To Whom It May Concern:

This letter is supplemental to the 2021 Fiscal Year audited financials and 2021 Federal Return of Organization Exempt from Income Tax "Form 990" filings.

During 2021, The F.I.N.D Design changed their twelve-month reporting period from calendar year ending December 31<sup>st</sup> to a fiscal year ending June 30<sup>th</sup>.

Due to the accounting period change, The F.I.N.D Design's financial statements were audited by KLLW, LLP during the fiscal year July 01, 2021 through June 30, 2022. Previous audits were conducted on a twelve-month calendar year, ending annually on December 31<sup>st</sup>. Moving forward, The F.I.N.D Design will audit their financials on a fiscal year, ending annually on June 30<sup>th</sup>.

The accounting period change also required the filing of two "Form 990s". The "Form 990" was first filed on a calendar year ending December 31, 2021, to capture the twelve-months reported. The second "Form 990" was filed to report the first six-months of 2022. The short period filing was filed to capture the change in account period. Moving forward, The F.I.N.D Design will file their "Form 990" reflecting a fiscal year, ending annually on June 30<sup>th</sup>.

Due to the accounting period change, it is advised to review all supporting information provided by The F.I.N.D Design to avoid misunderstandings of the business' activity during a particular reporting period.

Sincerely,
