INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Salvus Center, Inc.

We have audited the accompanying financial statements of Salvus Center, Inc. (a nonprofit organization), which comprise the statements of assets, liabilities, and net assets — modified cash basis as of June 30, 2019 and 2018, and the related statements of support, revenue, and expenses — modified cash basis, functional expenses — modified cash basis and cash flows — modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the

circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Salvus Center, Inc. as of June 30, 2019 and 2018, and its support, revenue and expenses, and cash flows for the years then ended in accordance with the modified cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

SALVUS CENTER, INC. NOTES TO FINANCIAL STATEMENTS JUNE 30, 2019 and 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Nature of Activities

Inspired by the Biblical mandate to care for the sick and the needy, a diverse group of Sumner County's leading citizens came together in fall 2004 to found Salvus Center, a faith-based nonprofit organization dedicated to providing healthcare for the working uninsured in Sumner County, Tennessee. In February 2005, the charter was amended to change the name to the Salvus Center, Inc. (the "Center"). The Center is chartered and incorporated under the laws of Tennessee as a nonprofit corporation. The Center opened its first health care clinic in Gallatin, Tennessee in March 2006 for residents of the county who work but do not have health insurance. Patients are seen, treated, and pay fees according to a sliding scale. Contributions received from foundations, faith communities, individuals, and businesses located in the Middle Tennessee region and government grants are the Center's primary sources of support.

B. Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting, revenues are recognized when collected and expenses are recognized when paid. The donated professional services and property and equipment received for less than fair market value are recorded as contributions in these financial statements.

C. Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Center to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

D. Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of less than three months. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

E. Property and Equipment

Property and equipment are recorded at cost or, if donated, at the estimated fair market value at the date of donation. Property and equipment (including software) are depreciated using the straight-line method over the life of the asset, between 3 to 7 years. The building is depreciated using the straight-line method over the estimated useful life of thirty-nine years. Building improvements are depreciated over the life of the building of thirty-nine years. Depreciation expense for the years ended June 30, 2019 and 2018 is \$19,792 and \$20,470, respectively. Repair and maintenance costs are expensed as incurred.

F. Basis of Presentation

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed stipulations. Accordingly, net assets of the Center and changes therein are classified and reported as follows:

Net assets without donor restrictions — Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Center and/or the passage of time. Restrictions that are fulfilled in the same accounting period in which the funds are received are reported in the statement of activities as net assets without donor restrictions. The Center has no net assets with donor restrictions as of June 30, 2019 and 2018.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Contributions of cash or other assets that must be used to acquire property and equipment are reported as increases in net assets with donor restrictions until the assets are acquired and placed in service as instructed by the donor. Amounts received that are designated for future periods or restricted by the donor for a specific purpose are reported as net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restrictions.

G. Contributed Services

Contributed services are reflected in the financial statements at the fair value of the services received only when those services either (a) create or enhance nonfinancial assets, or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Volunteers also provide program and fundraising services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met.

H. <u>Program Services</u>

Program services include events or activities in which the Center provides care to working uninsured residents of Sumner County.

I. Advertising Costs

Advertising costs are expensed as incurred. Total advertising cost for the year ended June 30, 2019 and 2018 was \$5,012 and \$2,290, respectively.

K. Vacation and Sick Time

Sick time is accrued one day per month for a total of twelve days per year. Three days of sick time can be carried over to the following year. Management has elected not to accrue vacation or sick time because the amounts cannot be reasonably estimated and does not materially affect the financial statements.
