered with the Oasis Center for fundraising purposes. The fundraising project is called the "Youth Opportunity Center". All funds are pledges raised and recorded by the Oasis Center. As of June 30, 2014 and 2013, Oasis Center has contributed \$3,326,540 and \$3,312,420, respectively, to the Organization. The building project was completed in December 2008. The total building cost of \$3,130,765 includes \$98,342 of capitalized interest. There is \$17,662 and \$17,863 due from Oasis Center included in accounts receivable at June 30, 2014 and 2013, respectively, of which \$0 and \$1,706, respectively, related to the capital campaign and \$17,662 and \$16,157, respectively, related to the reimbursement of operating expenses and other amounts. There is \$14,878 and \$43,035 due to Oasis Center included in accounts payable at June 30, 2014 and 2013, respectively, which is for reimbursement of operating expenses.

At June 30, 2014 and 2013, the Organization's building, property, and equipment is recorded as follows:

	Useful Lives (Years)	<u>2014</u>	<u>2013</u>
Land		\$ 335,000	\$ 335,000
Building	39	3,130,765	3,130,765
Property and equipment	2 - 7	357,771	357,771
		3,823,536	3,823,536
Less - Accumulated depreciation		<u>(791,950)</u>	(682,548)
		<u>\$3,031,586</u>	\$3,140,988

Depreciation expense for the years ended June 30, 2014 and 2013 totaled \$109,402 and \$127,623, respectively.

#### (5) Other Assets

During 2009, the Organization purchased a golf club membership through donor gifts. The membership will assist the Organization with its annual fundraiser over the next ten years. A total membership cost of \$210,000 has been capitalized and is being amortized over a 10 year period. Amortization expense is being recorded using the straight-line method and totaled \$21,000 for the years ended June 30, 2014 and 2013. Estimated amortization expense for each of the next five fiscal years is as follows:

2015	\$21,000
2016	\$21,000
2017	\$21,000
2018	\$21,000
2019	\$5,250

The Organization's future cash flows are not materially impacted by its ability to extend or renew the membership agreement. The membership agreement does not have renewal or extension terms.

## (6) Bonds Payable

On March 31, 2008, the Organization entered into a Loan Agreement (the Agreement) with the Industrial Development Board of the Metropolitan Government of Nashville and Davidson County (the Industrial Development Board) for financing the purchase of an office condominium unit and part of the cost of renovations (see Note 4). Under the terms of the Agreement, the Industrial Development Board issued \$3,000,000 Revenue Bonds (STARS Nashville Project) Series 2008 (the Bonds). The Industrial Development Board entered into a Bond Purchase Agreement with SunTrust Bank (the Bank) concurrently upon the execution of the Agreement to loan the proceeds of the Bonds to the Organization.

The Organization made interest only monthly payments that began April 1, 2008 through March 1, 2011, at which time the principal was required to be paid down to \$1,000,000. Commencing April 1, 2011, monthly payments of interest and principal were made based on a 15 year amortization schedule with the balance due on the earlier of the Bank's exercise of its right to call the Bonds beginning on March 1, 2016 and each succeeding March 1 thereafter, or on the maturity date of March 1, 2023. The interest rate was fixed at 4.85%. In 2013, the Organization made additional payments towards the principal totaling \$7,000, which retired the Bonds as of June 30, 2013.

#### (7) Pension Plan

The Organization has adopted a 401(k) profit sharing plan (the Plan), which covers employees who have completed 1,000 hours of service within twelve months of

(Continued)

their commencement date, and employees vest immediately upon entering the Plan. The Organization makes matching safe-harbor contributions to each eligible and contributing participant in the amount of 100% of the first 3% of the participant's compensation, then 50% between 3% and 5% of the participant's compensation for the Plan year. The Organization can make discretionary contributions to the Plan. Total expenses for the Plan for the years ended June 30, 2014 and 2013 were \$40,859 and \$39,222, respectively, and are included in the Statements of Functional Expenses in personnel expense.

#### (8) Temporarily Restricted Net Assets

Temporarily restricted net assets as of June 30, 2014 and 2013 are available for the following purposes or periods:

	<u>2014</u>
For use in the year ended June 30, 2015 Specific programs Building Endowment income not appropriated	\$ 830,385 68,278 12,500 
	<u>\$1,080,072</u>
	<u>2013</u>
For use in the year ended June 30, 2014 Specific programs Building Endowment income not appropriated	\$ 799,351 99,361 2,500
Endowment income not appropriated	127,136

Net assets were released from donor restrictions by incurring expenses satisfying the purpose restrictions specified by donors at June 30, 2014 and 2013 as follows:

	<u>2014</u>	<u>2013</u>
Building Time restrictions Specific programs	\$ 4,120 799,351 81,082	\$ 18,726 616,675 
	<u>\$ 884,553</u>	<u>\$ 749,346</u>

#### (9) Permanently Restricted Net Assets

Net assets in the amount of \$167,150 at June 30, 2014 and 2013 are permanently restricted for an endowment fund. The interest is unrestricted but included in temporarily restricted net assets until appropriated.

(Continued)

The Organization's endowment consists of one fund established as a general endowment to support the mission of the Organization. There are no funds designated by the Board of Directors to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, if any, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Organization has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard prudence prescribed by SPMIFA. accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

Investment Return Objectives, Risk Parameters, and Strategies - The Organization has adopted investment policies, approved by the Board of Directors, that attempt to maximize total return consistent with an acceptable level of risk. Endowment assets are invested in a well diversified asset mix. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed so as not to expose the fund to unacceptable levels of risk.

**Spending Policy** - The Organization has adopted a spending policy allowing accumulated earnings, plus 5% of the principal amount, to be used each year for fixed operating costs. Approval from the Board of Directors is required before any endowment funds are withdrawn.

Endowment net asset composition by type of fund as of June 30, 2014 and 2013 is as follows:

				20	014			
	Unrestricted		Temporarily Restricted			rmanently estricted	_	Total Net ndowment  Assets
Donor-restricted	<b>₽</b>		æ		Φ.	167 150	Ф	167 150

#### (10) Leases

The Organization capitalized the present value of an office equipment lease in the amount of approximately \$23,000 with related accumulated depreciation of approximately \$16,600 and \$12,200 at June 30, 2014 and 2013, respectively.

Minimum future payments at June 30, 2014 under the lease are as follows:

2015	\$ 5,670
2016	1,890
Minimum payments	7,560
Imputed interest	(475)
	\$ 7,085

The Organization leases office space in the Youth Opportunity Center (YOC) to several unrelated non-profit organizations. The YOC was developed specifically to align existing youth initiatives, resources, and expertise to increase the operating efficiency of the partner agencies. The lease terms call for these organizations to reimburse the Organization for only the costs of operating and maintaining the leased portion of the building based on the occupied square footage. The costs do not include interest or depreciation, but do include a 10% administrative fee. Lease terms vary from six months to one year.

The Organization also bartered with two medical professionals for professional services in exchange for office space under one year lease agreements.

As a result of these arrangements, the Organization received \$44,760 and \$46,960 in 2014 and 2013, respectively, which is included in miscellaneous income on the Statements of Activities and Changes in Net Assets.

#### (11)**Income Taxes**

The Organization recognizes the tax benefits of uncertain tax positions only where the position is "more likely than not" to be sustained assuming examination by tax authorities. Management has analyzed the Organization's tax positions and has concluded that no liability for unrecognized tax benefits should be recorded related to uncertain tax positions taken on returns filed for the open tax years (years ended June 30, 2011 through 2013), or expected to be taken in the Organization's tax return for the year ended June 30, 2014. The Organization identified its major tax jurisdictions as the U.S. Federal and the State of Tennessee. Organization is not currently under audit nor has the Organization been contacted by any of these jurisdictions. The Organization is not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will change in the next twelve months.

The Organization is subject to taxes on its unrelated business income. At June 30, 2014 and 2013, the Organization had net operating loss carryforwards for tax purposes of approximately \$127,000 and \$131,000, respectively, for Federal and approximately \$38,000 and \$42,000, respectively, for State available to offset future unrelated business income. These carryforwards will begin to expire in 2026, if not previously utilized.

Although the Organization has generated net operating losses from unrelated business income relating to its debt-financed leasing and consulting activities until the current year, the deferred tax asset has been netted against a 100% valuation allowance since there is no indication of material future income at this time, as follows:

	<u>2014</u>	<u>2013</u>
Deferred tax asset:		
Net operating carryforwards - Federal	\$ 18,000	\$ 20,000
Net operating carryforwards - State	2,000	3,000
Valuation allowance	(20,000)	(23,000)
Net deferred tax asset	<u>\$</u>	<u>\$</u>

During the years ended June 30, 2014 and 2013, the Organization did not recognize any interest and penalties relating to taxes, nor were any accrued at June 30, 2014 and 2013.

#### (12)**Related Party Transactions**

The Organization paid annual dues of \$5,000 for the years ended June 30, 2014 and 2013 to Center for Youth Issues, Inc. (National), which is the Organization's national affiliate.

During the years ended June 30, 2014 and 2013, the Organization provided services to National totaling approximately \$2,000 and \$7,000, respectively.

(Continued)

## (13) Compensated Absences

Employees of the Organization are entitled to paid vacation, sick days, and personal days off, depending on job classification, length of service, and other factors. Vacation and personal days not taken by the end of the Organization's fiscal year are forfeited. It is impracticable for the Organization to estimate the amount of compensation for future absences and, accordingly, no liability has been recorded in the accompanying financial statements. The Organization's policy is to recognize the costs of compensated absences when actually paid to employees.

#### (14) Section 125 Plan

The Organization has adopted a cafeteria plan (the Plan) under Section 125 of the Internal Revenue Code, allowing a choice between cash and certain qualified benefits. Benefits are entirely funded through employee pre-tax deductions and employer contributions used to purchase elected benefits. Benefit options under the Plan consist of medical and dental insurance, which are provided through insurance policies for employees who work at least thirty hours a week, and a flexible spending account.

#### (15) Donated Services and Equipment

The Organization receives donated services from several unpaid volunteers assisting the Organization in various activities. No amounts have been recognized in the accompanying Statements of Activities and Changes in Net Assets because the criteria for recognition of such volunteer effort under FASB ASC 958, Accounting for Contributions Received and Contributions Made, have not been satisfied.

#### (16) Board Designated Restrictions

The Board has designated \$383,870 and \$336,029 of investments and cash and cash equivalents for the Building Reserve Fund, which is included in unrestricted net assets at June 30, 2014 and 2013, respectively.

#### (17) Concentrations of Credit Risk

A significant portion of the Organization's revenue is derived from individuals, organizations, schools, and foundations in middle Tennessee and grants from the State of Tennessee. The following organizations contributed more than 10% of total unrestricted support, revenue, and other support during 2014 and 2013:

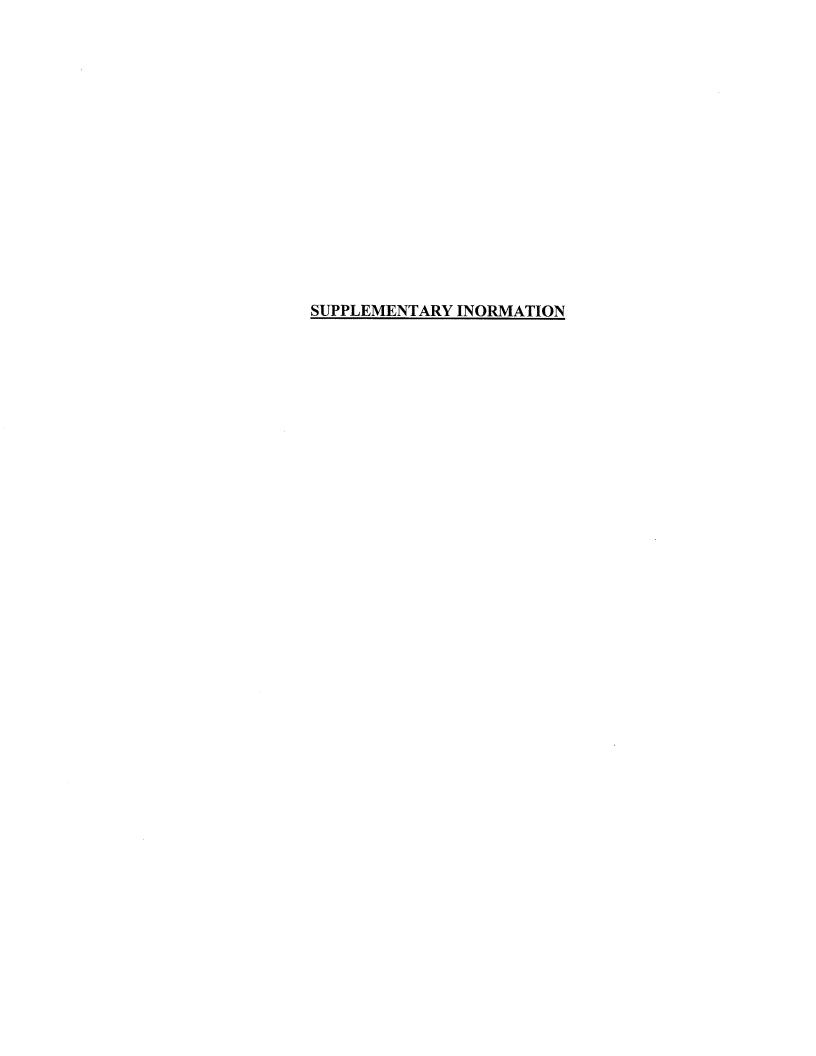

(Continued)

	<u>2014</u>	<u>2013</u>
Williamson County Board of Education	<u>13%</u>	<u>13%</u>
Tennessee Department of Mental Health	<u>11%</u>	<u>16%</u>

#### (18) Risk on Uninsured Cash

During 2010, the Federal Deposit Insurance Corporation (FDIC) extended the Temporary Liquidity Guarantee Program, effective through December 2010, to provide an unlimited guarantee on non-interest bearing accounts, defined as interest not exceeding 25 basis points per annum. Amendments to the program provide full deposit coverage for non-interest bearing transaction accounts, beginning December 31, 2010, for a two-year period. This applied to all insured depository institutions and no opt-outs were permitted. Low interest NOW accounts were not covered. At times during 2013, the Organization maintained various cash balances in excess of the FDIC's maximum amount of \$250,000 in accounts with interest exceeding 25 basis points. Effective January 1, 2013, the standard FDIC insurance amount is \$250,000 per depositor, per insured bank. At June 30, 2014, the Organization had cash balances in excess of the FDIC insured amount. There is a risk of loss in the event of a bank failure.

Investments are subject to market risk, the risk inherent in a fluctuating market. The broker/dealer that is the custodian of the Organization's securities is covered by the Securities Investor Protection Corporation (SIPC), which provides limited protection to investors. SIPC coverage is limited to specified investor-owned securities (notes, bonds, mutual funds, investment company securities, and registered securities) held by an insolvent SIPC member at the time a supervising trustee is appointed. The SIPC also protects against unauthorized trading in the Organization's security account. SIPC coverage is limited to \$500,000 per customer, including \$250,000 for cash that is on deposit as the result of a security transaction. The SIPC protection does not insure against market risk.

#### **Schedules of Expenditures of Federal Awards**

#### Note to Schedules of Expenditures of Federal Awards

#### Note 1 - Basis of Prsentation and Accounting

The accompanying Schedules of Expenditures of Federal Awards (the Schedules) include the federal grant activity of the Organization under programs of the federal government passed through from the State of Tennessee for the years ended June 30, 2014 and 2013. The information in the Schedules is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the Schedules present only a selected portion of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

The Schedules of Expenditures of Federal Awards are prepared on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, Cost Principles for Not-Profit Organizations, wherein certain types of expenditures are not allowed or are limited as to reimbursement.

# Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To The Board of Directors of STARS Nashville Nashville, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of STARS Nashville (the Organization), a non-profit organization, which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated January 26, 2015.

### **Internal Control Over Financial Reporting**

In planning and performing our audits of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audits we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying Schedules of Findings and Questioned Costs that we consider to be a significant deficiency (Finding No. 2014-1 for the year ended June 30, 2014 and Finding No. 2013-1 for the year ended June 30, 2013).

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### The Organization's Response to Findings

The Organization's response to the findings identified in our audits is described in the accompanying Schedules of Findings and Questioned Costs. The Organization's response was not subjected to the auditing procedures applied in the audits of the financial statements, and accordingly, we express no opinion on it.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## <u>Independent Auditors' Report on Compliance for Each Major Program</u> and on Internal Control Over Compliance Required by OMB Circular A-133

To the Board of Directors of STARS Nashville Nashville, Tennessee

#### Report on Compliance for Each Major Federal Program

We have audited STARS Nashville's (the Organization), compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 *Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the years ended June 30, 2014 and 2013. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying Schedules of Findings and Questioned Costs.

## Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal program.

#### Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audits of the types of compliance requirements referred to above. We conducted our audits of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audits to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audits provide a reasonable basis for our opinion on compliance for each major federal program. However, our audits do not provide a legal determination of the Organization's compliance.

#### Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the years ended June 30, 2014 and 2013.

#### Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audits of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

## **Schedules of Findings and Questioned Costs (Continued)**

#### For the Year Ended June 30, 2014

## Section I Summary of Auditors' Results (continued)

<u>Federal Awards (continued)</u>		
Dollar threshold used to distinguish		
between type A and type B programs:	\$300,00	0
Auditee qualified as low-risk auditee?	X yes	no

#### Section II Financial Statement Findings

Finding No. 2014-1

- *Criteria or specific requirement:* The Organization should prepare its own financial statements and related notes.
- *Condition:* The Organization does not prepare its own financial statements and related notes.
- **Context:** The Organization does not prepare its own financial statements and related notes.
- Effect: The Organization's financial reporting process is incomplete.
- *Cause:* Same as above.
- **Recommendation:** The Organization should prepare its own financial statements and related notes.
- *Views of Management:* Management of the Organization does not believe it to be cost effective for the Organization to draft the annual financial reports. The Organization does closely review, approve, and take responsibility for the annual financial reports, but will continue to rely on the auditors to draft all financial statements and related notes.

## Section III Federal Award Findings and Questioned Costs

No matters were reported.

## **Schedules of Findings and Questioned Costs (Continued)**

## For the Year Ended June 30, 2013
