INDEPENDENT AUDITORS' REPORT

The Board of Directors
Nashville Public Library Foundation:

We have audited the accompanying financial statements of Nashville Public Library Foundation, which are comprised of the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nashville Public Library Foundation as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NASHVILLE PUBLIC LIBRARY FOUNDATION

Notes to the Financial Statements

June 30, 2017 and 2016

(1) Nature of operations

Nashville Public Library Foundation (the "Foundation") was organized in 1997 as a tax-exempt publicly supported charitable organization. The Foundation was formed to enhance and support the programs and facilities of the Nashville Public Library ("NPL").

(2) Summary of significant accounting policies

The financial statements of the Foundation are presented on the accrual basis. The significant accounting policies followed are described below.

(a) Basis of presentation

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Foundation reports the support as unrestricted.

(b) Cash equivalents

Cash and cash equivalents consist principally of checking account balances, cash held in a brokerage account, a money market account, and a certificate of deposit.

(c) Contributions receivable

Unconditional promises to give that are expected to be collected within one year are recorded as contributions receivable at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using a risk-free interest rate applicable to the year in which the promise is received. Amortization of the discount is included in contribution revenue. Conditional promises to give are not included as support until such time as the conditions are substantially met.

NASHVILLE PUBLIC LIBRARY FOUNDATION

Notes to the Financial Statements

June 30, 2017 and 2016

(d) Investments

Investments in marketable equity securities with readily determinable fair values and all investments in debt securities are shown at their fair values in the statements of financial position. Investment income shown in the statements of activities includes interest, dividends, and realized and unrealized gains and losses, net of investment expenses.

Investment income is reported in the period earned as an increase in unrestricted net assets unless the use of the assets received is limited by donor-imposed restrictions. Investment income that is restricted by the donor is reported as an increase in unrestricted net assets if the restrictions are met or expire in the year in which the income is recognized.

All other donor-restricted investment income is reported as an increase in temporarily restricted net assets depending on the nature of the restrictions. See Note 5 for discussion of fair value measurements.

(e) Leasehold improvements and computer equipment

Leasehold improvements and computer equipment are stated at cost. Depreciation is provided over the assets' estimated useful lives using the straight-line method. Leasehold improvements are amortized over the shorter of their estimated lives or the respective lease term. Computer equipment is generally depreciated over five years.

Expenditures for maintenance and repairs are expensed when incurred. Expenditures for renewals or betterments are capitalized. When property is retired or sold, the cost and the related accumulated depreciation or amortization is removed from the accounts, and the resulting gain or loss is included in operations.

(f) Income taxes

The Foundation is exempt from federal income taxes under the provisions of Internal Revenue Code Section 501(c)(3), and, accordingly, no provision for income taxes is included in the financial statements.

As of June 30, 2017 and 2016, the Foundation has accrued no interest and no penalties related to uncertain tax positions. It is the Foundation's policy to recognize interest and/or penalties related to income tax matters in income tax expense.

The Foundation files a U.S. Federal information tax return.

(g) Advertising and promotion costs

Advertising and promotion costs are expensed as incurred.

NASHVILLE PUBLIC LIBRARY FOUNDATION

Notes to the Financial Statements

June 30, 2017 and 2016

(h) Donated assets

Donated marketable securities and other noncash donations are recorded as contributions at their estimated fair values at the date of donation.

(i) Program and supporting services - functional allocation

The following program and supporting services are included in the accompanying financial statements:

Program services - includes activities carried out to fulfill the Foundation's mission to enhance and support the programs and facilities of NPL.

Supporting services:

Management and general - relates to the overall direction of the Foundation. These expenses are not identifiable with a particular program or with fundraising, but are indispensable to the conduct of those activities and are essential to the Foundation. Specific activities include Foundation oversight, business management, recordkeeping, budgeting, financing, and other administrative activities.

Fundraising - includes costs of activities directed toward appeals for financial support, including special events. Other activities include the cost of solicitations and creation and distributions of fundraising materials.

(j) Allocation of functional expenses

Expenses which can be directly attributed to a particular function are charged to the function. Certain costs have been allocated among two or more programs or activities benefited based on objectively evaluated financial and nonfinancial data or reasonable subjective methods determined by management.

(k) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NASHVILLE PUBLIC LIBRARY FOUNDATION

Notes to the Financial Statements

June 30, 2017 and 2016

(I) Events occurring after reporting date

Management of the Foundation has evaluated events and transactions that occurred between June 30, 2017 and November 15, 2017, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Credit risk and other concentrations

Accounts at financial institutions are insured by the Federal Deposit Insurance Corporation or the Security Investors Protection Corporation up to \$250,000. The Foundation generally maintains accounts at financial institutions in excess of insured amounts. The Foundation has not experienced any losses in such accounts and management believes the Foundation is not exposed to any significant credit risk related to these accounts.

The Foundation utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible for changes in the values of investment securities occurring in the near term and those changes could materially affect the amounts reported in the financial statements.

(4) Contributions receivable

During 2011, the Foundation initiated a five-year comprehensive campaign ("the Campaign") for the initial purpose of generating contributions from members of the Board of Directors (the "Board") and others with close ties to the Foundation. In years subsequent to 2011, the Campaign has been expanded to target contributions from the general public as well. The contributions will be used for the purposes of funding and expanding current and future programs run by the NPL and are reported as temporarily restricted net assets in the accompanying statements of financial position. A summary of total contributions receivable as of June 30, 2017 and 2016 is as follows:

	<u>2017</u>	<u>2016</u>
Temporarily restricted:		
Receivable in less than one year	\$ 384,633	\$ 393,863

(5) Investments and fair value measurements

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at June 30, 2017 and 2016.

- (i) ***Mutual funds:*** Valued at the net asset value of shares held by the Foundation at year end as reported on the active market on which the individual fund is traded.
- (ii) ***Common and preferred stocks:*** Valued at the closing price reported on the active market on which the individual securities are traded.

NASHVILLE PUBLIC LIBRARY FOUNDATION

Notes to the Financial Statements

June 30, 2017 and 2016

- (iii) ***Common trust funds:*** Common trust funds are invested in separate trust funds which hold investments in a variety of investment instruments, including domestic governmental and corporate debt and equity securities, mutual funds, limited partnerships and foreign equity securities. The funds are valued at the net asset value of shares held based on the value of the underlying investments. The net asset value is determined monthly by the funds' manager, Diversified Trust Company, Inc. Units are issued and redeemed only at the most current month-end net asset value.

- (iv) ***Contributions receivable:*** Valued at the net realizable value of the contributions receivable outstanding at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Foundation's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Foundation's assets at fair value as of June 30, 2017 and 2016:

Notes to the Financial Statements

June 30, 2017 and 2016

Permanently restricted net assets as of June 30, 2017 and 2016 are available for the following purposes:

Bridgestone/Firestone Endowment	\$ 500,000
Jr. League Endowment	400,000
Turner Endowment	1,500,000
Wilson Endowment	500,000
Bredesen Endowment	1,000,000
Other Endowments	<u>603,815</u>
	\$ <u>4,503,815</u>

(9) Endowments

The Foundation follows the Uniform Management of Institutional Funds Act of 1972 ("UMIFA") and its own governing documents. UMIFA requires the historical dollar amount of a donor-restricted endowment fund to be preserved. In the absence of donor restrictions, the net appreciation on a donor-restricted endowment fund is spendable under UMIFA. The Foundation's donors have not placed restrictions on the use of the investment income or net appreciation resulting from the donor-restricted endowment funds.

The Board on the advice of legal counsel, has determined that the majority of the Foundation's contributions are subject to the terms of its governing documents. Certain contributions are received subject to other gift instruments, or are subject to specific agreements with the Foundation. Under the terms of the Foundation's governing documents, the Board has the ability to distribute as much of the original principal of any trust or separate gift, devise, bequest, or fund as the Board in its sole discretion shall determine. As a result of the ability to distribute the original principal, all contributions not classified as temporarily restricted or permanently restricted are classified as unrestricted net assets for financial statement purposes.

During 2007, the state of Tennessee adopted the Tennessee Uniform Prudent Management of Institutional Funds Act ("TUPMIFA"). As prescribed by TUPMIFA, the Foundation intends to preserve the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified in accordance with the terms of the donor agreement. In accordance with TUPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

NASHVILLE PUBLIC LIBRARY FOUNDATION

NASHVILLE PUBLIC LIBRARY FOUNDATION

Notes to the Financial Statements

June 30, 2017 and 2016

Distributions from the endowments are made as determined by the Board of Directors to satisfy program objectives. Contributions received for all endowment funds are invested in accordance with the investment policy statement maintained by the Foundation. See below for the use of income resulting from significant endowment funds.

Board Designated Endowment

Income from the investments is transferred to the unrestricted fund balance and is used for special programs.

Bridgestone/Firestone Endowment

Income from the endowment is transferred to the Conference Center Fund (a temporarily restricted fund) and is used to purchase new equipment for the conference center and fund new art exhibits and programs in the Conference Center.

Jr. League Endowment

Income from the endowment is transferred to the Children's Department Fund (a temporarily restricted fund) and is used for Puppet Troupe expenses, summer reading programs, and other children's programs.

Turner Endowment

Income from the endowment is transferred to the Children's Department Fund (a temporarily restricted fund) and is used for Puppet Troupe expenses, summer reading programs, and other children's programs.

Wilson Endowment

Income from the endowment is transferred to the Wilson Fund (a temporarily restricted fund) and is used for art related programs and the purchase of art books.

Bredesen Endowment

Income from the investments is transferred to the unrestricted fund balance and is used for special programs.

(10) Leases

Pursuant to a Commercial Lease Agreement, dated April 12, 2000, between The Metropolitan Development and Housing Agency, as lessor, and the Foundation, as lessee, the Foundation leases a portion of the downtown public library (the "Leased Space"), at a rental of \$1 per year. The lease terminates on July 1, 2098. A portion of the leased space is subleased to two unaffiliated organizations.

(11) Donated services and supplies

Donated supplies and services included in the accompanying financial statements for the years ended June 30, 2017 and 2016 totaled \$67,660 and \$128,911, respectively.

(12) Related party transactions

The Foundation may obtain goods or services from individuals, companies or organizations affiliated with or owned, directly or indirectly, by members of the Board.

Contributions from board members amounted to approximately \$163,000 and \$187,000 in 2017 and 2016, respectively. The Foundation had pledges receivable from these board members amounting to approximately \$238,000 and \$336,000 at June 30, 2017 and 2016, respectively.

The Foundation grants certain funds to the NPL for various projects which fulfill the Foundation's mission. Total gifts to the Library for the years ended June 30, 2017 and 2016 were approximately \$803,000 and \$979,000, respectively. At June 30, 2017 and 2016, accounts payable to the NPL amounted to approximately \$79,000 and \$217,000, respectively. The Foundation also provided support to certain libraries under the control of Metro Nashville government.

(13) Fund with Community Foundation of Middle Tennessee

In August 2001, an individual established the Nashville Public Library Endowment Fund, an agency endowment fund with the Community Foundation of Middle Tennessee (the "Community Foundation"). Earnings on this fund are designated for the purchase of books for NPL. Total funds held by the Community Foundation, which are excluded from the assets of the Foundation, amounted to \$913,119 and \$877,587 at June 30, 2017 and 2016, respectively. This fund distributed \$45,200 to the Foundation during 2017 and \$48,000 during 2016 and such amounts are included in temporarily restricted contributions.
