CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Both Hands Foundation:

We have audited the accompanying financial statements of Both Hands Foundation (a nonprofit organization) as of December 31, 2015, which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Both Hands Foundation as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

CASH AND CASH EQUIVALENTS, ENDING \$ 412,467

The accompanying notes are an integral part of the financial statements.

BOTH HANDS FOUNDATION

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2015

NOTE 1 – THE ENTITY

Both Hands Foundation (the "Foundation") was incorporated under the Tennessee Nonprofit Corporation Act on January 31, 2008. The Foundation, a religious corporation, is qualified as a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code. The purpose of the Foundation, as stated in its mission statement, is to serve widows, orphans and Christian adoptive families by helping Christian adoptive families fund their adoptions by coordinating service projects to provide repairs and maintenance to the homes of widows. The Foundation is located in Nashville, Tennessee.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Periods - All references to 2015 in these financial statements refer to the year ended December 31, 2015, unless otherwise noted.

Basis of Accounting - The financial records of the Foundation are maintained on the accrual basis of accounting.

Financial Statement Presentation

The Foundation is required to report information regarding its financial position and activities according to three classes of net assets as follows:

Unrestricted – This class includes net assets that are not subject to any donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily Restricted – This class includes net assets whose use by the Foundation is subject to donor-imposed restrictions that can be fulfilled by actions of the Foundation pursuant to those restrictions or that expire by the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted – This class includes net assets subject to donor-imposed restrictions that require the assets to be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on any related investments for general or specific purposes. At December 31, 2015, the Foundation had no permanently restricted net assets. See Note 3 for further details.

Cash and Cash Equivalents - Cash and cash equivalents consist of cash on hand, cash in various bank accounts, and all highly liquid investments with an original maturity of three months or less. The Foundation may, at times, maintain bank accounts whose balances exceed federally insured limits. However, the Foundation has not experienced any losses in such accounts, and believes it is not exposed to any significant credit risk related to cash and cash equivalents.

BOTH HANDS FOUNDATION

NOTES TO FINANCIAL STATEMENTS (CONTINUED) **DECEMBER 31, 2015**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment - Expenditures for additions, major renewals and betterment of property and equipment are capitalized and recorded at cost. The fair value of donated property and equipment is similarly capitalized. Expenditures for maintenance and repairs are charged to expense as incurred. Depreciation is computed by using the straight-line method over the estimated useful lives of the assets.

Donated Materials and Services - Donated materials, services and use of facilities are recognized as contributions at their estimated fair values at date of receipt. The Foundation operates out of facilities donated by a member of the Board of Directors. The Foundation also received donated accounting services in the amount of \$12,000 for 2015. The total value of donated facilities, services and goods meeting the requirements for recognition in the financial statements for 2015 was \$130,722.

Income Taxes - As mentioned in Note 1, the Foundation is a tax-exempt organization; accordingly, no provision for income taxes is included in the accompanying financial statements.

The Foundation files an annual information return (Form 990) with the U.S. government. At December 31, 2015, the Foundation is no longer subject to U.S. tax examinations of these information returns by tax authorities for years before December 31, 2012.

Advertising Costs - Advertising costs, which also include marketing and development, are expensed as incurred. Advertising costs were \$18,550 for the year ended December 31, 2015.

Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses - Expenses, which are directly related to a function, are charged to that function. Expenses that are related to more than one function are allocated to the applicable functions based upon various allocation methods in order to reflect the total cost of each function.

Events Occurring after Reporting Date – Management has evaluated events and transactions that occurred through September 8, 2016, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE 3 – NET ASSET RESTRICTIONS

Temporarily restricted net assets consist entirely of contributions for adoption assistance. Once the contributions are used for adoption assistance, net assets are reclassified from temporarily restricted to unrestricted, and reported as net assets released from restrictions in the statement of activities. Net assets released from restrictions during 2015 totaled \$603,715.
