Report on Financial Statements

We have audited the accompanying financial statements of Tennessee Baptist Children's Homes, Inc. (a nonprofit organization), which comprise the statement of financial position as of October 31, 2015, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tennessee Baptist Children's Homes, Inc. as of October 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Tennessee Baptist Children's Homes, Inc.'s 2014 financial statements, and our report dated December 9, 2014, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended October 31, 2014, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2015
(with comparative totals for 2014)

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Tennessee Baptist Children's Homes, Inc., ("Children's Homes") is solely owned and operated by the churches of the Tennessee Baptist Convention for the purpose of ministering the love of Jesus Christ to children and families in crisis. The significant accounting principles and practices followed by the Children's Homes are presented below.

Accrual Basis and Financial Statement Presentation

The Children's Homes presents its financial statements on the accrual basis of accounting.

The Children's Homes net assets and its revenue, expenses, gains, and losses are classified into three classes of net assets based on the existence or absence of donor-imposed restrictions. Net assets of the Children's Homes and changes therein are classified as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Children's Homes and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that require the assets to be maintained permanently by the Children's Homes. Generally, the donors of these assets permit the Children's Homes to use all or part of the income earned on related investments for general or specific purposes.

The amount for each of these classes of net assets is displayed in the statement of financial position and the amount of change in each class of net assets is displayed in the statement of activities.

Use of Estimates in the Preparation of Financial Statements

Judgment and estimation are exercised by management in certain areas of the preparation of financial statements, the most significant areas being the recovery period for property, buildings and equipment and accrued postretirement benefit cost. Management believes that such estimates have been based on reasonable assumptions and that such estimates are adequate. Actual results could differ from those estimates.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Children's Homes considers all cash and all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Children's Homes considers any funds invested with GuideStone Financial Services ("GS") to be investments, considering the intent of their investing activities.

Comparative Financial Statements

The financial information shown for fiscal year 2014 in the accompanying statement of financial position, statement of activities, statement of cash flows and statement of functional expenses is included to provide a basis for comparison with fiscal year 2015.

Investments

The Children's Homes reports investments at fair value with gains and losses included in the statement of activities. See notes B and K.

Contributions

The Children's Homes reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Children's Homes has elected to report contributions received with donor imposed restrictions as an increase to unrestricted net assets if the restrictions are met in the same fiscal year that the contributions are received.

The Children's Homes reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Children's Homes reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Property, Buildings and Equipment

Property, buildings, improvements, furniture, equipment and vehicles are stated in the accompanying statement of financial position at cost, or if contributed, at fair value at date of gift.

Depreciable assets are depreciated using the straight-line method over their estimated useful lives.

Donated Materials and Services

Donated materials and certain services are included in the accompanying financial statements at their fair value at date of receipt.

Income Taxes

The Children's Homes is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code; accordingly, no provision for income taxes has been made in the accompanying financial statements.

The Children's Homes accounts for the effect of any uncertain tax positions based on a *more likely than not* threshold to the recognition of the tax positions being sustained based on the technical merits of the position under examination by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a *cumulative probability assessment* that aggregates the estimated tax liability for all uncertain tax positions. Tax positions for the Children's Homes include, but are not limited to, the tax-exempt status and determination of whether income is subject to unrelated business income tax; however, the Children's Homes has determined that such tax positions do not result in an uncertainty requiring recognition.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Funds Held in Trust for Others

Consistent with its charter powers and purposes, the Children's Homes, as trustee, holds certain funds totaling \$950,602 and \$964,460 at October 31, 2015 and 2014, respectively, in accordance with the terms of various trust instruments in which the Children's Homes may have an actual or potential interest. The trustee assets and liabilities are eliminated for reporting purposes. Any residual values which may be received by the Children's Homes have been recorded as beneficial interests in trusts at their respective fair values (Note J).

Pledges

At October 31, 2015, the Children's Homes had no unconditional promises to give. Conditional promises to give at October 31, 2015 and 2014, were \$1,407,232 and \$486,984, respectively. These conditional pledges are due over the next several years. It is not practical to estimate the net realizable value of such conditional pledges.

Fair Value Measurements

The Children's Homes utilizes FASB ASC 820, *Fair Value Measurements and Disclosures*, which established a framework for measuring fair value in accordance with generally accepted accounting principles, and expands disclosures regarding the use of fair value measures. Assets and liabilities recorded at fair value in the statement of financial position are categorized based on the level of judgment associated with the inputs used to measure their fair value (Note K). Level inputs are as follows:

Level 1 - Values are unadjusted quoted prices for identical assets in active markets accessible at the measurement date.

Level 2 - Inputs include quoted prices for similar assets in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spread, and yield curves.

Level 3 - Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

Income from the sale of land and large estate gifts have been the primary sources of additions to this reserve. These income sources occur at irregular times, in unpredictable amounts, and cannot be relied upon for current budget funding due to their erratic nature.

The Board's plan is to wisely utilize these funds by continuing to add to the board designated reserve similar revenues if and when received. Interpretation of Relevant Law

The Children's Homes has interpreted SUPMIFA, State of Tennessee's State Uniform Prudent Management of Institutional Funds Act, as requiring the preservation of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Children's Homes classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Fund in a manner consistent with the standard of prudence prescribed by applicable state laws. In accordance with applicable state laws, the Children's Homes considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Children's Homes and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Children's Homes
- The investment policies of the Children's Homes

Return Objectives and Risk Parameters

The Children's Homes' investment and spending policies for endowment assets attempts to provide a stream of funding for its programs. Endowment assets include those assets of donor-restricted funds that the Children's Homes must hold in perpetuity. Under this policy, as approved by the Board of Trustees, the endowment assets are invested with the goals of high current return and preservation of capital. The Children's Homes expects its endowment funds to provide the maximum attainable current yield while assuming a minimum level of investment risk.

Strategies Employed for Achieving Objectives

To satisfy its objectives, the Children's Homes relies on a strategy in which investment returns are achieved through current yield (interest and dividends). The Children's Homes does not invest in companies or industries whose known products, services or practices are contrary to the beliefs or practices of Southern Baptists.

Spending Policy and How Investment Objectives Relate to Spending Policy

The Children's Homes has a practice of appropriating the current earnings for distribution annually. In establishing this practice the Children's Homes considered the critical need for annual income as well as the existence of non-endowment investments. This is consistent with the Children's Homes objectives of achieving high current return and preservation of capital.

M. SUBSEQUENT EVENTS

Management has evaluated subsequent events through December 7, 2015, the issuance date of the financial statements, and has determined that there are no subsequent events requiring disclosure.
