The charitable purpose of the organization

The horses we take in are over the age of 25 and who have suffered in their former lives—after years of providing hard service to human beings, some were abandoned, some were starved, some were taken to kill auctions, some were abused. We have rescued many neglected senior Draft horses destined for slaughter and rehabilitated them back to health. We currently have 8 senior horses in our Equine Sanctuary program. The cats that we help are of geriatric age and are often from our local animal shelters. Thru no fault of their own they find themselves in unfortunate situations facing abandonment or euthanasia and often have medical issues that require intensive care and attention. We currently have 15 cats in our Feline Sanctuary program.
