### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Scarritt-Bennett Center as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Nature of Activities

Scarritt-Bennett Center (the "Center") is a conference, retreat, and education center, the mission of which is to create space where individuals and groups can engage each other to achieve a more just world. The Center is related to the United Methodist Church. The property from which the Center operates is located in Nashville, Tennessee, and is owned by United Methodist Women. The Center provides conference and meeting space to groups for day and multi-day meetings. The Center also offers its own program of education for ministry. The mission of the Center's programs include multi-cultural, ecumenical, and inter-faith activities.

The Center is the sole member of SBC Educational Holdings, LLC, a Tennessee nonprofit limited liability company. SBC Educational Holdings, LLC was organized in August 2012 to hold the interest in the joint venture as described in Note F.

All significant inter-entity activity has been eliminated in the accompanying financial statements.

#### **Financial Statement Presentation**

The Center reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

*Unrestricted net assets* - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met either by action of the Center or the passage of time.

Permanently restricted net assets - Net assets consisting of endowment investments subject to the restrictions of gift instruments requiring that the principal be invested in perpetuity and the income only be utilized.

The Center's governing board has designated a portion of its unrestricted net assets as board-designated endowment. These net assets have not been donor-restricted and are classified as unrestricted net assets. The purpose of this board-designated endowment is to provide income from long-term investments in order to support the Center's activities.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Contributions with donor stipulations that limit their use are considered to be temporarily restricted until the donor restrictions expire, that is, when a time restriction ends or a purpose restriction is fulfilled. Upon the expiration of donor stipulations, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Temporarily restricted contributions received and expended in the same accounting period are classified as unrestricted support.

Unconditional promises to give are recognized as revenues or gains in the period received as assets, decreases in liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Contributed services are recognized as revenue at their fair value if the services create or enhance nonfinancial assets or require specialized skills and are provided by individuals possessing those skills and typically would have been purchased if not provided by contribution. Contributed services and promises to contribute that do not meet these criteria are not recognized as revenue and are not reported in the accompanying financial statements.

#### Cash and Cash Equivalents

For purposes of reporting cash flows, the Center considers all highly-liquid instruments purchased with a maturity date of three months or less to be cash equivalents. Cash and cash equivalents that are designated for long-term investment are included in Investments in the accompanying statements of financial position.

## **Property and Equipment**

The Center's property and equipment is depreciated using the straight-line method over the estimated useful lives of the respective assets, which range from 3 to 27.5 years. Amortization of leasehold improvements is provided over the lives of the respective leases, including renewals, or the estimated useful lives of the improvements, whichever is shorter. The Center's policy is to capitalize property and equipment purchases in excess of \$1,000. Property and equipment is valued at cost, if purchased, or fair value, if contributed.

#### A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Accounts Receivable

Accounts receivable are stated at the amount the Center expects to collect from outstanding balances at year-end. The Center provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written-off through a charge to the valuation allowance and a credit to accounts receivable. At December 31, 2015 and 2014, management concluded that losses, if any, on balances outstanding would not be material based on management's assessment of credit history and current relationships. Therefore, no valuation allowance was established at December 31, 2015 or 2014.

#### <u>Inventory</u>

Inventory consists primarily of food products on hand at the statement of financial position date and is stated at the lower of cost or market on a first-in first-out basis.

#### Investments

Investments in equity and debt securities with readily determinable fair values are carried at fair value based on quoted prices, where available, and on Level 2 inputs (See Note P).

Investment income, including realized and unrealized gains and losses, is recorded in the appropriate net asset classification based on restrictions or absence thereof.

#### Beneficial Interests in Trusts

Beneficial interests in perpetual trusts represent resources neither in possession nor under the control of the Center, but held and administered by outside parties for the benefit of the Center and its mission. These funds are recorded at their fair value based on the underlying investments.

#### **Deposits**

Deposits represent amounts collected by the Center for event services that have not yet been performed.

#### A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

#### Income Tax Status

The Center qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. In addition, the Center qualifies for the charitable contribution deduction under Section 170(b)(l)(A). The Center's federal information and income tax returns for tax years 2012 and later are subject to examination by the Internal Revenue Service.

The Center accounts for the effect of any uncertain tax positions based on a more likely than not threshold to the recognition of the tax positions being sustained based on the technical merits of the position under examination by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of these positions, the unrecognized tax benefit is estimated based on a cumulative probability assessment that aggregates the estimated tax liability for all uncertain tax positions. Tax positions for the Center include, but are not limited to, the tax-exempt status and determination of whether certain income is subject to unrelated business income tax; however, the Center has determined that such tax positions do not result in an uncertainty requiring recognition.

## <u>Functional Allocation of Expenses</u>

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities.

#### Advertising

The Center expenses advertising costs as they are incurred. Advertising expense for the years ended December 31, 2015 and 2014, was \$33,447 and \$22,678, respectively.

#### Fair Value Measurements

Assets recorded at fair value in the statements of financial position are categorized based on the level of judgment associated with the inputs used to measure their fair value. Level inputs, as defined by Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, are as follows:

Level 1 - Values are unadjusted quoted prices for identical assets in active markets accessible at the measurement date.

Level 2 - Inputs include quoted prices for similar assets in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads and yield curves.

## A. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> - Continued

Level 3 - Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the Center's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

## B. <u>INVESTMENTS</u>

Investments are presented in the financial statements at fair value. At December 31, 2015 and 2014, the fair value and cost of investments are as follows:

|  | 20                                   | 15                                   | 20                                   | )14                                  |

Investment expenses of approximately \$78,200 and \$81,200 in 2015 and 2014, respectively, have reduced investment income.

## C. PERPETUAL TRUSTS HELD BY THIRD PARTIES

Two donors have established perpetual trusts, which are administered by third parties. Under the terms of the first trust, the Center has the irrevocable right to receive the income earned on the trust assets in perpetuity. Income is unrestricted. At December 31, 2015 and 2014, the fair value of the assets held under the agreement was \$187,926 and \$186,496, respectively, and is included in permanently restricted net assets.

Under the terms of the second trust, the Center has an irrevocable right to receive the income earned on the trust in perpetuity. Income is restricted for scholarships. At December 31, 2015 and 2014, the fair value of the assets held under the second agreement was \$188,251 and \$194,475, respectively.

#### D. ENDOWMENT

The Center's endowment consists of approximately 80 individual funds established for a variety of purposes. The endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by U.S. Generally Accepted Accounting Principles ("GAAP"), net assets associated with endowment funds, including the funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

## Interpretation of Relevant Law

The Board of Directors has interpreted the Tennessee Prudent Management of Institutional Funds Act ("TPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Center classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by TPMIFA. In accordance with TPMIFA, the organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- the duration and preservation of the fund
- the purposes of the Center and the donor-restricted endowment fund
- general economic conditions
- the possible effect of inflation and deflation
- the expected total return from income and the appreciation of investments
- other resources of the Center
- the investment policies of the Center

The Center's Board of Directors has approved certain loans made from the unrestricted Board-designated endowment fund for the current operations of the Center. Such loans totaled \$518,582 at both December 31, 2015 and 2014, respectively. These loans between funds are included as due to/from in the accompanying statements of financial position. Accordingly, a portion of the Board-designated endowment funds is in the form of a receivable from the Center's operating fund.

#### Funds With Deficiencies

From time-to-time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or TPMIFA requires the Center to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature are reported in unrestricted net assets. Deficiencies generally result from unfavorable market fluctuations that occur along with continued appropriation for certain programs that are deemed prudent by the Board of Directors. There were no such funds with material deficiencies at December 31, 2015 or 2014.

#### D. ENDOWMENT - Continued

#### Return Objectives and Risk Parameters

The Center has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor-specified period as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that, over time, provide a return of approximately eight percent annually while assuming a moderate level of investment risk. Actual returns in any given year will vary from this amount.

## Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Center relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Center targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

#### Spending Policy and How the Investment Objectives Relate to Spending Policy

The Center has a policy of appropriating for distribution each year 5.5% of its endowment fund's average fair value over the prior three years. The calculation is based on the three fiscal years ending on September 30, proceeding the calendar year in which the distribution is planned. In establishing this policy, the Center considered the long-term expected return on its endowment. Accordingly, over the long-term, the Center expects the current spending policy to allow its endowment to grow at an average of two percent annually. This is consistent with the Center's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

#### F. INVESTMENT IN JOINT VENTURE - MIDTOWN PLACE, LLC

During November 2010, the Center entered into a development agreement with a real estate developer. Under the agreement, the Center contributed, during 2011, certain land and buildings in exchange for a 50% equity interest in a newly formed entity, Midtown Place, LLC. The net book value of the assets at the time of transfer totaled \$1,811,806. This amount was recorded as the Center's investment in the joint venture. The real estate developer owns the other 50% interest in Midtown Place, LLC. During 2011, Midtown Place, LLC demolished the existing structures on the land and in their place constructed a new 55-unit apartment complex, Midtown Place Apartments. Construction of the new apartments was completed in July 2012. The developer manages the apartment complex for a management fee of four percent of gross rents less collectible deposits.

During August 2012, the Center formed a Tennessee nonprofit limited liability company, SBC Educational Holdings, LLC, ("Educational Holdings"). The Center is the sole member of Educational Holdings. In connection with the formation, the Center transferred its interest in Midtown Place, LLC to Educational Holdings.

In conjunction with the construction of the new apartment complex, Midtown Place entered into a construction promissory note, the balance of which was \$5,554,027 and \$5,650,000 at December 31, 2015 and 2014, respectively. The loan is collateralized by Midtown Place Apartments and is guaranteed by the developer. The Center does not guarantee the loan.

A summary of the assets and liabilities of Midtown Place, LLC as of December 31, 2015 and 2014, is as follows:

|                                   | 2015                            | 2014                     |

The Center's share of Midtown Place's net income for 2015 and 2014 was \$123,689 and \$82,815, respectively. The Center received distributions from Midtown Place totaling \$237,681 and \$173,062 in 2015 and 2014, respectively.

The Center's carrying value of the investment Midtown Place, LLC exceeds its share of the underlying net assets, which is considered to be equity method goodwill. The Center evaluates the carrying value of its investment in Midtown Place, LLC on at least an annual basis and more frequently if events occur or circumstances change that would likely reduce the fair value below its carrying amount. #### G. PENSION PLAN

All full-time staff and regular part-time staff who work twenty or more hours a week are eligible to participate in a defined contribution pension program of the General Board of Pensions Health Benefits of the United Methodist Church. Staff members may participate by contributing, through payroll deduction, not more than 10 percent to a personal accumulations account. The Center contributes nine percent on behalf of the employees. The total pension expense for the years ended December 31, 2015 and 2014, was \$76,409 and \$80,906, respectively.

### H. HEALTH CARE AND LIFE INSURANCE BENEFITS

The Center provides health, life, and other employee benefits for its active employees and health, dental, and life benefits to retirees through a group plan which qualifies for treatment as a multi-employer plan under ASC 715, *Compensation - Retirement Benefits*. Substantially all retired employees are eligible to participate in the plan if they have attained normal retirement age while in the employ of the Center.

The General Agencies of The United Methodist Church Benefit Plan (the "Plan") provides medical, dental, life, and long and short-term disability defined benefits to participants of general agencies and employees of other certain United Methodist related organizations, including the Center.

The Plan's unfunded accumulated postretirement benefit obligation ("APBO") was approximately \$94,000,000 and \$110,000,000 and the Plan's unfunded expected postretirement benefit obligation ("EPBO") was approximately \$134,000,000 and \$151,000,000 as of December 31, 2015 and 2014, respectively.

#### I. RELATED PARTY TRANSACTIONS

The United Methodist Women ("UMW") appoints 8 of the 24 voting directors of Scarritt-Bennett Center. In 2015 and 2014, the UMW provided the Center with financial support of \$100,000 in each year and grants in the amount of \$572,004 and \$153,594, respectively, in addition to the rent-free use of the facilities, as described in Note J. UMW also holds meetings and conferences at the Center, for which the Center receives fees and income from use of facilities.

#### J. CONTRIBUTION - RENT-FREE USE OF FACILITIES

UMW has contributed a rent-free lease agreement to the Center. The Center renewed the lease agreement with the UMW, effective January 1, 2011. The renewed lease agreement provides generally for a lease term through December 2020 with certain renewal options as well as termination provisions. The estimated fair value of the contributed facilities is recorded as a gift in the period the lease is executed and, for any terms in excess of one year, the value is discounted to its present value at that time. Based on the provisions of the lease agreement, the Center generally records the contributions in annual installments when it is known that the lease will remain in effect for the upcoming year. The contribution receivable relating to the rent-free use of facilities is included as leasehold rights - facilities usage in the accompanying statements of financial position. The leasehold rights - facilities usage was \$1,800,000 at both December 31, 2015 and 2014, which represents the right to use the facilities for 2015 and 2014, respectively. The related rent expense was \$1,800,000 for 2015 and 2014. The leasehold rights - facilities usage as of December 31, 2015 and 2014, is a temporarily restricted net asset.

#### P. FAIR VALUE OF FINANCIAL INSTRUMENTS - Continued

The following methods and assumptions were used to estimate the fair value of each class of financial instruments:

#### Investments

The fair value of short-term investments and equities are determined using primarily Level 1 inputs in accordance with ASC 820. The fair values of fixed income instruments are determined using primarily Level 2 inputs.

#### Perpetual Trusts Held by Third Parties

Fair value is based on Level 1 inputs, quoted market prices, where available.

#### Other

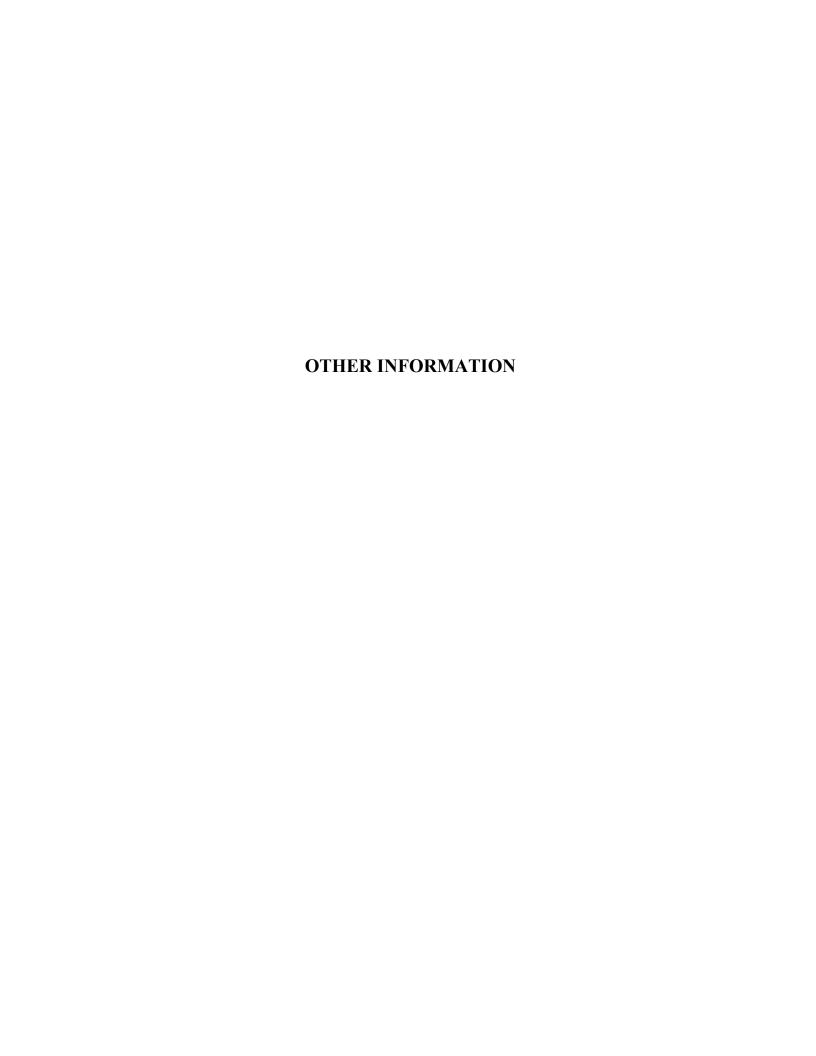

The Center's other financial instruments include accounts receivable, accounts payable and other liabilities, and the line-of-credit. The recorded values of accounts receivable and accounts payable and other liabilities approximate their fair values based on their short-term nature. The recorded value of the line-of-credit approximates fair value due to the instrument's variable rate nature.

#### Q. <u>CONTINGENCIES</u>

The Center is subject to potential claims and other legal proceedings arising in the ordinary course of its operations. Management consults with the Center's legal counsel in addressing such items. Certain allowances may be provided as information is available. During 2014, the Center became subject to a claim which was settled in August 2016. The settlement was within the Center's insurance coverage. It is the opinion of management that there is no pending or threatened litigation that would have a material adverse effect on the Center.

#### R. SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 10, 2016, the date the financial statements were available for issuance, and has determined that there were no subsequent events requiring disclosure.
