INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Martha O'Bryan Center, Inc. and Affiliate
Nashville, Tennessee

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Martha O'Bryan Center, Inc. and Affiliate (collectively the "Center") which comprise the consolidated statement of financial position as of June 30, 2023 and 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Martha O'Bryan Center, Inc. and Affiliate as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Martha O'Bryan Center, Inc. and Affiliate and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Martha O'Bryan Center, Inc. and Affiliate's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Martha O'Bryan Center Inc. and Affiliate's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Martha O'Bryan Center Inc. and Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and by the State of Tennessee, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the Roster of Board of Directors and Executive Staff as of June 30, 2023 but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 21, 2023, on our consideration of Martha O'Bryan Center Inc. and Affiliate's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Martha O'Bryan Center Inc. and Affiliate's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Martha O'Bryan Center Inc. and Affiliate's internal control over financial reporting and compliance.

A. NATURE OF ACTIVITIES

Organization

Martha O'Bryan Center, Inc. and Affiliate (collectively the "Center"), founded in 1894, is qualified as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. The primary programs of the Center include charter schools, child development, youth services, community services and family education. The Center operates primarily in its East Nashville community. The charter schools discussed below are programs of the Center. Accordingly, all activity of the schools are included in the accompanying consolidated financial statements.

During 2011, the Center received funding for a charter school, East End Preparatory School ("EEP"), in East Nashville. EEP provides kindergarten through grade eight students with the academic foundation necessary to excel in high school and beyond, while fully integrating familial and community support to help them achieve their goals. EEP opened in August 2011 with four kindergarten classes and added an additional grade each year culminating with the addition of the eighth grade in the 2019-2020 fiscal year.

During 2014, the Center received approval to open another charter school, Explore Community School ("Explore"). Explore plans to provide kindergarten through grade eight students with opportunities to foster independence, critical thinking and creativity through project-based learning. Explore opened in August 2015 and plans to add an additional grade each year, similar to EEP.

In December 2021, MOBC-Boscobel, Inc., a qualified tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code, was established to obtain financing and construct new facilities which will serve as offices for the Center.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Consolidated Financial Statement Presentation

The accompanying consolidated financial statements present the financial position and changes in net assets of the Martha O'Bryan Center (the "MOBC") and MOBC-Boscobel, Inc. ("Boscobel") on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). All significant intercompany receivables and payables and income and expenses among consolidated entities have been eliminated upon consolidation.

The consolidated financial statements of the Center are presented on the accrual basis. The significant accounting policies followed are described below.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Cash and Cash Equivalents

The Center considers all highly liquid investments with original maturities of less than three months to be cash equivalents. The Center may, at times, maintain bank accounts whose balances exceed federally insured limits. However, the Center has not experienced any losses in such accounts, and believes it is not exposed to any significant credit risk related to cash and cash equivalents.

Contributions and Promises to Give

Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using a risk-free interest rate applicable to the year in which the promise is received. Amortization of the discount is included in contribution revenue. Unconditional promises to give are reported net of an allowance for uncollectible receivables based on historical payment trends and review of specific accounts. Conditional promises to give are not included as support until such time as the conditions are substantially met.

Grant Revenues and Receivables

Grant revenues are recognized when qualified reimbursable expenses are incurred or when services are performed. Grant funds received in advance are recognized as deferred grant revenue until earned. Grant receivables represent amounts due from grants which have been earned but not received. All grant receivables are reported at estimated collectible amounts.

The Center receives federal financial assistance through state agencies, as well as state and local government grants. The expenditure of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies.

Any disallowed claims resulting from such audits could become a liability of the Center. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the Center as of June 30, 2023 and 2022.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Property and Equipment

Property and equipment are stated at cost, net of accumulated depreciation. It is the Center's policy to capitalize property and equipment over \$10,000. Depreciation is calculated using the straight-line method to allocate the cost of depreciable assets over the estimated useful lives of the assets. The useful lives for buildings and improvements range from five to forty years. The lives for equipment, furniture and fixtures, office equipment and automobiles range from five to seven years. Assets held under capital leases are amortized over the shorter of the estimated useful life of the assets or the lease term. Donated property and equipment are recorded at their estimated fair value at the date of the gift.

Expenditures for maintenance and repairs are expensed when incurred. Expenditures for renewals or betterments are capitalized. When property is retired or sold, the cost and the related accumulated depreciation are removed from the accounts, and the resulting gain or loss is included in net assets without donor restrictions.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor or grantor imposed restrictions.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Center has no net assets subject to donor-imposed restrictions that are perpetual in nature at June 30, 2023 and 2022.

Contributions received are recorded as support without donor restrictions or with donor restrictions depending on the existence and/or nature of any donor restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

In-Kind Contributions of Property, Materials and Services

In-kind contributions are recognized at their estimated fair values on date of receipt. The Center recognizes the fair value of contributed services received if such services create or enhance nonfinancial assets or require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not contributed. The Center receives services from a large number of volunteers who give significant amounts of their time to the Center's programs and fund-raising campaigns but which do not meet the criteria for financial statement recognition.

Income Taxes

The Center is exempt from federal income taxes under the provisions of Internal Revenue Code Section 501(c)(3), and, accordingly, no provision for income taxes is included in the consolidated financial statements.

Under generally accepted accounting principles ("GAAP"), a tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. The Center had no material uncertain tax positions that qualify for either recognition or disclosure in the consolidated financial statements as of June 30, 2023 and 2022.

The Center files a U.S. Federal information tax return. As of June 30, 2023 and 2022, the Center has accrued no interest and no penalties related to uncertain tax positions. It is the Center's policy to recognize interest and/or penalties related to income tax matters in income tax expense.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Expenses which are directly related to a function are charged to that function. Expenses that are related to more than one function are allocated to the applicable functions based upon various allocation methods in order to reflect the total cost of each function. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Center.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Long-lived Assets

Management evaluates the recoverability of the investment in long-lived assets on an ongoing basis and recognizes any impairment in the year of determination. It is reasonably possible that relevant conditions could change in the near term and necessitate a change in management's estimate of the recoverability of these assets.

Leases

The Center determines whether an arrangement is or contains a lease at lease inception. Under ASC 842, a contract is (or contains) a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having both the right to obtain substantially all of the economic benefits from use of the asset and the right to direct the use of the asset.

On the commencement date, operating leases are recorded as operating lease right-of-use ("ROU") assets and operating lease liabilities in the balance sheets. Finance leases are recorded as property and equipment and finance lease liabilities in the balance sheets.

ROU assets represent the Center's right to use an underlying asset for the lease term, and lease liabilities represent the Center's contractual obligation to make lease payments. The lease liability is measured as the present value of the lease payments over the lease term using either the rate implicit in the lease, if it is determinable, or the Center's incremental borrowing rate if the implicit rate is not determinable. ROU assets are calculated as the present value of the remaining lease payments plus unamortized initial direct costs and prepayments of rent, less any unamortized lease incentives received. Lease terms may include renewal or extension options to the extent they are reasonably certain to be exercised. For operating leases, lease expense is recognized on a straight-line basis over the lease term. For finance leases, amortization of the asset is recognized on a straight-line basis over the useful life of the underlying asset and interest on the lease liability is recognized over the lease term. The Center has elected not to recognize a ROU asset and lease liability for leases with an initial term of 12 months or less but includes the expense associated with short-term leases in lease expense in the statements of income.

ROU assets are assessed for impairment in accordance with the Center's long-lived asset policy. Management reassesses lease classification and remeasures ROU assets and lease liabilities when a lease is modified and that modification is not accounted for as a separate new lease or upon certain other events that require reassessment in accordance with ASC 842.

New Accounting Standards

The Center adopted the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 842, Leases, using the retrospective approach, the standard is applied to each prior reporting period presented, and the cumulative effect of applying the standard is recognized at the beginning of the earliest period presented.

As a result of the retrospective adoption of ASC 842, the Center reassessed its lease portfolio and made certain adjustments to the opening balance of net assets as of July 1, 2021. The primary impact of the adoption relates to the recognition of right-of-use assets and lease liabilities for operating leases that were previously accounted for off-balance sheet under the previous guidance.

The impact of the adoption on the consolidated financial statements is as follows:

Finance lease liabilities	\$3,820,922
Finance lease assets	\$3,552,824
Effect on beginning net assets	\$(268,098)

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain amounts have been reclassified in the 2022 consolidated financial statements in order to conform to the 2023 presentation.

C. LIQUIDITY AND AVAILABILITY

The following table reflects the Center's financial assets as of June 30, 2023 and 2022, reduced by amounts that are not available for general use because of contractual or donor-imposed restrictions within one year of the statement of financial position date.

	2023	2022
Cash and cash equivalents	\$ 16,892,550	\$ 21,435,150
Government grants receivable	1,843,831	3,353,390
Other receivables	2,250	6,624
Due from Martha O'Bryan Foundation, Inc.	87,455	77,637
Contribution's receivable	1,643,551	1,598,507
Investments	-	1,900,133
Financial assets at end of year	20,469,637	28,371,441
Less: assets unavailable for general expenditures within one year:		
Net assets with donor restrictions	(1,542,091)	(2,995,844)
Financial assets available to meet cash needs for general expenditures within one year	\$ 18,927,546	\$ 25,375,597

The Center seeks to maintain liquid assets in order to meet its obligations as they become due. Additionally, the Center has a line of credit with an available balance of \$1,000,000 at June 30, 2023 which could provide for operating cash, if needed.

D. SIGNIFICANT SUPPORT

The Center received approximately 56% in 2023 and 52% in 2022 of its funding for operations from Metro Nashville Public Schools based on the State of Tennessee's Basic Education Program ("BEP") for its charter schools, EEP and Explore. BEP funding is designated to schools based on student attendance. Gross BEP funding for the year ended June 30, 2023 was \$19,016,038 which excludes \$266,000 of capital outlay funds included with government grants revenue to be used for facility rent. Gross BEP funding for the year ended June 30, 2022 was \$18,800,287 which excludes \$236,000 of capital outlay funds included with government grants revenue to be used for facility rent.

A major reduction of these funds, should this occur, may have a significant effect on future operations of the Center.

E. CONTRIBUTIONS RECEIVABLE

A summary of contributions receivable as of June 30, 2023 and 2022 is as follows:

	2023	2022
Unconditional promises expected to be collected in:		
Less than one year	\$ 1,443,931	\$ 1,068,193
One to five years	230,000	654,787
	1,673,931	1,722,980
Less discount for net present value	(50,341)	(124,473)
	<u>\$ 1,643,551</u>	<u>\$ 1,598,507</u>

Contributions receivable have been discounted using the Center's incremental borrowing rate as of June 30, 2023. The weighted average discount rate of pledges outstanding as of June 30, 2023 was 5.5%. The majority of the Center's contributions receivable are restricted by donors for the acquisition of property and equipment, including meeting obligations of the Center's capital lease obligations. Management determined that an allowance for uncollectible accounts was not necessary at June 30, 2023 and 2022.

F. ASSETS AND LIABILITIES MEASURED AT FAIR VALUE

Fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability. As a basis for considering market participant assumptions in fair value measurements, fair value accounting standards establish a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity including quoted market prices in active markets for identical assets (Level 1), or significant other observable inputs (Level 2) and the reporting entity's own assumptions about market participant assumptions (Level 3). The Center does not have any fair value measurements using significant unobservable inputs (Level 3) as of June 30, 2023 and 2022. The Center's investments was valued utilizing Level 1 measurements (Note G).

G. INVESTMENTS

During 2020, the Center received an investment in the common stock of a private Center. The private Center is an investment holding Center that holds other interests operating primarily in oil and gas properties. The stock was contributed to assist the Center in meeting future capital needs, including capital investments and debt repayment. Beginning in September 2021, the common stock began trading publicly, and the Center sold all of the common stock in varying increments with the remaining being sold in December 2022. The fair value of the stock at June 30, 2023 and 2022 was \$-0- and \$1,900,133, respectively.

	<u>\$ 36,785,224</u>	<u>\$ 28,953,810</u>

Construction in progress at June 30, 2023 and 2022 consisted mainly of construction of the Center's Hope/Faith building. The renovations began in winter 2022 with expected completion during fiscal year 2024. Estimated costs on construction of the building are approximately \$17 million. Funding for the building consists of capital campaign contributions as well as long-term debt (see Note K).

I. NOTE RECEIVABLE

As part of the Center's financing arrangement for construction of the Faith building (see Note K), the Center issuance a note receivable with a principal balance of \$12,310,500 to Chase NMTC MOB Investment Fund, LLC (the "Fund"). The note bears interest at 1%, payable quarterly beginning in March 2022. In March 2029, principal and interest payments of \$197,997 will be required to be paid quarterly through September 2045. Final payment of \$131,930 is due in December 2045. Management has determined no allowance is necessary on the note receivable as of June 30, 2023.

Related to the arrangement with NMTC MOBC Investment Fund, LLC, the Center has an option at the end of the compliance period in December 2028, to purchase the Fund. Certain compliance measures as defined in the option agreement are required for the purchase option to be exercised.

J. LINE-OF-CREDIT

The Center has an agreement with a local financial institution for an unsecured revolving line of credit with a maximum availability of \$1,000,000. Interest is payable monthly at the institution's prime rate of interest, but in no event will the rate be less than 4% (8.25% at June 30, 2023). There were no amounts outstanding under this line of credit June 30, 2023 and 2022, respectively. The line of credit expires in April 2025.

K. LONG-TERM DEBT

In December of 2021 the Center entered into a new market tax credit debt structure for the purpose of construction of a new facility. Long-term debt, related to the financing of construction consists of the following at June 30, 2023:

Note payable to Pinnacle Bank, with a principal amount of \$4,140,000, bearing interest at a fixed rate of 7.25%, with interest accruing quarterly through December 2026. Beginning in December 2022, annual payments of \$828,000 are required through the maturity date in December 2026. The note payable is collateralized by land and property improvements. Ending principal balance as of June 30, 2023 is \$1,333,350.

Note payable to Low Income Investment Fund (LIIF), with a principal amount up to \$3,000,000 bearing interest at a fixed rate of 4.5%, with interest accruing quarterly through September 2028 and a balloon payment of principal and unpaid interest due in December 2028. The note payable is collateralized by land and property improvements. Ending principal balance as of June 30, 2023 is \$2,912,347.

A short term bridge loan to JP Morgan Chase, with a principal amount of \$891,498, bearing interest at 0%. The loan was paid in full upon funding of notes payable from LIIF Sub-CDE LC, LLC and CNMC Sub-CDE 199, LLC (see below) on December 17, 2023. Ending principal balance as of June 30, 2023 and 2022 is \$-0-.

Note payable to LIIF Sub-CDE LC, LLC, with a principal amount of \$14,938,000, bearing interest at a fixed interest rate of 1.1827%, with interest only payments of \$44,186 due quarterly through December 2028. Beginning in March 2029, quarterly interest and principal payments of \$186,280 are required through September 2051 with a final payment of outstanding principal and interest of \$124,125 becoming due in December 2051. The note payable is collateralized by land and property improvements. Ending principal balance as of June 30, 2023 is \$14,938,000.

K. LONG-TERM DEBT - Continued

Note payable to CNMC Sub-CDE 199, LLC, with a principal amount of \$2,000,000, bearing interest at a fixed rate of 1.1827%, with interest only payments of \$5,914 due quarterly through December 2028. Beginning in March 2029, quarterly interest and principal payments of \$24,940 are required through August 2051 with a final payment of outstanding principal and interest of \$16,619 becoming due in December 2051. The note payable is collateralized by land and property improvements. Ending principal balance as of June 30, 2023 is \$2,000,000.

The Center also paid \$542,452 in costs related to closing of the loans, which are presented net of notes payable in the balance sheet. These costs are being amortized over the life of the loans. The Center recognized \$28,340 and \$1,181 in amortization expense in fiscal years 2023 and 2022.

Maturities of long term debt for the next five years are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2024	\$ 828,000
2025	677,350
2026	-
2027	-
2028	-
Thereafter	<u>19,766,000</u>
Total	<u>\$21,271,350</u>

Interest expense recognized related to the above notes payable was \$319,768 during the year ended June 30, 2023.

L. FINANCE LEASE OBLIGATIONS AND DEFERRED RENT NOTE PAYABLE

Finance Leases of Building and Equipment

The Center has a formal sub-lease agreement for Explore's use of a school building and equipment with the Metropolitan Development Housing Authority ("MDHA"). The sub-leases commenced in August 2019 when Explore took occupancy of the school building and equipment. The sub-leases represent capital lease obligations recorded on Explore's financial statements. The sub-leases have the following provisions:

Equipment sub-lease: The sub-lease for the equipment is for a term of ten years requiring monthly rent payments of approximately \$2,400 per month. The equipment lease contains a purchase option that allows the Center to purchase the equipment at the end of the lease for its fair market value at that time.

L. FINANCE LEASE OBLIGATIONS AND DEFERRED RENT
NOTE PAYABLE - Continued

Explore Community School building sub-lease: The sub-lease for the school building is for an initial term of 30 years with two optional five-year extensions. Rent is due monthly in amounts totaling approximately \$106,600 from the commencement of the lease through September 30, 2025, \$158,800 from October 1, 2025 through December 31, 2028, \$159,400 from January 1, 2029 through December 31, 2029 and \$161,250 from January 1, 2030 through September 30, 2048. However, cash payments of rent are limited to 9.25% of Explore's gross revenue (as defined in the agreement). Any excess base rent over this limitation each month is accrued under a separate term loan payable to MDHA as an obligation under the deferred rent note payable (discussed on the following page).

The Center also has an option to purchase the school building, the equipment and the interest in a land lease from the property's developer. The option period begins September 24, 2025 and continues for a period of 180 days. The purchase price is equal to the greater of the fair market value of the school building and equipment or the outstanding balances of certain loan balances held by MDHA at the purchase option date.

East End School building sub-lease: The sub-lease for the school building is for an initial term of 10 years with no extensions. Rent is due monthly in amounts totaling approximately \$39,854 from the commencement of the lease through July 1, 2022, with 4% increases annually. After the lease expires all titles of the building reverts back to Metro Nashville Public Schools.

N. RETIREMENT PLANS

Assets with Donor Restrictions

The Center maintains a 401(k) retirement plan. Employees are eligible to participate in the 401(k) plan after completing one year of service and attaining age eighteen. The Center may make matching contributions to the plan on a discretionary basis.

EEP and Explore certified teachers, with membership in the Tennessee Consolidated Retirement Plan (TCRS) before July 1, 2014, are provided with pensions through the Teacher Legacy Pension Plan, a cost-sharing, multiple employer defined benefit pension plan administered by the TCRS. The Teacher Legacy Pension Plan closed to new membership on June 30, 2014 but will continue providing benefits to existing members and retirees. Contributions for teachers are established in the statutes governing TCRS and may only be changed by the Tennessee General Assembly. Teachers contribute 5% of salary. The Center annually contributed 8.69% and 10.3% of covered payroll to the plan for 2023 and 2022.

MARTHA O'BRYAN CENTER, INC. AND AFFILIATE
NOTES TO THE SCHEDULE OF EXPENDITURES OF
FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE
FOR THE YEAR ENDED JUNE 30, 2023 AND 2022

A. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance (the "Schedule") includes the federal and state grant activity of Martha O'Bryan Center, Inc. and Affiliate (collectively the "Center"). The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance") and the State of Tennessee. Because the Schedule presents only a selected portion of the operations of the Center, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Center.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

For purposes of the Schedule, expenditures of federal and state grant awards are recognized on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

The Center did not expend any Federal or State awards during fiscal year 2023 in the form of non-cash assistance.

The Center elected to not use the 10% de minimus indirect cost rate. The Center did not provide any funds to subrecipients.

INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

The Board of Directors of
Martha O’Bryan Center, Inc. and Affiliate

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Martha O’Bryan Center, Inc. and Affiliate (collectively the “Center”), which comprise the statements of financial position as of June 30, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 21, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Center’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Center’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR
THE MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

The Board of Directors of
Martha O'Bryan Center, Inc. and Affiliate

Report on Compliance for the Major Federal Program

Opinion on Each Major Federal Program

We have audited the compliance of Martha O'Bryan Center, Inc. and Affiliate (collectively the "Center") with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023. The Center's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Martha O'Bryan Center, Inc. and Affiliate complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each major federal program for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Martha O'Bryan Center, Inc. and Affiliate and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Martha O'Bryan Center, Inc. and Affiliate's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Martha O'Bryan Center, Inc. and Affiliate's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Martha O'Bryan Center, Inc. and Affiliate's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Martha O'Bryan Center, Inc. and Affiliate's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Martha O'Bryan Center, Inc. and Affiliate's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Martha O'Bryan Center, Inc. and Affiliate's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Martha O'Bryan Center, Inc. and Affiliate's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
