SPECIAL KIDS, INC.

NOTE A -- NATURE OF ACTIVITIES

Special Kids, Inc. is located in Murfreesboro, Tennessee. Special Kids, Inc. is a tax-exempt organization under 501(c)(3) of the Internal Revenue Code. Special Kids, Inc. is dedicated to providing quality and affordable rehabilitation and nursing services in a loving, Christian environment with the support and guidance of the physician. The goal is that no family would be denied due to lack of funding, or access to services. They believe the family unit is important and by offering quality-coordinated services, Special Kids, Inc. strives to minimize the pressures of parenting a child with special needs.

NOTE B -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accrual Basis

The financial statements of the organization have been prepared on the accrual basis.

Basis of Presentation

The organization classifies net assets, revenues, gains and losses based on the existence or absence of donor-imposed restrictions as follows:

-Unrestricted net assets- Net assets that are not subject to donor-imposed stipulations.

-Temporarily restricted net assets- Net assets subject to donor-imposed stipulations that can be fulfilled by actions of the organization pursuant to those stipulations or that expire by the passage of time.

-Permanently restricted net assets- Net assets subject to donor-imposed stipulations that they be maintained permanently by the organization. Generally, the donors of such assets permit the organization to use all or part of the income earned on the assets.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e. the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassification between the applicable classes of net assets.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles includes the use of estimates that affect the financial statements. Accordingly, actual results could differ from these estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash equivalents include time deposits and certificates of deposit except investments purchased with endowment assets or deposits with trustees that are classified as long-term investments.

SPECIAL KIDS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 and 2008

Compensated Absences

Employees of the organization are entitled to paid vacation, paid sick days and personal days off, depending on job classification, length of service and other factors. The Organization awards paid time off annually on January 1 and all paid time off must be used by the end of the year or it will be lost. No paid time off is carried over from year to year, therefore there is no accrual of paid time off.

Land, Buildings and Equipment

Land, buildings and equipment are stated at cost less accumulated depreciation. Depreciation is computed on the straight-line method over the estimated useful lives of the assets (5 to 40 years). Expenditures for equipment costing over \$250 are capitalized.

Contributions of long-lived assets or contributions restricted for acquisition of long-lived assets are reported as increases in temporarily restricted net assets. When restrictions are considered met, an appropriate amount is reclassified to unrestricted net assets. The useful lives of the long-lived assets are calculated based on the organization's depreciation policy.

Contributions

Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization or discounts is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions. An allowance for uncollectible contribution receivables is provided based upon management's judgement, including such factors as prior collection history, type of contribution, and nature of fund-raising activity.

Restricted contributions whose restrictions are met or accrued in the period the contributions are received are reported as unrestricted contributions.

Income Taxes

The organization is a not-for-profit organization that is exempt from federal income tax under Internal Revenue Code Section 501(c)(3) whereby only unrelated business income, as defined in Section 512(a)(1) of the Code, is subject to federal income tax.

NOTE C -- ACCOUNTS RECEIVABLE

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end. Based on management's assessment of the credit history with clients having outstanding balances and current relationships with them, it has concluded that realization losses on balances outstanding at year-end will be immaterial.

NOTE E -- CONSOLIDATED FINANCIAL STATEMENTS

On July 15, 2009, the Organization created Special Kids Real Estate, LLC, a single-member LLC (a limited liability company), to hold all land, buildings and improvements owned, purchased or donated to Special Kids, Inc. The Organization is the sole member of Special Kids Real Estate, LLC therefore all assets, liabilities, net assets, and income and expenses associated with Special Kids Real Estate, LLC are consolidated under the Organization's financial statements and tax returns.

On November 5, 2009, Special Kids, Inc. sold the properties located at 2110 East Main Street, Murfreesboro, Tennessee 37130 and 202 Arnette Street, Murfreesboro, Tennessee 37130 to Special Kids Real Estate, LLC for \$20.

NOTE F -- CONTRIBUTED SERVICES

During the current fiscal year, volunteers have performed a significant number of hours of service in accomplishing the organization's purposes. These hours were donated and if they were recorded in the records based on a reasonable hourly wage would result in a dramatic increase in private donations as well as a multi-fold increase in program service expenses.

NOTE G -- FUNDRAISING EXPENSES

The organization did not incur any significant third-party fundraising expenses during the fiscal year. Some expenses incurred were joint expense between several different functions. The joint expenses have been appropriately allocated to the different functions based upon management's judgment.

Accounts receivable at December 31, 2008 includes \$0 and \$587 due from directors' and employees' insurance companies, respectively, and are expected to be paid by insurance reimbursement.

Related Party Vendors

Special Kids, Inc. purchases various products and services from directors or the companies that employ directors. Special Kids, Inc. conducted business throughout the year with directors which totaled \$4,222 and \$10,151 during 2009 and 2008 respectively.

NOTE J -- SUBSEQUENT EVENTS

Subsequent events have been evaluated through June 3, 2010, which is the financial statement issuance date.

NOTE K -- CONCENTRATION OF RISK

The organization is highly dependent on insurance company reimbursement of fees for rehabilitation and nursing services and on charitable contributions. If the insurance funding for rehabilitation and nursing services decreased extensively, the organization would experience serious difficulty in continuing operations. Also, because the organization is a TennCare provider there is a risk related to continuance of the TennCare program. Management indicated that it is expected that if the TennCare program is discontinued, another provider arrangement would be made or the services would revert to the federal Medicaid program.

Charitable contributions are solicited across the middle Tennessee regions using a variety of methods. While the organization enjoys a broad base of donors, a decrease in contributions would present an economic challenge for the organization.
