#### Independent Auditor's Report

The Board of Directors
Tennessee Family Solutions, Inc.
Nashville, Tennessee

#### **Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of Tennessee Family Solutions, Inc. (a Tennessee not-for-profit corporation), which comprise the consolidated statements of financial position as of June 30, 2018 and 2017, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Tennessee Family Solutions, Inc. as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 26, 2018, on our consideration of Tennessee Family Solutions, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Tennessee Family Solutions, Inc.'s internal control over financial reporting and compliance.

#### A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Organization and General

Tennessee Family Solutions, Inc., (the Corporation) is a nonprofit corporation organized on October 25, 1999. The Corporation's primary mission is to provide residential and support services to children and adults with severe and multiple disabilities allowing them the opportunity to lead safe, stable and personally fulfilling lifestyles in Tennessee communities. Orchard Foundation, LLC is a wholly-owned subsidiary of the Corporation, formed in fiscal 2011 for the purpose of future acquisition and development of residential care facilities. The financial statements and footnotes are presented on a consolidated basis with all significant intercompany balances and transactions eliminated in the consolidation. The significant accounting policies and practices followed by the Corporation, are presented below to assist the reader in evaluating the consolidated financial statements.

#### **Basis of Presentation**

The consolidated financial statements of the Corporation have been prepared using the accrual basis of accounting.

The Corporation classifies its support, revenue, expenses, gains, and losses into three classes of net assets based on the existence or absence of donor-imposed restrictions. Net assets of the Corporation and changes therein are classified as follows:

<u>Unrestricted net assets</u> - Net assets that are not subject to donor-imposed stipulations. Funds designated by the Corporation's Board represent funds for which the Board has set general guidelines for use and are classified as unrestricted net assets.

<u>Temporarily restricted net assets</u> - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Corporation and/or the passage of time.

<u>Permanently restricted net assets</u> - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Corporation.

The amount for each of these classes of net assets is presented in the consolidated statements of financial position and the amount of change in each class of net assets is displayed in the consolidated statements of activities. There were no temporarily or permanently restricted net assets as of June 30, 2018 and 2017.

#### A. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> - Continued

#### Contributions

The Corporation reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions.

The Corporation reports gifts of property and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Corporation reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

#### Cash and Cash Equivalents

The Corporation considers all cash and liquid investments purchased with an original maturity of three months or less to be cash and cash equivalents. The Corporation maintains cash balances in financial institutions that it considers to be high quality financial institutions. (See Note M).

#### Accounts Receivable

Accounts receivable are carried at cost less an allowance for doubtful accounts. Accounts receivable are periodically evaluated for collectability. Provisions for uncollectible accounts are determined on the basis of experience, known and inherent risks, and current economic conditions. No allowance was considered necessary at June 30, 2018 and 2017.

#### A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Property, Buildings, and Equipment

Property, buildings, and equipment are carried at cost. Property donated is recorded at its estimated market value at the date of the gift. The Corporation capitalizes asset additions greater than \$1,000 that have a useful life of more than one year. Additions that do not meet these criteria are expensed when purchased. Repairs and maintenance are charged to expenses as incurred. Interest cost incurred on borrowed funds during the period of construction of capital assets is capitalized as a component of the cost of acquiring those assets. Interest in the amount of \$23,839 was capitalized for the year ended June 30, 2018. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. The following is a summary of useful lives:

Buildings 25 years
Equipment and vehicles 3 - 5 years
Leasehold improvements 3 - 10 years

#### **Debt Issuance Costs**

Costs incurred in connection with the issuance of the Corporation's bonds and notes payable have been capitalized and are being amortized using the straight-line method, which approximates the interest method, over the term of the loans. Unamortized debt issuance costs are presented as a direct deduction from the carrying amount of the related liability in the consolidated statements of financial position.

#### **Donated Services and Materials**

A substantial number of unpaid volunteers have made significant contributions of their time to the Corporation's programs and administrative activities. The value of this contributed time is not reflected in these consolidated financial statements since it is not susceptible to objective measurement or valuation. Donated materials are recorded at fair market value at the date of the gift.

#### Health and Related Services Revenue, Net

The Corporation has agreements with third-party payers that provide for payments to the Corporation at amounts different from its established rates. Payment arrangements include prospectively determined rates per discharge, reimbursed costs, discounted charges, and per diem payments. Health and related services revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered. The Corporation participates in certain Medicaid programs.

#### A. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued</u>

#### Tax Status

The Corporation is exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code; and accordingly, no provision for income tax is included in the accompanying financial statements. The Corporation is not classified as a private foundation.

The Corporation accounts for the effect of any uncertain tax positions based on a *more likely than not* threshold to the recognition of the tax positions being sustained based on the technical merits of the position under examination by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a *cumulative probability assessment* that aggregates the estimated tax liability for all uncertain tax positions. Tax positions for the Corporation include, but are not limited to, the tax-exempt status and determination of whether income is subject to unrelated business income tax; however, the Corporation has determined that such tax positions do not result in an uncertainty requiring recognition.

#### Use of Estimates

Judgment and estimation are exercised by management in certain areas of the preparation of financial statements. The most significant estimates include the recovery period for buildings and equipment, the collectibility of receivables and the allocation of functional expenses. Management believes that such estimates have been based on reasonable assumptions and that such estimates are appropriate. Actual results could differ from those estimates.

#### Functional Expenses

Expenses have been allocated by function into program services and general and administrative activities benefited based on certain estimates made by management.

#### B. <u>FUNDS HELD IN CUSTODY FOR RESIDENTS</u>

The Corporation serves as custodian for social security, patient and supplemental security income received for certain residents and miscellaneous contributions. These funds are deposited into the agency fund cash account. As of June 30, 2018 and 2017, the Corporation was serving as custodian for \$102,232 and \$102,142, respectively, which represents the unexpended personal funds held for residents.

#### C. PROPERTY, BUILDINGS, AND EQUIPMENT

#### D. BONDS PAYABLE - Continued

#### Series 2011A

Variable interest (fixed rate through February 28, 2021), tax exempt Health Care Facilities Revenue Bonds, Series 2011A are dated February 17, 2011, and mature serially through March 1, 2031. The bonds were issued by the Health and Educational Facilities Board of the Metropolitan Government of Nashville and Davidson County, Tennessee (the "Metropolitan Board"). The Corporation has issued a note payable to the Metropolitan Board for the bonds pursuant to a Loan Agreement secured by the revenues and assets of the Corporation. The agreements require monthly principal installments of \$32,500 commencing on April 1, 2011 and due the 1<sup>st</sup> of each month thereafter. Interest on the bonds is due on the first business day of every month commencing April 1, 2011. Payments for the bonds are required to be deposited with the trustee for retirement of bond principal and interest.

#### **Optional Redemption**

The Series 2011A bonds are subject to optional redemption prior to maturity at the option of the Corporation, subject to the consent of the Metropolitan Board, in whole or in part prior to maturity on any interest rate adjustment date at a redemption price of 100% of the principal amount to be redeemed plus accrued interest thereon to the date of redemption, plus the sum of the present value of the difference between the interest due at date of redemption and what would have been due had the Corporation chose not to prepay.

#### Mandatory Redemption

The mandatory redemption amounts of the bonds are shown as principal reductions during the year of required redemption. The bonds will be redeemed at 100% of the principal amount, plus accrued interest to the redemption date.

The bonds are also subject to extraordinary mandatory redemption, in whole or in part, in the event of certain circumstances or determinations, which include a determination of taxability. The bonds, depending on the circumstances, would be redeemed at the redemption price of 100% of the principal amount thereof plus accrued interest to the redemption date, plus the sum of the present value of the difference between the interest due at date of redemption and what would have been due had the Corporation chose not to prepay.

#### D. <u>BONDS PAYABLE</u> - Continued

#### Series 2011B

Fixed interest, tax exempt Health Facilities Revenue Refunding Bonds, Series 2011B are dated February 17, 2011, and mature serially through December 5, 2030. The bonds were issued by the Metropolitan Board. The Corporation has issued a note payable to the Metropolitan Board for the bonds pursuant to a loan agreement secured by the revenues and assets of the Corporation. The agreements require quarterly principal and interest installments of \$72,266 commencing on March 5, 2016. Interest accrues at the rate of 12%.

#### Optional Redemption

Beginning January 1, 2021, the Series 2011B bonds are subject to optional redemption prior to maturity at the option of the Corporation, subject to the consent of the Metropolitan Bond, in whole or in part prior to maturity on any interest rate adjustment date at a redemption price equal to the following percentages of the principal amount to be redeemed plus accrued interest thereon to the date of redemption as follows:

Redemption Date	Redemption Price

#### Mandatory Redemption

The mandatory redemption amounts of the bonds are shown as principal reductions during the year of required redemption. The bonds will be redeemed at 100% of the principal amount, plus accrued interest to the redemption date.

The bonds are also subject to extraordinary mandatory redemption, in whole or in part, in the event of certain circumstances or determinations, which include a determination of taxability. The bonds, depending on the circumstances, would be redeemed at redemption price of 100% of the principal amount thereof plus accrued interest to the redemption date, plus the sum of the present value of the difference between the interest due at date of redemption and what would have been due had the Corporation chose not to prepay.

#### D. <u>BONDS PAYABLE</u> - Continued

The loan agreements contain various financial covenants. The Corporation was in compliance with these covenants at June 30, 2018 or has obtained an appropriate waiver.

The maturities of bonds payable at June 30, 2018, are as follows:

Year Ending	
June 30,	Amount

#### M. CONCENTRATION OF CREDIT RISK

The Corporation maintains its cash and cash equivalents in financial institutions at balances, which, at times, may be uninsured or may exceed federally insured limits. The Corporation has not experienced any losses in such accounts. The Corporation believes it is not exposed to any significant risk of loss on cash and cash equivalents. The Corporation derives a majority of its revenues from the State of Tennessee under Medicaid programs. Credit risk extends to receivables, which are uncollateralized. Management does not believe there is any significant collection risk.

#### N. SUBSEQUENT EVENTS

The Corporation evaluated subsequent events through September 26, 2018, the issuance date of the Corporation's consolidated financial statements, and have determined that there are no subsequent events that require disclosure.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors Tennessee Family Solutions, Inc. Nashville, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Tennessee Family Solutions, Inc., (a Tennessee not-for-profit corporation), which comprise the consolidated statement of financial position as of June 30, 2018, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated September 26, 2018.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered Tennessee Family Solutions Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Tennessee Family Solutions, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Tennessee Family Solutions Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Tennessee Family Solutions, Inc.'s consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
