## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of  
Adventure Science Center-Nashville  
Nashville, Tennessee

We have audited the accompanying statement of financial position of Adventure Science Center-Nashville as of June 30, 2011, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Adventure Science Center-Nashville as of June 30, 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 16, during 2011 management reviewed the Organization's net asset classifications and determined that certain reclassifications were necessary to properly reflect the release of restrictions on temporarily restricted net assets as of June 30, 2010.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses on page 19 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

*Frasier, Dean & Howard, PLLC*

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2011**

**NOTE 1 – NATURE OF ACTIVITIES**

Adventure Science Center-Nashville (“the Center”) is a nonprofit corporation organized exclusively for charitable, educational, and scientific purposes. The Center, formerly the Cumberland Science Museum, serves the community as Adventure Science Center. The Center provides an exciting and didactic environment for visitors of all ages to better understand science, technology, engineering and health through participatory exhibits, demonstrations, and a variety of educational activities and programs including Adventure Tower, BodyQuest, Space Chase and the Sudekum Planetarium. It is the only center of its kind in a 200-mile radius, from which its visitors are primarily drawn. The Center receives funding from private contributions, local appropriations, grants, program fees and admissions.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accompanying financial statements present the financial position and results of operations of the Center in conformity with accounting principles generally accepted in the United States of America. A summary of the significant accounting policies utilized in the preparation of these financial statements follows:

**Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Center and changes therein are classified and reported as follows:

**Unrestricted net assets** - Net assets that are not subject to donor-imposed stipulations or designated by the Center’s board.

**Temporarily restricted net assets** - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Center and/or the passage of time.

**Permanently restricted net assets** - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Center. Generally, the donors of these assets permit the Center to use all or part of the income earned on related investments for general or specific purposes.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses and allocation of functional expenses during the reporting period. Actual results could differ from those estimates.

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Revenue Recognition**

Unconditional promises to give are recorded as assets at their estimated realizable value when received and are generally available for unrestricted use in the related year unless specifically restricted by the donor. An allowance for uncollectible accounts is provided based on past experience with collections and estimated collectability of current receivables. Uncollectible accounts are charged against the allowance in the period determined to be uncollectible.

Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows, unless resulting income streams are not predictable. The discount on those amounts is computed using an interest rate commensurate with the risks involved at the time the pledge is initially recognized. Amortization of the discount is recognized on the interest method over the term of the gift and included in contribution revenue.

Contributions of cash and other assets are reported as temporarily restricted support if they are received with donor stipulations that prescribe or limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted and reported in the statement of activities as net assets released from restrictions.

**Cash and Cash Equivalents and Restricted Cash**

Cash and cash equivalents consist principally of checking account balances, money market accounts and certificates of deposit and are stated at cost plus accrued interest, which approximates market value. Cash and cash equivalents in investment accounts designated for long-term purposes, or restricted for major construction projects, are excluded from the definition of cash and cash equivalents. Restricted cash consists of contributions received with donor-imposed restrictions limiting their use to long-term purposes and bank-imposed restrictions on certain contributions for use of paying down long-term debt. Unrestricted and restricted cash are held in separate bank accounts.

**Inventory**

Inventory consists primarily of gift shop inventory and is valued at lower of cost (first-in, first-out method) or market.

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Investments**

In accordance with standards of accounting for investments prescribed for not-for-profit organizations, investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains and losses are recognized in the statement of activities for the year ended June 30, 2011. Fair values are based on quoted market price on the last business day of the fiscal year.

Gains and losses arising from the sale, collection, or other disposition of investments and other noncash assets and ordinary income from investments are accounted for in the unrestricted and temporarily restricted funds unless permanently restricted by the donor.

**Fair Value Measurements**

The Center has an established process for determining fair value. Fair value is based upon quoted market prices, where available. If listed prices or quotes are not available, fair value is based upon internally developed models or processes that use primarily market-based or independently-sourced market data and third party information. Valuation adjustments may be made to ensure that financial instruments are recorded at fair value. Furthermore, while the Center believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies, or assumptions, to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date. Generally accepted accounting principles have a three-level valuation hierarchy for fair value measurements. A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The three levels are explained as follows:

*Level 1* – inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

*Level 2* – inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the financial instrument.

*Level 3* – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Property and Equipment**

Property and equipment is reported at cost at the date of purchase or at fair value at the date of gift. Depreciation and amortization are calculated by the straight-line method to allocate the cost of depreciable assets over their estimated useful lives starting in the period in which the assets are placed in service. Interest cost on outstanding borrowings is capitalized as part of the cost of acquiring qualifying assets, if material, during the period required to prepare such assets for intended use.

**Donated Materials and Services**

Donated materials are recorded as gifts in the period received at fair value, if there is an objective and measurable basis for determining such value. Donated services are recognized if they create or enhance nonfinancial assets or the donated service requires specialized skills, is performed by a donor who possesses such skills, and would have been purchased by the Center if not donated. Such services are recognized at fair value as support and expense in the period the services are performed. There were no significant donated materials and services during the year ended June 30, 2011.

Unpaid volunteers have made significant contributions of their time to assist the Center in implementing various programs and exhibits. The value of contributed time is not reflected in these statements since it is not susceptible to objective measurement or valuation and generally does not comply with specialized skill requirements necessary to record such volunteer services by professional standards. However, during the year ended June 30, 2011, volunteers provided approximately 16,000 hours of service to various Center programs.

**Functional Allocation of Expenses**

The following program and supporting services are included in the accompanying financial statements:

Program services – includes costs of activities carried out to fulfill the Center’s mission, resulting in services being provided to beneficiaries, customers and members. Program services are the major purpose for the Center. The Center’s program services include exhibit activities, educational and public programs, planetarium operations, advertising and media costs directly related to programs and exhibits, and the cost of operating the Center’s gift shop.

Management and general – relates to the overall direction of the Center. These expenses are not identifiable with a particular program or with fundraising, but are indispensable to the conduct of those activities and are essential to the Center. Specific activities include organization oversight, business management, recordkeeping, budgeting, financing and other administrative activities.

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Functional Allocation of Expenses (Continued)**

Fundraising – includes costs of activities directed toward appeals for financial support, including special events. Other activities include the cost of solicitation as well as creation and distribution of fundraising materials. These costs also include membership development.

Expenses that can be directly attributed to a particular function are charged to that function. Expenses that relate to more than one function are allocated among applicable functions on the basis of objectively evaluated financial and nonfinancial data or reasonable subjective methods determined by management.

**Income Taxes**

The Center is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, federal income taxes have not been recorded in the accompanying financial statements.

The Center has adopted Financial Accounting Standards Board Accounting Standards Codification (“FASB ASC”) guidance that clarifies the accounting for uncertainty in income taxes recognized in an entity’s financial statements. This guidance prescribes a minimum probability threshold that a tax position must meet before a financial statement benefit is recognized. The minimum threshold is defined as a tax position that is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement. The guidance must be applied to all existing tax positions upon initial adoption. The Center has no tax penalties or interest reported in the accompanying financial statements. Tax years that remain open for examination include the years ended June 30, 2008 through June 30, 2011. The Center had no uncertain tax positions at June 30, 2011.

**Capitalization of Exhibit Costs**

Costs of long-lived exhibits are capitalized and depreciated over their estimated useful lives. Such costs include allocable payroll costs, representing the time spent by the Center staff in constructing or creating these exhibits.

**Advertising Costs**

The cost of advertising and media expenditures is expensed when incurred. Advertising and media expense amounted to \$219,388 during the year ended June 30, 2011.

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Compensated Absences**

Full-time, permanent employees of the Center are granted vacation benefits in varying amounts to specified maximums depending on tenure. Employees are entitled to their balances of accrued vacation leave upon termination. The estimated liability for vested benefits is included in accrued expenses.

**Endowment Funds**

Accounting principles generally accepted in the United States of America state that a nonprofit organization should classify the portion of a donor-restricted endowment fund that is not permanently restricted by the donor or by law as temporarily restricted net assets (time restricted) until it is appropriated for expenditure and donor-imposed purpose restrictions, if any, are met. When the purpose restrictions, if any, on the portion of donor-restricted endowment funds are met and the appropriation has occurred, temporarily restricted net assets are reclassified to unrestricted net assets. The guidance also requires additional disclosures applicable to all nonprofit organizations. Those disclosures provide: a) a description of the organization's policies for making appropriations for expenditures from endowment funds (i.e. the organization's endowment spending policies), b) a description of the organization's investment policies for endowment funds, c) a description of the organization's endowment by net asset class at the end of the period in total and by type of endowment fund, d) a reconciliation of the beginning and ending balances of endowment funds in total and by net asset class, and e) a description of the organization's interpretation of the laws underlying the net asset classification of donor-restricted endowment funds.

**Subsequent Events**

The Center evaluated subsequent events through January 3, 2012, when these financial statements were available to be issued. Management is not aware of any significant events that occurred subsequent to the statement of financial position date but prior to the filing of this report that would have a material impact on the financial statements.

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 3 – ACCOUNTS AND PLEDGES RECEIVABLE**

Accounts and pledges receivable are primarily composed of unconditional promises to give and are collectible over the following periods at June 30, 2011:

Less than one year	\$ 805,516
One to five years	<u>252,156</u>
	1,057,672
Less discount to net present value	<u>(16,954)</u>
	1,040,718
Less allowance for uncollectibles	<u>(88,551)</u>
Unconditional promises to give, net	952,167
Program related receivables	<u>163,010</u>
Accounts and pledges receivable, net	<u>\$ 1,115,177</u>

The Center discounts pledges that are expected to be collected after one year using rates ranging from .45% to 5.1% during the year ended June 30, 2011. Discounted unconditional promises to give, that are included in accounts and pledges receivable at June 30, 2011, include \$987,642 restricted for the planetarium capital project, \$31,374 for debt reduction, \$750 restricted for the adventure tower capital project, and \$20,952 for other purposes.

**NOTE 4 – PROPERTY AND EQUIPMENT**

Property and equipment consists of the following at June 30, 2011:

		<b><u>Estimated Useful Lives</u></b>
Buildings	\$ 17,902,585	5 - 40 years
Equipment and exhibits	11,005,181	3 - 20 years
Exhibits – construction in progress	<u>116,632</u>	
	29,024,398	
Less accumulated depreciation	<u>(10,743,516)</u>	
	<u>\$ 18,280,882</u>	

Fully depreciated assets amounted to approximately \$3,800,000 at June 30, 2011.

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 4 – PROPERTY AND EQUIPMENT (Continued)**

Land on which the Center's main building and parking lots are located is leased through the year 2017 from the Metropolitan Board of Parks and Recreation of the Metropolitan Government of Nashville and Davidson County, Tennessee, for one dollar per year. The Center has the option to renew the lease at expiration for an additional 50 years at the same terms.

**NOTE 5 – OTHER ASSETS**

Other assets consist of the following at June 30, 2011:

STARS show	\$ 645,195
Loan costs	<u>35,659</u>
	680,854
Less accumulated amortization	<u>(215,350)</u>
	<u>\$ 465,504</u>

The Center incurred \$645,195 of costs to produce its planetarium show. These costs have been capitalized and included in other assets in the accompanying statements of financial position. The costs are being amortized over 10 years, the expected life of the show. The Center also incurred \$35,659 in connection with its planetarium note payable. These costs are included in other assets in the accompanying statements of financial position and are being amortized over 6 years, the term of the related loan.

**NOTE 6 – INVESTMENTS**

Investments are stated at fair value with fair value determined based on active markets (Level 1) and consist of the following at June 30, 2011:

Short-term investments	\$ 44,868
Common stocks	789,526
Corporate bonds	404,689
U.S. government bonds	<u>457,124</u>
	<u>\$ 1,696,207</u>

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 6 – INVESTMENTS (Continued)**

The following schedule summarizes the investment return for the year ended June 30, 2011:

Realized gains	\$ 36,059
Unrealized gains	<u>168,399</u>
Net realized and unrealized gains	204,458
Investment fees	<u>(22,409)</u>
	<u><u>\$ 182,049</u></u>

**NOTE 7 – COLLECTIONS**

In conformity with the practice followed by many museums, collection items purchased and donated are not included in the statements of financial position. The value of collection items acquired by gift cannot be reasonably estimated and has not been recognized in the statements of activities. The cost of collection items purchased is reported under exhibits and programs expense. There were no material collection items purchased or donated during the year ended June 30, 2011.

**NOTE 8 – TRUST FUND**

The Sudekum Memorial Trust (the “Trust”) was established to defray operating expenses of the Sudekum Planetarium through annual contributions from the income of the Trust. The Trust is governed by five directors, including the Center’s Board Chair, another Center trustee and representatives of the Sudekum family. Distributions, which amounted to approximately \$50,300 in 2011 are recorded in gifts, appropriations and private grants. The trustees have full discretion as to the timing of distributions and may elect to use Trust funds for another purpose. Accordingly, contribution support is recorded when distributions are received and trust assets are not reported in the Center’s statement of financial position.

**NOTE 9 – NOTE PAYABLE**

Note payable at June 30, 2011 consists of a loan secured by substantially all assets of the Center which bears interest at LIBOR plus 3.5% (3.68% at June 30, 2011). The loan has a covenant which requires that any money received on pledges is to be paid on the principal of the loan. The Center is also required to obtain and collect specified amounts of new pledges as scheduled for each year of the loan. In addition to the pledge payments, the Center is required to make quarterly interest payments until April 1, 2013, the maturity date. Total interest expense (including change in interest rate swap valuation) for the year ended June 30, 2011 was \$154,326. The Center was not in compliance with the new pledge covenant of the note payable at June 30, 2011. The Center has received a waiver from its lender for this covenant violation and, as a result, the principal maturities below are classified according to scheduled maturities in the note agreement.

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 9 – NOTE PAYABLE (Continued)**

A schedule by year, of aggregate principal maturities of note payable as of June 30, 2011, follows:

Year ending	
<u>June 30,</u>	
2012	\$ -
2013	<u>2,745,575</u>
	<u>\$ 2,745,575</u>

**NOTE 10 – DERIVATIVE FINANCIAL INSTRUMENT**

The Center is party to an interest rate swap agreement in an effort to reduce the risk associated with interest rate fluctuations. Accordingly, the swap agreement was designated as a cash flow hedging activity and represents a derivative financial instrument. The Center does not engage in trading this derivative. This swap agreement was entered into for the purpose of managing a portion of the variable rate obligation related to the note payable. Based on the swap agreement, the Center will pay interest quarterly calculated by multiplying the notional amount times a fixed rate of 4.75% per annum. In return, the counterparty will pay interest based on a variable rate. At June 30, 2011, the notional amount was \$1,500,000. The fair value of the interest rate swap liability was \$90,237 as of June 30, 2011 and was included as a liability in the statement of financial position. The fair value was determined based on the expected cash flows over the life of the derivative. Expected cash flows are determined by evaluating transactions with a pricing model using a specific market environment. The derivative is considered Level 2 within the fair value measurement hierarchy. The swap agreement expires in October 2013.

**NOTE 11 – TEMPORARILY RESTRICTED NET ASSETS**

Temporarily restricted net assets consist principally of contributions restricted for future programs or improvements to existing programs. Significant components at June 30, 2011 include the following:

BodyQuest	\$ 382,916
Bugs Backyard	259,960
Planetarium	144,202
Other	76,199
Unappropriated endowment earnings	<u>27,410</u>
	<u>\$ 890,687</u>

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 12 – PERMANENTLY RESTRICTED NET ASSETS**

Permanently restricted net assets consist of contributions whose principal is to be held in perpetuity in accordance with terms prescribed by the donors. The income from permanently restricted contributions is expendable to support the operations of the Center. Permanently restricted net assets totaled \$1,622,828 at June 30, 2011.

The Uniform Prudent Management of Institutional Funds Act (“UPMIFA”) was enacted in Tennessee effective July 1, 2007. The Center has interpreted the UPMIFA as requiring that the Center classify as permanently restricted net assets a) the original value of donor-restricted gifts to the permanent endowment, b) the original value of subsequent donor-restricted gifts to the permanent endowment, and c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are approved for expenditure by the board in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Center considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Center and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Center
- The investment policies of the Center

**Endowment Net Asset Composition by Type of Fund as of June 30, 2011:**

	<u><b>Unrestricted</b></u>	<u><b>Temporarily Restricted</b></u>	<u><b>Permanently Restricted</b></u>	<u><b>Total</b></u>
Donor restricted endowment funds	\$ <u>-</u>	\$ <u>27,410</u>	\$ <u>1,622,868</u>	\$ <u>1,650,278</u>

**ADVENTURE SCIENCE CENTER-NASHVILLE**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 12 – PERMANENTLY RESTRICTED NET ASSETS (Continued)**

**Changes in Endowment Net Assets for the fiscal year ended June 30, 2011:**

	<u><b>Unrestricted</b></u>	<u><b>Temporarily Restricted</b></u>	<u><b>Permanently Restricted</b></u>	<u><b>Total</b></u>
Endowment net assets, beginning of year	\$ (48,498)	\$ -	\$ 1,622,868	\$ 1,574,370
Investment return:				
Investment income	18,951	2,617	-	21,568
Net appreciation (realized and unrealized)	<u>179,547</u>	<u>24,793</u>	<u>-</u>	<u>204,340</u>
Total investment return	<u>198,498</u>	<u>27,410</u>	<u>-</u>	<u>225,908</u>
Appropriation	<u>(150,000)</u>	<u>-</u>	<u>-</u>	<u>(150,000)</u>
Endowment net assets, end of year	<u>\$ -</u>	<u>\$ 27,410</u>	<u>\$ 1,622,868</u>	<u>\$ 1,650,278</u>

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Center to retain as a fund of perpetual duration. In accordance with generally accepted accounting principles, any deficiencies of this nature are reported in unrestricted net assets.

The Center has adopted investment and spending policies for endowment assets that attempt to preserve the capital and maintain the purchasing power of the endowment assets. Under this policy, as approved by the board of trustees, the endowment assets are invested in a manner that is intended to provide a real total return, net of investment management fees, that will grow principal and cash flow. Actual returns in any given year may vary. To satisfy its long-term rate-of-return objectives, the Center investment policy allows for up to 100% investment in equities and up to 20% in fixed income securities.

The Center may authorize a distribution of any and all earnings above the fair value of the original gift.

**NOTE 13 – CONCENTRATIONS OF CREDIT RISK**

Financial instruments that potentially subject the Center to concentrations of credit risk consist of cash, investments, and pledges receivable.

The Center maintains its cash in bank accounts that, at times, may exceed federally insured limits. The Center has not experienced any losses in such accounts. Deposits are insured by the Federal Deposit Insurance Corporation. Management believes the Center is not exposed to any significant credit risk on cash. Uninsured balances at June 30, 2011 totaled \$9,960.

**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**June 30, 2011**

**NOTE 13 – CONCENTRATIONS OF CREDIT RISK (Continued)**

Investments are subject to market risk. Money market funds held in the investment account are uninsured. Risk related to equity and debt investments is mitigated by diversification of the portfolio among issuers and industries.

Pledges receivable consist of individual, foundation and corporate contribution pledges. At June 30, 2011, pledges receivable from two foundation donors amounted to \$685,774, or 61% of total accounts and pledges receivable by the Center. Allowances for uncollectible pledges are provided for receivables, with specific emphasis on the unique characteristics of significant campaigns, based on collection history and discrete knowledge of the donor base.

**NOTE 14 – EMPLOYEE BENEFIT PLAN**

The Center provides its employees with a 401(k) retirement plan (the “Plan”). Employees are eligible to contribute to the Plan upon reaching age 18 and completing three months of qualified service. Employees are eligible to receive matching and discretionary contributions upon reaching age 21 and completing one year of qualified service. For the year ended June 30, 2011, the Center provided a discretionary matching contribution of \$29,876.

**NOTE 15 – COMMITMENTS AND CONTINGENCIES**

The Center is involved in various legal proceedings arising in the ordinary course of business. In the opinion of management, although the outcome of any legal proceedings cannot be predicted, the ultimate liability of the Center in connection with its legal proceedings will not have a material adverse effect on the financial position or activities of the Center.

**NOTE 16 – RECLASSIFICATION**

During the year ended June 30, 2011, management reviewed its temporarily restricted net asset balances and determined that certain purpose restrictions had been met in previous years. As a result, \$2,628,475 of previously reported temporarily restricted net asset balances have been reclassified to unrestricted net assets at June 30, 2010. The reclassification had no effect on total net assets as previously reported at June 30, 2010.
