INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of American Baptist College Nashville, Tennessee

Report on the Financial Statements

We have audited the accompanying financial statements of *American Baptist College* (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of *American Baptist College* as of June 30, 2015, and June 30, 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 13, 2015, on our consideration of American Baptist College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering American Baptist College's internal control over financial reporting and compliance.

NOTE 1--- NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

American Baptist College (the "College") was founded in 1924. In 1971, the College became an accredited four-year undergraduate bible college. The College is an accredited member of the Commission on Accreditation of the Association for Biblical Higher Education (ABHE); approved to award the Associate of Arts, Bachelor of Arts, and Bachelor of Theology degrees.

The mission statement of the College is to educate, graduate and prepare a predominantly African American student population for leadership, service and social justice in the world. The College offers a quality educational program with a liberal arts emphasis, equipping diverse students intellectually, morally, spiritually, socially, and theologically. The College offers undergraduate and graduate degree programs at its Nashville, Tennessee campus and globally on-line. Its fields of study include a mandatory divisional major in Biblical-Theological Studies and additional majors in Pastoral Studies, Christian Education or Social Sciences.

Basis of Presentation

The financial statements of the College have been prepared on the accrual basis of accounting, and accordingly, revenue is recognized when earned, and expenses are recorded when incurred. The College recognizes support and promises to give when received.

The financial statement presentation follows the recommendations of the Financial Accounting Standards Board's Accounting Standard Codification (FASB ASC 958). Under FASB ASC 958, the College is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Financial position and activities are classified based on the existence or absence of donor restrictions as follows:

<u>Unrestricted Net Assets</u> — Net assets that are not temporarily or permanently restricted by explicit donor stipulations or by law.

<u>Temporarily Restricted Net Assets</u> — Net assets of gifts of cash and other assets, accepted by board actions, that are received with donor stipulations that limit the use of the donated assets, or designated as support for future periods.

<u>Permanently Restricted Net Assets</u> — Net assets, accepted by board actions, subject to donor's stipulations that require the assets be invested in perpetuity.

NOTE 1--- NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Support and Expenses

Contributions received and unconditional promises to give are measured at their fair values and are reported as increase in net assets. The College reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of restriction is accomplished, restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor-imposed contributions, restricted gains and investment income whose restrictions are met in the same reporting period are reported as unrestricted support.

The College reports gifts of goods and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used, and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the College reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, to disclose contingent assets and liabilities at the date of the financial statements, and to report amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The College is operated as a tax-exempt organization as described under Section 501(c) (3) of the Internal Revenue Code and is therefore exempt from Federal and State income taxes. Accordingly, no provisions for income taxes have been recorded.

Cash and Cash Equivalents

Cash and cash equivalents include checking and savings accounts, money market accounts, and certificate of deposits with maturities of three months or less. (See Note 12 regarding the risk associated with cash and cash equivalents.) The College has classified as restricted, certain cash and cash equivalents that are not available for use in its operations. (See Note 2 and Note 8)

Investments

Investments in equity securities with readily determinable fair values are measured at fair value in the statement of financial position. Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the statement of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by donor or law.

Accounts Receivable

The College records accounts receivable at their estimated net realizable value. An allowance for doubtful accounts is recorded based upon management's estimate of uncollectible accounts determined by analysis of specific balances and a general reserve based upon aging of outstanding balances. Past due balances are charged against the allowance when they are determined to be uncollectible.

Inventories

Inventories, consisting of textbooks and supplies, are stated at the lower of cost (first-in, first-out) or market (net realizable value).

Property, Plant and Equipment

Land, buildings, building improvements, library holdings, equipment and furniture acquisitions are recorded at cost, or if contributed, at fair market value at the date of gift. Depreciation, and amortization which is reflected as an expense in the statement of activities, is computed on the straight-line method over the following estimated useful lives:

| | Years |
|-------------------------|-------|
| Furniture and equipment | 3—10 |
| Building and grounds | 10-39 |
| Library books | 3—10 |
| Enrollment Software | 5—10 |

Deferred Revenues

The College records receipts obtained before service is rendered as a liability.

Compensated Absences

Employees of the College are entitled to paid vacation and paid sick days depending on job classification, length of service, and other factors. It is not practicable for the College to estimate the amount of compensation for future absences; accordingly no liability for compensated absences has been recorded in the accompanying financial statements. The College's policy is to recognize the costs of compensated absences when actually paid to employees.

NOTE 2---INVESTMENTS

The College's investment as of June 30, 2015 and June 30, 2014, consists of the following:

| Total | \$ 50,944 |

NOTE 15---ENDOWMENT FUNDS

Effective March 24, 2011, the College adopted the FASB Staff Position No. 117-1 (FSP 117-1), Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act and Enhanced disclosures for All Endowment Funds. FSP 117-1 provides guidance on the net asset classification of donor restricted endowment funds for a not-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA), and requires disclosures about endowment funds, both donor restricted endowment funds and board-designated (quasi) endowment funds. The state of Tennessee enacted the provisions of UPMIFA in 2007. The College's endowment funds consist of approximately six (6) individual funds established for a variety of purposes.

Management presented a summary of FSP 117-1 to members of the Board of Trustees in March 2011, and the Board of Trustees interpreted the UPMIFA as enacted by the state of Tennessee, effective July 1, 2008, requiring the preservation of fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary.

As a result of this interpretation, the College classifies as permanently restricted net assets: (a) the original value of the gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with FSP 117-1, the remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the College in a manner consistent with the standard of prudence prescribed by the UPMIFA.

Changes in endowment and other net assets for the fiscal year ended June 30, 2015 are as follows:

Funds with Deficiencies:

The fair value of assets associated with individual donor-restricted endowment funds, from time to time, may fall below the level that the donor or UPMIFA (as enacted by the State of

Tennessee) requires the College to retain as a fund of perpetual duration. There were no deficiencies of this nature as of June 30, 2015 and June 30, 2014.

NOTE 16---SUBSEQUENT EVENTS

There were no subsequent events requiring disclosure as of November 13, 2015, the date management evaluated such events. November 13, 2015, is the date the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees of American Baptist College Nashville, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of American Baptist College (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 13, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered American Baptist College's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of American Baptist College's internal control. Accordingly, we do not express an opinion on the effectiveness of American Baptist College's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control that we consider to be material weaknesses and significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying schedule of findings and management responses as item, 2015-F1 to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies described in the accompany schedule of findings and management responses as item, 2015- F1 to be significant deficiencies.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether American Baptist College's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

American Baptist College's Response to Findings

American Baptist College's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. American Baptist College's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the American Baptist College's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

AMERICAN BAPTIST COLLEGE NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2015

NOTE 1---SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

American Baptist College (the "College") was founded in 1924. In 1971, the College became an accredited four-year undergraduate bible college. The College is an accredited member of the Commission on Accreditation of the Association for Biblical Higher Education (ABHE); approved to award the Associate of Arts, Bachelor of Arts, and Bachelor of Theology degrees.

The mission statement of the College is to educate, graduate and prepare a predominantly African American student population for leadership, service and social justice in the world. The school offers a quality educational program with a liberal arts emphasis, equipping diverse students intellectually, morally, spiritually, socially, and theologically. The College offers undergraduate and graduate degree programs at its Nashville, Tennessee campus and globally on-line. Its fields of study include a mandatory divisional major in Biblical-Theological Studies and additional majors in Pastoral Studies, Christian Education or Social Sciences.

Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant expenditure activity of the College for the year ended June 30, 2015, and is presented using the accrual basis of accounting. The information in the Schedule is presented in accordance with the requirements of OMB Circular A-133 Audits of State local governments and non-profit entities, some amounts presented in this schedule may differ.

NOTE 2---FEDERAL DIRECT LOAN PROGRAM

During the year ended June 30, 2015, the College processed \$1,252,447 of new loans under the Federal Direct Loan Program, CFDA Number 84.268.

NOTE 3---SUBSEQUENT EVENTS

The College has evaluated subsequent events as of November 13, 2015; the date management evaluated such events that require disclosures. November 13, 2015, is the date the Schedule was available to be issued.

AMERICAN BAPTIST COLLEGE SCHEDULE OF FINDINGS AND MANGEMENT RESPONSES FOR THE YEAR ENDED JUNE 30, 2015

A. WEAKNESSES OVER CURRENT ACCOUNTING SYSTEM

2015-F1

Criteria

Amounts recorded in the general ledger should be recorded when transactions occur, supported by proper documentation and properly reconciled throughout the year and at year end.

Condition, Context and Cause

During our review of the College's accounting system, Hoskins & Company noted several instances when the accounting was not performed timely, completely, or accurately. As a result, there were several audit adjustments proposed and recorded to ensure that financial statements were properly stated.

Many of the issues related to the accounting system are due to the small staff size in the business office and the lack of sufficiently detailed or written procedures to enable the staff to perform the required activities in an accurate and timely manner.

Effect

The effect of not having an adequate accounting system has caused inaccurate interim financial reporting and could lead to noncompliance with related legal and accounting issues.

Recommendations

Hoskins & Company recommends that the College improve its accounting by considering working with someone with both higher education and significant nonprofit accounting experience to assist in the proper recording and classification of transaction in a timely manner.

Management Response

Prior to the receipt of the instant report from Hoskins & Company, management recognized the need to improve the adequacy of its accounting system and the transactional capacity of its business office personnel. The college has purchased and already begun the transition to a more rigorous accounting system, and has contracted the services of an accounting consultant to assist in the transition. The consultant will work along with Hoskins & Company to conduct business office staff training to improve their transactional performance. The consultant will also review and suggest modifications to the current business office policies and procedures manual to provide additional guidance to business office staff as the new accounting system is installed and made fully operational.
