INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Domestic Violence Program, Inc.

We have audited the accompanying statements of financial position of the Domestic Violence Program, Inc. (a nonprofit organization) as of June 30, 2007 and 2006, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Domestic Violence Program, Inc. as of June 30, 2007 and 2006, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental information on page 13 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information, except for the portion marked "unaudited" on which we express no opinion, has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

DOMESTIC VIOLENCE PROGRAM, INC.
NOTES TO FINANCIAL STATEMENTS
Years Ended June 30, 2007 and 2006

NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Domestic Violence Program, Inc. (the Organization) provides services and assistance to victims of domestic violence in the Murfreesboro, Tennessee area. Services include counseling, education, legal assistance, temporary housing, clothing and food, when necessary. The Organization is supported primarily through grants, the United Way, and donor contributions.

Basis of Accounting

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-For-Profit Organizations*. Under SFAS No. 117, the organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets; temporarily restricted net assets, which represents the expendable resources restricted by donors as to purpose or by the passage of time; and permanently restricted net assets, which represents resources whose use by the organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the organization. The Domestic Violence Program, Inc. has no permanently restricted net assets.

Property and Equipment

Fixed assets are stated at cost as of the date of acquisition or fair value as of the date of receipt in the case of gifts. Depreciation is computed using the straight-line method based on the estimated useful life of the asset. Expenditures for property and equipment in excess of \$500 are capitalized and maintenance and repairs are charged to operations when incurred. Major renewals and betterments are capitalized. When items of property and equipment are sold or otherwise disposed of, the related costs and accumulated depreciation are removed from the accounts and any gain or loss is included in operations. Depreciation expense for the years ended June 30, 2007 and 2006 is \$60,568 and \$58,946, respectively.

**NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (CONTINUED)**

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restriction.

All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Income Taxes

The Organization was officially chartered as a Tennessee tax-exempt, nonprofit corporation on April 22, 1986. On the federal level, the Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Internal Revenue Code. There was no unrelated business income for the years ended June 30, 2007 and 2006.

Fair Values of Financial Instruments

The Organization estimates that the fair value of all financial instruments does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying Statement of Financial Position.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Organization to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expense

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE A - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donated Services and Noncash Gifts

Many individuals have donated time and services to advance the Organization's programs and objectives. The value of these services has not been recorded in the financial statements because they do not meet the definition for recognition under generally accepted accounting principles. Other noncash donations during 2007 consist of supplies of \$36,213 and rent forgiveness of \$10,359. The value of rent forgiveness is valued by local property managers. These noncash donations are included in donations in the statement of activities.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Cash and Cash Equivalents

The Organization considers all short-term investments with an original maturity of three months or less to be cash equivalents and includes all certificates of deposit.

Rental expense is included in occupancy expense in the accompanying statement of functional expenses. The administrative office space lease is a month to month lease; therefore, no future minimum payments are disclosed.

DOMESTIC VIOLENCE PROGRAM, INC.
NOTES TO FINANCIAL STATEMENTS
Years Ended June 30, 2007 and 2006

NOTE G - TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted contributions contain donor-imposed restrictions that direct the use of the donation as specified and are satisfied either by the passage of time (time restrictions) or by fulfilling the donor-imposed purpose (purpose restriction).

A time restriction stipulates the time period for which the contribution is to be used and is released from the restriction with the passage of time. A purpose restriction specifies the purpose or specific program that the contribution is to support. The release from purpose restriction is by fulfillment of the purpose. At June 30, 2007 and 2006, the Organization had temporarily restricted net assets in the amounts of \$55,070 and \$47,692, respectively.

NOTE H - CLIENT SERVICES

Client-services encompass the expense incurred from providing shelter for victims in protected houses, the operation and maintenance of a shelter, and furnishing other related services for clients of the program.

NOTE I - PRIOR PERIOD ADJUSTMENT

The Organization discovered that its certificate of deposit balance, which is reported under cash and cash equivalents in the statements of financial position, was understated at June 30, 2006 by \$14,373. This resulted in total assets and net assets being understated at June 30, 2006 by \$14,373.

NOTE J - RISKS AND CONCENTRATIONS

Grants

The Organization received \$236,063 and \$219,283 in governmental grants for the years ending June 30, 2007 and 2006, respectively.
